The British Followers of Theodor Herzl Virginia Herzog Hein,1980      **The Jews of Britain, 1656 to 2000** Todd M. Endelman,2002-03 A history of the Jewish community in Britain including resettlement integration acculturation economic transformation and immigration      **The British Followers of Theodor Herzl** Virginia Herzog Hein,1987      **English Zionists and British Jews** Stuart Cohen,2014-07-14 Demonstrating that the reaction of the Anglo Jewish community to modern Jewish nationalism was far more complex than conventionally thought Stuart A Cohen argues that the conflict between Zionists and anti Zionists although often stated in strictly ideological terms was also an aspect of a larger contest for community control Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      *History Of Zionism* Hershel Edelheit,2019-09-19 This handbook and dictionary aims to provide the reader with a general overview of Zionist history and historiography to tabulate all data on Zionism and to gather in one source as many terms dealing directly or indirectly with Zionism and Jewish nationalism as possible      The Jewish Chronicle and Anglo-Jewry, 1841-1991 David Cesarani,1994-03-03 A history of an important newspaper and of Jewish communal life interpreted through its most vibrant public voice      **An empire of many cultures** Diane Robinson-Dunn,2024-04-30 Based upon extensive archival research and bringing to life the words and actions of extraordinary individuals from the early 20th century this book calls into question contemporary assumptions about the appreciation of diversity as a solely postcolonial phenomenon It shows how Bah Muslim and Jewish leaders prior to and during WWI found value in the existence of many different religions races languages nations and ethnicities within the British Empire Recognition of this heterogeneity combined with sympathy for certain liberal traditions allowed those historical actors to engage with that imperial state and culture in ways that would have an impact on future generations and relevance to modern debates      For Zion's Sake Paul Richard Wilkinson,2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel s restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ s glory and God s truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology

*Transactions - The Jewish Historical Society of England* Jewish Historical Society of England, 1982      *David Wolffsohn. Aufsteiger, Grenzgänger, Mediator* Ivonne Meybohm, 2013-03-13 David Wolffsohn 1850s 1914 was the closest assistant to Theodor Herzl and became his successor in the presidency of the World Zionist Organization in 1905 Using him as an example this study shows how the World Zionist Organization an internally quarrelled financially and politically uninfluential loose affiliation in its modest beginnings finally succeeded in acting historically powerful The study does not present a classical type of biography but an entangled history of a person and an institution for which Meybohm chose the term integrated biography By combining the methodological approaches of the new cultural history social political and economic history person as well as institution will be thoroughly analyzed The multiperspectivity also covers Wolffsohn's network which includes his colleagues supporters and opponents It contextualizes the Zionist organization with other contemporaneous national movements as well as international emancipation movements such as social democracy or the international women's

movement Besides domestic and foreign politics especially the Zionist commercial politics will be analyzed for it is as uninvestigated by recent scholarship as the life and work of Wolffsohn himself The results of this integrated biography challenge earlier scholarship of Zionism which mostly presents a teleological reading of Zionist history based on the successful founding of the state of Israel in 1948 In contrast to this using the example of Wolffsohn s biography it is possible to show that the long range success of this extraordinary project could not be foreseen in the beginning 'A Good Jew and a Good Englishman' Sharman Kadish,1995 **American Doctoral Dissertations** ,1977 1972, □□□□□ **Encyclopedia of World Biography** ,1998 Presents brief biographical sketches which provide vital statistics as well as information on the importance of the person listed Michael ,1986
