Dynasty bestselling author Jerry Thornton irreverently chronicles those easily glossed over downtrodden decades years when the team claimed more headlines for lawsuits arrests power struggles drug problems and inept bizarre behavior from players coaches and owners than for anything they accomplished on the field Relive the behind the scenes dysfunction the turmoil of prolonged irrelevance and the improbable way the Patriots finally ascended to greatness By turns hilarious and eye opening this is an essential history for fans and disparagers alike and a pointed reminder that the best stories of triumph start with humble beginnings
