The Bungalow:

The Bungalow Anthony D. King, 1984 I just got off the sunset train I m from the Angel Town The Golden West Los Angeles Where the sun shines all year round I left a girlie back there She s the sweetest girl I know She said Goodbye I ll wait for you In the Land of the Bungalow from In the Land of the Bungalow by George F Devereux 1929 The bungalow in all its various forms has existed since the early seventeenth century from its origin as a Bengalese hut or banggolo made of mud cow dung thatch and bamboo to later developments as a one story square structure surrounded by a collonaded veranda and the subtle permutations exhibited in designs such as the Frank Lloyd Wright style prairie House Originally created as a peasant dwelling in rural India and later an accommodation for European travellers and expansive permanent residences for the colonial ruling class who served there the bungalow has become one of the most frequently adopted house forms throughout the world and the most popular home style in the United States Architects the world over have extolled the bungalow s merits in their interpretations of its modest style and economy while romantic notions of this humble abode have been conveyed through poetry and song by both temporary sojourners and permanent residents rejoicing in its simplistic luxury It is in fact the only dwelling which in both name and form exists on every continent the word bungalow has entered eighteen languages The first work of its kind this richly illustrated volume takes readers on an engaging tour of the history of the bungalow explaining the evolution of this architectural wonder from its inception as a practical dwelling place to its present day incarnation as a suburban home looked upon with affection and pride Here Anthony D King explores the historical forces which in producing the bungalow also shaped the modern world colonialism and industrialization capitalism and socialism urbanization and suburbanization He argues that a global culture of architectural style can be identified with the bungalow one which accords with the development of our international capitalistic and urban culture and that the bungalow was one of if not the first common house types of this culture Every type of bungalow is discussed including the American Craftsman and Arts and Crafts cottage styles the Spanish Colonial and California bungalows that became the basis for suburban sprawl throughout Los Angeles and the Japanese teahouse style that dominates the Florida landscape Offering the definitive history of America s most popular house form this fascinating work provides an engaging look at the charming structure of the bungalow Indeed as this unique book shows one might expect to hear a happy bungalow owner whether from a bohemian summer bungalow in the woods of Vancouver or a family home in the suburbs of Jacksonville Florida singing a bungalow tune Far from the city Somehow it seems We re sitting pretty in Our bungalow Of dreams

The Bungalow Book Henry Lawrence Wilson, 1910 **The Bungalow Book** Henry L. Wilson, 2006-09-29 Cozy charming and distinctly Californian the bungalow is an enduring architectural icon Originally designed to survive earthquakes the low rambling structures combined grace beauty and comfort at minimum cost Early in the twentieth century Los Angeles architect Henry Wilson who called himself The Bungalow Man compiled 112 of the most popular and economic bungalow blueprints of his time in a catalog for

would be homeowners Complementing each set of prints was an illustration or photograph of the completed house which most frequently contained two or three bedrooms with closet space living and dining rooms a kitchen with pantry and a bath An ideal reference for preservationists and restorers this reprint of Wilson s rare catalog represents a wonderful time capsule and invaluable guide to a popular style of American domestic architecture **Bungalows** Henry Hodgman Saylor,1911

The Bungalow Paul Duchscherer,1995 In the very early years of the century America was putting down its roots and searching for its own identity in housing architecture It wasn t until the bungalow style emerged unfettered by Greek Gothic or Italianate overtones that America finally had a domestic architectural style to call its own From County Hospital to NHS Trust Katherine A. Webb,2002 **Encyclopedia of American Urban History** David Goldfield,2007 Publisher description **The Craftsman's Vision: A Story of American Home Architecture** Pasquale De Marco,2025-07-10 The bungalow a quintessentially American home is a symbol of simplicity practicality and charm This comprehensive book explores the bungalow s unique design and construction its role in the Arts and Crafts movement and its impact on American culture and society From its origins in the late 19th century to its enduring popularity today the bungalow has played a significant role in shaping the character of American homes and communities This book takes a close look at the different types of bungalows from modest working class homes to grand suburban mansions and discusses the factors that led to the bungalow s rise and eventual decline The bungalow is more than just a house it is a reflection of the values and aspirations of the people who lived in them It is a symbol of both our national identity and our enduring love of simplicity and nature This book is essential reading for anyone interested in the history of American architecture design or culture In these pages you ll discover The unique design features of the bungalow and how they reflect the values of the Arts and Crafts movement The different types of bungalows from modest working class homes to grand suburban mansions and the factors that influenced their design The bungalow s lasting legacy and its continued relevance in the 21st century Case studies of notable bungalows and their architects Practical advice on preserving and restoring bungalows How to build a new bungalow that is faithful to the style Bungalow decorating and furnishing ideas Tips for creating a cozy and inviting bungalow garden Whether you re a homeowner a history buff or simply someone who appreciates good design this book has something for you So sit back relax and let us take you on a journey through the world of the bungalow If you like this book write a review Supreme Court ,1918 The Asiatic journal and monthly register for British and foreign India, China and Australasia ,1836 *Common Places* Dell Upton,John Michael Vlach,1986 Exploring America s material culture *Common Places* reveals the history culture and social and class relationships that are the backdrop of the everyday structures and environments of ordinary people Examining America s houses and cityscapes its rural outbuildings and landscapes from perspectives including cultural geography decorative arts architectural history and folklore these articles reflect the variety and vibrancy of the growing field of vernacular architecture In essays that focus on buildings and spaces unique to the U S landscape Clay Lancaster

Edward T Price John Michael Vlach and Warren E Roberts reconstruct the social and cultural contexts of the modern bungalow the small town courthouse square the shotgun house of the South and the log buildings of the Midwest Surveying the buildings of America's settlement scholars including Henry Glassie Norman Morrison Isham Edward A Chappell and Theodore H M Prudon trace European ethnic influences in the folk structures of Delaware and the houses of Rhode Island in Virginia's Renish homes and in the Dutch barn widely repeated in rural America Ethnic regional and class differences have flavored the nation's vernacular architecture Fraser D Neiman reveals overt changes in houses and outbuildings indicative of the growing social separation and increasingly rigid relations between seventeenth century Virginia planters and their servants Fred B Kniffen and Fred W Peterson show how following the westward expansion of the nineteenth century the structures of the eastern elite were repeated and often rejected by frontier builders Moving into the twentieth century James Borchert tracks the transformation of the alley from an urban home for Washington's blacks in the first half of the century to its new status in the gentrified neighborhoods of the last decade while Barbara Rubin's discussion of the evolution of the commercial strip counterpoints the goals of city planners and more spontaneous forms of urban expression The illustrations that accompany each article present the artifacts of America's material past Photographs of individual buildings historic maps of the nation's agricultural expanse and descriptions of the household furnishings of the Victorian middle class the urban immigrant population and the rural farmer's homestead complete the volume rooting vernacular architecture to the American people their lives and their everyday creations

Readers' Guide to Periodical Literature, 1911 **From Farm House to the White House** William M. Thayer, 2018-02-01 Reproduction of the original **The Quintessential Planter** Hashim Razvi, 2014-02-24 The author takes the readers to the verdant hills and valleys of Kerala called God's own country where the tea and rubber planters toil from dawn to dusk in rain or sunshine to grow tea and rubber **Densifying the City?** Margot Rubin, Alison Todes, Philip Harrison, Alexandra Appelbaum, 2020-11-27 Providing an in depth exploration of the complexities of densification policy and processes this book brings the important experiences of densification in Johannesburg into conversation with a range of cities in Africa the BRICS countries and the Global North It moves beyond the divisive debate over whether densification is good or bad adding nuance and complexity to the calls from multilateral organisations for densification as a key urban strategy *The Coalbearer's Home* Alka Singh, 2020-09-23 What happens when Mani an innocent 12 year old lad is uprooted from a sheltered life through an unfortunate row of accidents He is sucked into a tornado of uncertainties that render him homeless and absurd intersections surface to web his life He finds that the key to his life is uncontrollably grabbed by strangers a grotesque Ram Sahay Jaiswal his employer KP who claims him as his son but becomes the bane of Mani's life and Guru Aama who gives him shelter but breaks him as much as she makes him Mani's journey is about his deep longing for a home It is about seeking a sense of belonging that mirrors the contemporary collective sentiment of the hill people at that point in time set in the background of the Gorkhaland agitation in the Darjeeling

hills in the 1980s when it turned extremely violent Mani's life is a story of living through loss and yet being able to carve a meaning out of it Whether it leads Mani to redemption to his home is the most emphatic question that shapes the story
