The Camp David Covenant:

The Camp David Covenant Peter Spender, 1989 *Blood and the Covenant* Pierre Parisien, 2010-11 *Blood and the Covenant* tells the story of a mindset the conception of a personal covenant between God and man and the insidious consequences of this mindset Author Pierre Parisien examines the history of covenantal belief and looks critically at two of its most troubling aspects appropriation the Promised Land and moral dispensation the belief that if you are doing it for God then it is not a sin but a virtuous act Parisien traces the historical consequences of the contract with God from the campaigns of Joshua in Canaan to the present manifestations of ideological Zionism He argues that the course of history has been in great part a consequence of the original Covenant and he charts the regrettable lineage of atrocities committed under the auspices of covenant fulfillment including the conquest of Canaan to the hegemony of Rome the rape of Northern India by the Muslim Sultans the Crusades European colonialism which considered the entire planet as the Promised Land Manifest Destiny and ideological Zionism Wars crimes against humanity and genocide have too often been the aftermath of the Covenant Will this woeful progression ever come to an end **The Dismissing of America's Covenant with God** Miles Huntley Hodges, 2020-04-30 This volume looks at how as America went through the 1960s its achievement of superpower status invited both deep Progressive political changes at home Johnson's Great Society and aggressive Democratic involvement abroad Vietnam in both instances resulting in social catastrophe The narrative continues describing the battle to hold America's traditional Christian political moral foundations based on the American family and local community against the urge of Congressional Progressivists a Liberal media idealistic academics a Boomer generation and federal judges to rewrite those same standards along more Secular lines It covers Nixon's diplomatic successes abroad yet his humiliation at home Watergate the resultant collapse of all social order in Indochina with the retreat of America from the region Carter's discovery that diplomatic niceness is not a good substitute for real power the restoration of American national pride during the Reagan Bush Sr and Clinton years thanks to strong but carefully measured policies the disaster that hit when Bush Jr decided to democratize Afghanistan and Iraq the deep Change that Obama attempted to bring to a centuries old traditional America and finally the arrival of Trump deeply contested by political adversaries It looks at the moral spiritual character rather universally Christian of America's national leadership since 1960 and how that had its own impact on the country even during this distinctly post Christian period The narrative concludes with a review of the various political moral lessons we should draw from America's own national narrative particularly the necessity of getting back into an all important Covenant relationship with God **Bulletin of the Atomic Scientists**, 1980-10 **The Covenant** Christopher Kerr, 2021-08-28 After experiencing a passionate summer of love two young people part after making a Covenant which haunts them for a lifetime until they are drawn back to where it began Idealism battles pragmatism in an era of political and historical turmoil including some of the greatest tragedies and scandals to rock the late 20th and early 21st Centuries **A Covenant People**

James P. Eckman, 2014-03-26 The twentieth century witnessed harsh anti-Semitism, vicious pogroms and the unimaginable Holocaust. Over a third of the world's Jews were killed. Yet today the largest concentration of Jews resides in Israel, a modern miracle. Theologian and historian Dr. Jim Eckman presents a riveting history of God's covenant people from the initial promises God made to Abraham to the establishment of the modern state of Israel in 1948. Through enslavement in ancient Egypt, the conquest under Joshua, the establishment of the monarchy under David, the brutal exiles under Assyria and Babylon, to the tragedies of Diaspora Judaism, the Jewish people have survived. For almost 1,900 years, the Jews were dispersed and despised as Christ-killers. But by the late nineteenth century, there was evidence of a change in the world's perception of the Jews. How and why did they begin their historic trek back to their ancient homeland? Eckman identifies ten major historical events that reawakened the West to the necessity of a homeland for the Jewish people. As he weaves history together with the theological portrait of our covenant-making God, Eckman provides an indispensable handbook for understanding today's Middle East and the importance of the Jewish people to God's eternal plan for this planet.

The Definitive Israel-Palestine Reader BD Publishing, LLC, 2025-04-07 THE STORY OF THE ISRAEL-PALESTINE CONFLICT as told by the people who shaped it. This fascinating compilation brings the Israel-Palestine conflict to life from the beginnings of the Zionist movement through the 2023 attacks and ensuing strife. The Definitive Israel-Palestine Reader weaves together speeches, intelligence briefings, diplomatic correspondence, contemporary newspaper articles, and other historical documents from across three centuries to create a highly readable narrative of the Israel-Palestine conflict that encompasses both Israeli and Palestinian perspectives. Skillfully intertwined throughout the compendium is insight and commentary from historical figures and leading experts that contextualize key events. Contributors include Yasser Arafat, Henry Kissinger, Albert Einstein, Malcolm X, Mahatma Gandhi, Benjamin Netanyahu, and many more. There is a reason this book is acclaimed by leading experts and foreign policy professionals: The Definitive Israel-Palestine Reader is an indispensable tool for anyone who wants to learn more about the Israel-Palestine conflict.

Bulletin of the Atomic Scientists, 1980-10 *JerUSAlem* Matthew Stone, 2025-01-09 *JerUSAlem* A Study of the Link Between Israel, the Abrahamic Covenant, and the United States of America invites the reader to see the nation of Israel from a Biblical worldview by tracing the historical events guided by Biblical precedent. Using Israel's patriarchs, her captivity, and diaspora, the world's disdain for her, all the man-made treaties meant to control her, and her eventual independence, Matthew T. Stone shows that God's purpose to make Israel a great nation will not be thwarted. Moreover, if the United States continues her support of Israel, she will continue to enjoy further blessings according to God's covenant with Abraham: "Go from your country and your kindred and your father's house to the land that I will show you. And I will make of you a great nation, and I will bless you, and make your name great, so that you will be a blessing. I will bless those who bless you, and him who dishonors you I will curse, and in you all the families of the earth shall be blessed."
