A History of Publishing in the Philippines Dominador D. Buhain, 1998 [The Music Child and Other Stories](#) Alfred A. Yuson, 2017-12-02 From the multi-awarded Filipino author of novels, essays, and short stories comes a coming-of-age and riveting tale of hope and innocence This collection of contemporary Philippine fiction by Alfredo Yuson also known as Krip Yuson has been awarded several times and has been published in many platforms The compilation includes titles such as *Romance and Faith on Mount Banahwa* *Big Street Voice in the Hills* *Avenida Vignettes* among others

[Autism in Young Adult Novels](#) Marilyn Irwin, Annette Y. Goldsmith, Rachel Applegate, 2015-06-17 An estimated 1 in 110 children in the United States has autism spectrum disorder (ASD) Although the public awareness of autism has grown significantly, teens are not as educated about this subject as they should be When accurately and positively presented, literature has been shown to help the classmates of those with ASD better understand the disorder Increased familiarity with the subject will in turn help foster acceptance

In *Autism in Young Adult Novels: An Annotated Bibliography* Marilyn Irwin, Annette Y. Goldsmith, and Rachel Applegate identify and assess teen fiction with autism content In the first section, the authors analyze how characters with ASD are presented Where do they live and go to school? Do they have friends? Do they have good relationships with their family? How are they treated by others? The authors also consider whether autism is accurately presented This discussion is followed by a comprehensive bibliography of books that feature a character identified as being on the autism spectrum The novels reviewed in this volume date as far back as the late 1960s and include works published in the last few years As more and more authors of young adult fiction become sensitive to ASD, they are featuring such characters in their novels, creating more realistic works for their readers This study will help librarians and others collect, choose, evaluate, and use these works to educate young adults
