The Canopus Revelation Philip Coppens, 2004 Links the star Canopus in the constellation Orion with the god Osiris the Grail legend and alchemy Proposes that Canopus enabled men to communicate with gods and enter other dimensions and shows how this connection is part of both Egyptian mythology and modern physics and describes the structure of the universe

Secret Vault Filip Coppens, Andre Douzet, 2006 In this brilliant work of investigative research the authors uncover new secrets in the basilica of Notre Dame de Marceille On the surface this church is like any other but it has a hidden dimension which has been successfully kept secret Underneath the church lies an underground complex hidden for over 500 years where there was a monetary treasure and a pagan religious site once under the control of the Templars Both the Compagnie de St Sacrement a 17th century secret society and Sauniere the priest at the centre of the enigma of Rennes le Chateau tried to get hold of this underground complex and its monetary and religious treasure and of the secret Here is the full shocking story

Egypt -- 'Image of Heaven' Willem H. Zitzman, 2006 The ancient Egyptians were the first geographical planners to develop a system establishing an image of heaven on earth This book completes ten years of research into how the Pyramid Field depicts The Constellation of Horus the deity who bore the meaning of power and invincibility and who guarded the Pharaoh Rather than randomly pick certain pyramids Zitzman is the first scholar able to make sense of the entire era of pyramid building Is this depiction of Heaven on Earth an inheritance of the mythical Followers of Horus who were said to rule Egyptian in Predynastic times Zitzman reveals how time and space were perceived by the Egyptians as sacred ingredients and that they mixed into a divine master plan which for the first time is unveiled in its entirety The precision of the Egyptians was amazing by any standards and there is no doubt that the Pyramids were astronomically designed

Patrick Moore *Saunier's Model and the Secret of Rennes-le-Chateau* André Douzet, 2015-02-25 In 1916 Berenger Saunier the enigmatic priest of the French village of Rennes le Chateau created his ultimate clue he went to great expense to create a model of a region said to be the Calvary Mount indicating the Tomb of Jesus But the region on the model does not resemble the actual lay out of Jerusalem Did Saunier leave a clue as to the true location of his treasure And what is that treasure After years of research Andre Douzet discovered this model never collected from the model maker by Saunier who had died just before the model's completion Backed by evidence showing correspondence between Saunier and the model maker Douzet also reveals much new evidence including the revelation that Saunier spent large amounts of time and money in the city of Lyons often on exotic and high tech photographic instruments And for the first time it is shown Saunier met some very interesting people from esoteric in particular Martinist circles in Lyons This body of evidence for the first time demonstrates there is indeed a true mystery surrounding this village priest a theory widely speculated on so far by others authors but seldom if ever backed by evidence The model is the only real clue Saunier left behind as to the nature and location of his treasure and is unveiled in this book which includes pictures and detailed drawings of the model among many other things It

also reveals the location of the region where Sauniere had located his treasure and where Douzet himself has so far recovered large quantities of precious and semi precious materials Above all Douzet demonstrates that grounds of Perillos not so much hold a treasure though present but rather a secret and that this secret was the true importance of Sauniere s mystery a secret that is said to be of vital importance and terrifying force **Reich of the Black Sun** Joseph P.

Schoch,Robert Aquinas McNally,2005-06-02 The Egyptologist acclaimed for re dating the Great Sphinx at Giza sets his sights on one of the true mysteries of antiquity the Great Pyramid of Giza What is the Great Pyramid of Giza Ask that basic question of a traditional Egyptologist and you get the basic traditional answer a fancy tombstone for a self important pharaoh of the Old Kingdom This Egyptologists argue is the sole finding based on the data and the only deduction supported by science By implication anyone who dissents from this point of view is unscientific and woolly minded a believer in magic and ghosts Indeed some of the unconventional ideas about the Great Pyramid do have a spectacularly fabulous ring to them Yet from beneath the obvious terms of this controversy a deeper more significant question arises how is it that the Great Pyramid exercises such a gripping hold on the human psyche adding cryptic grace to the back of the one dollar bill and framing myriad claims of New Age pyramid power In Pyramid Quest Robert M Schoch and Robert Aquinas McNally use the rigorous intellectual analysis of scientific inquiry to investigate what we know about the Great Pyramid and develop a stunning hypothesis This ancient monument is the strongest proof yet that civilization began thousands of years earlier than is generally thought extending far back into a little known time In tracing that story we come to understand not only the Great Pyramid but also our own origins as civilized beings **Secret Knowledge: Exploring the Boundaries of the Possible** J.

Douglas Kenyon, Considered by many to be the magazine of record for ancient mysteries unexplained anomalies and future science Atlantis Rising provides some of the most astounding reading to be found anywhere Editor J Douglas Kenyon has culled from the pages of Atlantis Rising magazine this collection of 36 concise and well illustrated articles by world class researchers and authors such as Andrew Collins Philip Coppens William Henry Frank Joseph Robert M Schoch and many

others who offer thought provoking insights on a variety of topics that challenge conventional wisdom In these pages the latest discoveries and theories on the controversial subjects are explored and even more provocative questions are raised What emerges is a fascinating case in support of a much greater antiquity for civilization a well reasoned argument for the existence of advanced technologies in prehistory and the revelation of secret forces that have been at work throughout time and are still present today

The Stone Puzzle of Rosslyn Chapel Filip Coppens, Philip Coppens, 2004 Rosslyn Chapel has fuelled controversy and debate both recently in several best selling books as well as in past centuries Revered by Freemasons as a vital part of their history believed by some to hold evidence of pre Columbian voyages to America assumed by others to hold important relics from the Holy Grail to the Head of Christ the Scottish chapel is a place full of mystery This book will guide you through the theories showing and describing where and what is being discussed what is impossible what is likely and what is fact At the same time the book will virtually guide you around all enigmatic and important aspects of the chapel The history of the chapel its relationship to freemasonry and the family behind the scenes the Sinclairs is brought to life incorporating new forgotten and often unknown evidence Finally the story is placed in the equally enigmatic landscape surrounding the chapel from Templar commanderies to prehistoric markings from an ancient kingly site to the South to Arthur s Seat directly north from the Chapel before its true significance and meaning is finally unveiled that the Chapel was a medieval stone book of esoteric knowledge written by the Sinclair family one of the most powerful and wealthy families in Scotland chosen patrons of Freemasonry

El Misterio de la Pirámide de Keops Robert M. Schoch, Robert Aquinas McNally, 2008-02-13 En el año 1993 apareció en escena una de las teorías más desequilibrantes de la egiptología académica Basándose en la erosión de la piedra caliza en la que fue tallada la Esfinge de Gizeh un prestigioso geólogo perteneciente a la Universidad de Boston fijó la datación de dicha escultura en al menos 3 000 años más antigua de lo que se había pensado hasta la fecha llegando a la conclusión de que fue construida por una cultura prefabrónica cuyo legado fue reabsorbido posteriormente por la civilización de la prehistoria que todos conocemos Robert Schoch el autor de esta sugerente teoría que fue noticia en todos los medios de comunicación del mundo lleva a cabo en este libro un apasionante estudio sobre la Gran Pirámide Utiliza el riguroso análisis de la investigación científica para determinar qué sabemos sobre la Gran Pirámide y desarrolla una hipótesis sensacional este antiguo monumento es la prueba más contundente de que la civilización comenzó mucho antes de lo que generalmente se piensa adentrándose en un tiempo desconocido casi olvidado

The Ark Secret Jerry Bowen, 2016-11-01 A reported archaeological discovery in Israel could shed new light on Christian theology For centuries the atonement has been taught as having been accomplished by the physical death of Jesus Christ Could the Ark of the Covenant shed new light on redemption The secret message of the Ark was hidden for nearly two thousand years Why is the Ark of God making a noteworthy appearance now Could its discovery be a harbinger of the events of the very last days of earth s history The 144 000 of Revelation learn a song connected to the ark They are the ONLY ones who can learn this song
