Melton, 2001-11-09 To shed new light on the conspiracy itself and on what led Burr to orchestrate it Professor Melton traces Burr s career from his early days as a New York attorney to his cunning political maneuverings from his decades long feud with chief rival Alexander Hamilton to his complex relationships with the other Founding Fathers especially with Thomas Jefferson and his coconspirator General James Wilkinson Commander of the United States forces in the West     *Against Our Will* Susan Brownmiller, 1993-05-11 The bestselling feminist classic that revolutionized the way we think about rape as a historical phenomenon and as an urgent crisis essential reading in the era of MeToo A major work of history The Village Voice One of the New York Public Library s 100 Books of the Century As powerful and timely now as when it was first published *Against Our Will* stands as a unique document of the history politics and sociology of rape and the inherent and ingrained inequality of men and women under the law Fact by fact Susan Brownmiller pulls back the centuries of damaging lies and misrepresentations to reveal how rape has been accepted in all societies and how it continues to profoundly affect women s lives today A keen and prescient analyst a detailed historian Susan Brownmiller discusses the consequences of rape in biblical times rape as an accepted spoil of war as well as child molestation marital rape and date rape a term that she coined In lucid persuasive prose Brownmiller uses her experience as a journalist to create a definitive devastating work of lasting social importance Praise for *Against Our Will* The most comprehensive study of rape ever offered to the public It forces readers to take a fresh look at their own attitudes toward this devastating crime Newsweek A classic No one who
