Morton,2014-08-15 Includes Civil War Map and Illustrations Pack 224 battle plans campaign maps and detailed analyses of actions spanning the entire period of hostilities One of the shining lights of the Confederate war effort Nathan Bedford Forrest was an iconoclast militarily untrained at the outbreak of the Civil War he was to wield his cavalry command with innovative doctrines effective strategies that confounded many Union commanders Central to his success was his hard riding mounted artillery which provided him with a heavy punch to add to his mobility Captain John Morton rose to the post of Forrest s chief of artillery in 1864 after much service since joining the grey ranks in 1861 Many years after the end of his military service he set out to write a history of the unit he commanded this volume is comprehensive readable and very well

written He charts all of the engagements and actions in which he and his men fought with detail and verve however the greatest insights are into the daily life of the Confederate raiders their morale and anecdotes of his leader and his style of command A Classic Confederate history The Campaigns of Lieutenant General N. The Artillery of Nathan Bedford Forrest's Cavalry, "the Wizard of the Saddle," John Watson Morton,1909 *The Campaigns Of General Nathan Bedford Forrest And Of Forrest's Cavalry* General Thomas Jordan,J.p. Pryor,1996-08-22 In June 1861 practically unschooled without military training or experience Nathan Bedford Forrest 1821 1877 enlisted in the Confederate Army as a private Yet by the Civil War s end he was a lieutenant general whose dazzling exploits and bloody victories caused him to be regarded by his Northern opponents as a devil by Southerners as a living legend and by historians as the greatest cavalry commander and one of the few authentic military geniuses produced by the war His spectacular unparalleled career has intrigued generations of Civil War scholars and enthusiasts Subsequent biographies or studies of him have never totally superseded *The Campaigns of General Nathan Bedford Forrest 1868* by General Thomas Jordan West Pointer and chief of staff to Generals Beauregard Albert Sidney Johnston and Braxton Bragg and the professional journalist J P Pryor Forrest himself gave them complete access to his military papers spent many hours in interviews with them and closely supervised their writing Hence this work is not just a flat campaign study of Forrest in effect it is his military memoir and as such remains the most valuable source on Forrest and his cavalry **Confederate Generals in the Western**

Theater, vol. 4 Lawrence Lee Hewitt,Thomas E. Schott,2024-01-12 Like its predecessors the fourth and final volume of *Confederate Generals in the Western Theater* is an invaluable contribution to the historiography of a poorly understood theater of war presenting new interpretations of major figures while bringing to light both the triumphs and failures of lesser known generals Its cutting edge scholarship offers further grounding for the editors contention that the South s bid for independence was lost on its western battlefields and that the responsibility for those defeats lay more with the Confederate generals than with their opponents Among the ten chapters this collection includes C David Dalton on the death of Felix Zollicoffer at the Battle of Mill Springs in Kentucky Roger Durham on Robert E Lee s leadership early in the war of the

Department of South Carolina Georgia and East Florida Brian S Wills on Abraham Buford s behind the scenes contributions to Nathan Bedford Forrest s famous exploits the late Nathaniel Cheairs Hughes Jr on the achievements and failings of Gideon J Pillow James M Prichard on John Hunt Morgan and his last Kentucky raid and Keith S Bohannon on Edward C Walthall a Virginia lawyer who overcame his lack of prior military experience to become one of the ablest generals in any of the war s theaters Some essays offer full biographies of their subjects others focus on a single campaign Along with the previous volumes this exemplary collection encourages an important rethinking of the course of the Civil War and its ultimate outcome Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University He is the author of Port Hudson Confederate Bastion on the Mississippi among other publications and his honors include the 2013 Nevins Freeman Award for the advancement of American Civil War scholarship and support for the Round Table movement Thomas E Schott worked as a historian for the Department of Defense He is the author of Alexander H Stephens of Georgia A Biography which won the Jefferson Davis Award He is coeditor and contributor with Lawrence Hewitt of Lee and His Generals Essays in Honor of T Harry Williams as well as several volumes of Confederate Generals in the Western Theater and Confederate Generals in the Trans Mississippi

The Cavalries in the Nashville Campaign Dennis W. Belcher, 2020-06-01 The Nashville Campaign culminating with the last major battle of the Civil War is one of the most compelling and controversial campaigns of the conflict The campaign pitted the young and energetic James Harrison Wilson and his Union cavalry against the cunning and experienced Nathan Bedford Forrest with his Confederate cavalry This book is an analysis of contributions made by the two opposing cavalry forces and provides new insights and details into the actions of the cavalry during the battle This campaign highlighted important changes in cavalry tactics and never in the Civil War was there closer support by the cavalry for infantry actions than for the Union forces in the Battle of Nashville The retreat by Cheatham s corps and the Battle of the Barricade receive a more in depth discussion than in previous works on this battle The importance of this campaign cannot be overstated as a different outcome of this battle could have altered history The Nashville Campaign reflected the stark realities of the war across the country in December 1864 and would mark an important part of the death knell for the Confederacy

The Campaigns of General Nathan Bedford Forrest and of Forrest's Cavalry General Thomas Jordan, J.P. Pryor , 2016-07-17 In the work now in course of preparation by the Messrs Blelock Co will be found an authentic account of the campaigns and operations in which I took part during the war for the independence of the Confederate States Believing it to be proper that there should be a timely and lasting record of the deeds and services of those whom I have been so fortunate as to command I placed all the facts and papers in my possession or available to me in the hands of accomplished writers who have done their part with close and conscientious research and have endeavored to make up a chronicle neither over wrought nor over colored as I can testify For the greater part of the statements of the narrative I am responsible and all facts and incidents derived from other sources are properly credited in the footnotes It is hoped that justice will be found
