The Conclusion of the New Testament (4) Witness Lee, In the Lord's recovery during the past five hundred years, the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set, Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for

the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God s holy Word according to His New Testament economy as this one does **The Ministry, Vol. 10, No. 01** Various Authors,2006-02-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2005 winter training on the Crystallization study of the Building of God held December 26 31 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in four statements 1 The building of God is the processed Triune God wrought into us so that under His continual dispensing we become His enlargement expansion and corporate expression 2 The three tabernacles the type of the tabernacle the reality of the tabernacle and the consummation of the tabernacle reveal the goal of God s economy to have a corporate people to be His dwelling place for His expression and representation in eternity 3 The intrinsic element of the work of the divine building is to minister the building and build God into others for the building up of the Body of Christ 4 The desire of God s heart is the building of God into man and the building of man into God for the building of a great corporate God man the New Jerusalem These messages are being published immediately following the training in order that they may benefit the saints participating in the many video trainings that are held throughout the earth The Reports section includes an update on the purchase of the Bower House property in England and highlights on how the new facility is being used to carry out the burden of the work in Europe In the Announcements section we include the 2006 schedule of European and Middle Eastern events as well as a calendar giving the dates and locations of the seven Living Stream Ministry conferences and trainings the seven annual feasts for 2006 One cannot measure the benefits derived during these feasts from the Lord s rich speaking in His ministry and the mutual blending and building up of the saints and the churches in the Lord s recovery from every continent
