**Poet Lore, 1923      Ibadī Theology. Rereading Sources and Scholarly Works**

Ersilia Francesca, 2015-04-30 Ziel dieses Band ist verschiedene Themen der ibaditischen Religion von den Anfängen bis zur Gegenwart zu untersuchen Der Ibadismus entstand in der frühen islamischen Epoche und spielte eine entscheidende Rolle bei der Entwicklung der islamischen Rechts und Glaubenslehre Bis heute hat er einen großen Einfluss auf den Mittleren Osten und Nordafrika Trotz seiner langen Tradition ist der Ibadismus und vor allem die ibaditische Glaubenslehre noch immer wenig bekannt und vielfach auch verkannt Da bis jetzt nur wenige bedeutende umfangreiche Arbeiten zur Ibaditischen Glaubenslehre in europäischen Sprachen vorliegen versucht dieser Band Abhilfe zu schaffen indem er die charakteristische theologische Lehre dieser einflussreichen islamischen Strömung einem breiten Publikum bekannt macht und sich sowohl an Fachleute als auch an Laien wendet Anhand vieler Beispiele aus verschiedenen Epochen und Quellen und mit einem interdisziplinären Ansatz behandeln die Autoren Fragen zu Dogma und Bekenntnis Glaubensverständnis theologischen Kontroversen Neubewertung theologischer Quellen und zum ibaditischen Modernismus im Oman und Nordafrika des vergangenen Jahrhunderts Mittelalterliche ibaditische Quellen sind ausschlaggebend um die frühe Entwicklung der Bewegung und die Dispute über Lehre und Politik zu verstehen die die ibaditische Glaubenslehre vom sunnitischen Islam unterscheiden Auf der anderen Seite unterstreicht der vorliegende Band auch dass es wichtig ist die ibaditischen Quellen aus dem 19 und 20 Jahrhundert in den Blick zu nehmen als die ibaditische Reformbewegung begann sich um eine Annäherung zwischen dem Islam und der Moderne zu bemühen The aim of this volume is to explore different issues of Ibadī theology from the early beginnings until the present day Ibadī Islam emerged in the early Islamic period and played a pivotal role in the development of Islamic law and theology Today it continues to be an influential force in the contemporary Middle East and North Africa Despite its antiquity Ibadī Islam and particularly Ibadī theology remains little known and has often been misunderstood Up to now only few prominent book length works devoted to Ibadī theology in European language this volume aims at redressing this gap by introducing the distinctive theological teachings of this influential Islamic school to a broad

public specialists and non specialists alike Dealing with a series of cases from different periods and different sources and using an interdisciplinary approach the authors address questions such as dogma and creed conception of faith theological controversies reassessment of theological sources the Ibadi modernism in last century Oman and North Africa Medieval Ibadi sources are crucial to understand the early development of the movement and the doctrinal and political disputes which differentiate Ibadi doctrine from Sunni Islam on the other hand the volume emphasize the importance of also focusing on the 19th and 20th centuries Ibadi sources when the Ibadi reform movement started looking for reconciliation between Islam and modernity

*Understanding The Call of the Wild* Claudia Durst Johnson, 2000-04-30 London s adventure tale *The Call of the Wild* explores the complex relationships between man and nature and animals struggle with their own nature in man s world In this interdisciplinary study a rich collection of primary documents point out the many issues that make this story as poignant and pertinent today as when it was written nearly a century ago Compiled here for the first time is documentation from sources as varied as century old newspaper accounts legislative materials advertisements poetry journals and other startling firsthand accounts The story s historical setting the Yukon Gold Rush is brought vividly into focus for readers with firsthand accounts of the unimaginable hardships faced by the prospectors in the Klondike and Alaskan Gold Fields Central to their story and to their very survival were the dogs that served man s ambitions Tribute to the sled dog is given in an historical 1879 piece *The Value of Dogs* from the *Sketches of*

Life in the Hudson Bay Territory This casebook also investigates endangered species legislation and the history of animal welfare concerns focusing on the treatment of dogs in particular surveying over a century of public sentiment Students are introduced to The Call of the Wild with an insightful literary analysis exploring a mythological interpretation and a discussion of its main thematic premise the fundamental struggle for freedom Each subsequent chapter of this casebook focuses on an important topic such as animal welfare contextualizing these issues with primary documents Students will find these materials and the related essays invaluable in understanding not only The Call of the Wild but also the historical and pertinent social issues it addresses Each topic section of this casebook offers ideas for thought provoking class discussions debates and further research Suggestions for further reading on these topics are also given The Call for African Pride Zandile Dlamini,2017-10-23 This book is about two of the most prominent leaders of South Africa leaders whose respective roles shaped and influenced South Africa both positively and negatively Those leaders were Dr H F Verwoerd better known historically as an architect of apartheid and Nelson Mandela the doctor of the soul known for his peace and reconciliation policy Verwoerd was a doctor of psychology a profession he used to his advantage to cripple the minds of black men hence black people are still suffering even in the new dispensation from inferiority complex strongly argued in the book by the author The author is appreciative of these two heads of state who came from different backgrounds Verwoerd had no regard whatsoever for black people but in many other ways he was much like Mandela in character and reasoning capacity What cannot be disputed about these two remarkable leaders is that they both created a rich history for South Africa which we owe to both Dr Nelson Mandela and Dr H F Verwoerd Verwoerd with his apartheid policy and Mandela with his peace and reconciliation policy Both had strong characters being idealists and philosophers in their own rights men who stood for what they believed in and held firm to their convictions knowing that greater success comes with pain and at a high price Where they differed was in their outlook on life Ones focus of interest was a minority group whites while Mandelas was on all races including both blacks and whites Hence he received the title of Father of the Nation while Verwoerd was the god of the white people only So the book shall take you on a journey of how these great mens ideals and beliefs had influenced the people of South Africa and the world in general and how detrimental was the policy of apartheid in the lives of many who until this day and age are still struggling to detached themselves from that belief of inferiority They were taught by apartheid and Dr Verwoerd that it defines their existence and that belief keeps holding back the millions of black African people from forging ahead in order to be the greatest they can be as proud Africans irrespective of the way forward presented to them by Dr Nelson Mandela There is a star and a hero in every one of us so the book is taking everyone on a journey to self discovery and pride in their own identity **The Publishers Weekly ,1911    Sunset ,1911    The Call to Serve** Jon Meacham,2024-05-28 In honor of the one hundredth anniversary of George H W Bush s birth this visually stunning chronicle features never before published photos and memories celebrating the forty first president s vision of leadership as service to
