Moulton, Thomas W. Dunlay, 2002-01-01 Since the time of Columbus explorers dreamed of a water passage across the North American continent President Thomas Jefferson shared this dream He conceived the Corps of Discovery to travel up the Missouri River to the Rocky Mountains and westward along possible river routes to the Pacific Ocean Meriwether Lewis and William Clark led this expedition of 1804 6 Along the way they filled hundreds of notebook pages with observations of the geography Indian tribes and natural history of the trans Mississippi West This volume includes Lewis's and Clark's journals beginning in August 1803 when Lewis left Pittsburgh to join Clark farther down the Ohio River The two men and several recruits camped near the mouth of the Missouri River for five months of training acquiring supplies and equipment and gathering information from travelers about the trip upriver They started up the Missouri in May 1804 This volume ends in August when the Corps of Discovery camped near the Vermillion River in present day South Dakota [The Journals of the Lewis and Clark Expedition: August 30, 1803-August 24, 1804](#) Meriwether Lewis, 1983-01-01 The journey of the Corps of Discovery under the command of Captains Meriwether Lewis and William Clark across the American West to the Pacific Ocean and back in the years 1804 1806 seems to me to have been our first really American adventure one that also produced our only really American epic The Journals of the Lewis and Clark Expedition now at last available in a superbly edited easily read edition in twelve volumes of an eventual thirteen almost two centuries after the Corps of Discovery set out This important text has not been fully appreciated for what it is because of two centuries of incomplete and inadequate editing All three editions previous to this excellent one from the University of Nebraska were flawed by significant omission Thus my gratitude to the present editor Gary Moulton and his assistant editor Thomas Dunlay for bringing what I believe to be a national epic into plain view at last For almost two hundred years their Lewis and Clark's strong words waited there but not there printed but not read our silent epic But words can wait now the captains writings have at last spilled out and fully in this regal edition When the Atlas of the Lewis and
