**Heller with a Gun** Louis L'Amour, 2004-02-03 Tom Healy was in trouble His theatrical troupe needed to get to Alder Gulch Montana and the weather was turning Andy Barker promised Tom he could get them there safely but Tom was reluctant to trust him he had the lives of three actresses to consider and his personal feelings for Janice further heightened his concern Then King Mabry showed up Although Tom didn't like the way he looked at Janice he could see that Mabry made Barker uneasy So Tom invited Mabry to join them Tom was right to be worried because Barker had a plan He

knew that the wagons carried something more than actors and scenery He and his men were going to steal it any way they could And that included murder      **Affray at Brownsville, Tex** United States. When I Was a Child Vilhelm Moberg,2014 At the beginning of the twentieth century in the poverty stricken Swedish region of Sm land young Valter the son of a soldier explores the world around him and watches his older brothers emigrate to America In this novel of the life of a farm boy first published in three volumes in 1946 Vilhelm Moberg sensitively explores his own childhood When Valter a boy with great imagination describes the exciting things he sees so vividly he is punished for lying so he learns to write his stories down instead He willingly leaves school and helps support his family by working in lumber camps and a glass factory His father s ill health and death bring even harder times Through all his toil he debates whether to honor his father s wish and remain in Sweden to support his mother With gentle irony and a loving knowledge of the landscape the people and the larger issue of class struggle Moberg offers American readers a deeply moving view of the other side of Swedish immigration      Passive and perspective Louise H. Cornelis,2022-06-08 The passive construction in Dutch represents a long standing problem both in linguistics and in written communications This book proposes a new analysis of the passive in Dutch integrating insights from theoretical especially cognitive linguistics and rhetoric composition The point of departure is the observation that the Dutch passive has a demonstrable perspective effect in texts the passive discourages identification with the agent and this in fact is the meaning of the Dutch passive construction This meaning forms the basis for a solution to a number of text problems including the problem of how to best use the passive in computer manuals We can also understand the passive s role in specific texts For example it becomes clear why policy paper writers use so many passives Finally in one of the case studies it is shown why passives were used differently in the NRC Handelsblad a Rotterdam daily newspaper and in the Parool from Amsterdam when they both reported that Ajax Amsterdam s football team became the national soccer champion      **Murder and Crime Buckinghamshire** Scott
