**It's Up to You** Dzigar Kongtrul, Helen Berliner, 2006-10-10 On the spiritual path we speak of enlightenment But how do we reconcile the idea of enlightenment with what we see when we look in the mirror when insecurities doubts and self centered tendencies arise in our minds Dzigar Kongtrul suggests that we need not feel doomed when these experiences surface In fact such experiences are not a problem if we are able to simply let them arise without judging them or investing them with so much meaning This approach to experience is what Kongtrul calls self reflection Self reflection is a practice a path and an attitude It is the spirit of taking an interest in that which we usually try to push away When we practice self reflection we take liberation into our own hands and accept the challenge and personal empowerment in Kongtrul's title it's up to you *The Great Treatise on the Stages of the Path to Enlightenment (Volume 2)*
