A Will to Lead and the Grace to Follow Bryan Langlands, Bishop William H. Willimon, 2010-10-01 Throughout his time as bishop Will Willimon has once a week sat down at his computer and tapped out short messages to the churches under his care Sometimes his intention has been to comfort and

console sometimes it's been to motivate and inspire. Sometimes he's written deeply theological meditations on the mystery of the Resurrection; other times he's spoken in highly practical terms about what goes into making an effective congregation. Sometimes he wrestles with thorny issues of the day like religion and politics; other times he lists the things you should do during the first week of a new pastorate. Always he's brought to the task his trademark humor and insight. This book brings together dozens of these messages, each of them a gem of pastoral advice. If you want to know about the ins and outs, the highs and lows of being a leader of God's people, you've come to the right place.

The Small Business Guide to Marketing, Lead Generation and Sales Martyn Kinch, 2013-07-31. It has always struck me that whilst I can find any number of books on selling or marketing or getting rich quick, I have never found a book that showed start-up companies how to succeed in tough markets. In order to be successful in that environment, you need to pull together all the threads of your business so that you make yourself, your company, and your product or service so attractive that customers will want to search for you as much as you want to search for them. It is using the approach outlined in this book and the experience gained from building several successful businesses that we took on the competition, went international, and became the number one player in our chosen markets. Not bad when you consider that we started in our back bedroom and did it all without borrowing a penny. What's more, we are sure you can do this, and this book explains how.
