**My Utopia** Ruzbeh Babaei, 2019-01-10 Why would we think of utopia Utopian thoughts are necessary to instigate social change Without a utopian vision something inspiring there is no chance of social development and the more transparent the vision the higher the chance of its achievement The significance of utopian thought in the contemporary world is undeniable We are faced with ecological issues so huge that the survival of the human species might be in doubt as well as the threats posed by overpopulation war terrorism new and sometimes unbelievably dangerous technologies cybernetic crimes and

religious extremism Thus a way out is obviously required and utopian thought can assist in the search for this My Utopia is a collection of creative writing demonstrating that utopian thinking is beyond any gender race age color nationality and border limitations Everybody can also think of his or her utopian world regardless of the restrictions of time and place Everyone who faces a crisis of life and faith will enjoy reading this book The short fiction short essays and poems in this book will be of great interest to everybody who believes in the power of literature in forcing change This collection will give the reader ideas about how to change his or her life for a more promising future *The Lost Nation Saga: The Era of Antiquity* ArtakaWorks Studio,2024-07-27 Part the first of a four volume epic featuring over 40 illustrations The world of SAHESH is a paradise of peace and plenty However in this time of prosperity one young student goaded on by ancient forces called THE FALLEN seeks to cause chaos and ruin amongst his bretheren in a bid to attain ever more knowledge and power Now the seven nations of the OSENTA must contend with this rising new threat the likes of which have never been known Blessed with world shaping abilities by their CREATOR the nations must decide who s side they will choose and how they will use their gift in this struggle of freedom vs tyranny
