Wedding Spectacle Across Contemporary Media and Culture Jilly Boyce Kay, Melanie Kennedy, Helen Wood, 2019-10-24 This book interrogates the hyper visibility and stubborn endurance of the wedding spectacle across media and culture in the current climate The wide ranging chapters consider why the symbolic power of weddings is intensifying at a time when marriage as an institution appears to be in decline and they offer new insights into the shifting and complex gender politics of contemporary culture The collection is a feminist project but does not straightforwardly renounce the wedding spectacle Rather the diverse contributions offer close analyses of the myriad forms and practices of the wedding spectacle from reality television and cinematic film to wedding videography and bridal boutiques Drawing on feminist and queer theory the chapters illuminate the paradoxes contradictions disappointments cruelties and pleasures that are intimately bound up with the wedding spectacle Written by leading and emerging feminist scholars the chapters range across different national and cultural contexts to explore how the gender politics of weddings are changing and adapting to a new cultural and social landscape This in depth analysis of the wedding spectacle will appeal to academics and researchers in the fields of gender and mass media cultural studies feminist studies and intercultural communication *The Ladies' Home Journal*, 1907

The Idea of Love Patti Callahan Henry, 2015-06-23 From New York Times bestselling author Patti Callahan Henry *The Idea of Love* asks Can two people come together for all the wrong reasons and still make it right Ella's life has been completely upended She's young beautiful and deeply in love until her husband dies in a tragic sailing accident Or so she'll have everyone believe Screenwriter Hunter needs a hit but crippling writers block and a serious lack of motivation are getting him nowhere He's on the lookout for a love story It doesn't matter who it belongs to When Hunter and Ella meet in Watersend South Carolina it feels like the perfect match something close to fate In Ella Hunter finds the perfect love story full of longing and sacrifice It's the stuff of epic films In Hunter Ella finds possibility It's an opportunity to live out a fantasy the life she wishes she had And more real Besides what's a little white lie between strangers But one lie leads to another and soon Hunter and Ella find themselves caught in a web of deceit As they try to untangle their lies and reclaim their lives they feel something stronger is keeping them together **Feminism, Self-Presentation, and Pinterest** Emily S.

Johnson, 2020-06-26 *Feminism Self Presentation and Pinterest* The Labor of Wedding Planning argues that Pinterest which has been largely criticized for perpetuating vapid stereotypical gender roles is actually a dynamic digital curation tool that facilitates meaning making around the important cultural event of the Western wedding Emily S Johnson through a thorough

examination of how aspiring brides use the platform to plan their weddings found that Pinterest is a unique platform that offers brides the opportunity to construct their own wedding identity by engaging in creativity and exercising voice and agency during planning. Even if the content they are consuming does support tenets of patriarchy or gender roles, brides are able to make their own choices rather than having their goals determined for them through societal or familial norms and expectations. The platform integrates both the online and offline labors of wedding planning as brides create meaning through the curation process and connect with the self as they execute their planning. Overall, Johnson argues that far from the stereotypes of fantasizing about dream weddings and luxurious lifestyles that may be unrealistic, Pinterest gives brides increased ability to make their own specialized vision come to life. Scholars of women's studies, gender studies, communication, media studies, cultural studies, and rhetoric will find this book particularly useful.

The Bride in the Cultural Imagination Jo Parnell, 2020-11-13. This essay collection examines the cultural and personal world of girls and women at a time when their lives, their person, their realities, and their status are about to change forever. Together, the chapters cleverly create an in-depth study of the subject and look at several cultural forms to offer a different approach to the popularly held views of the bride. The critical essays in this edited collection are thematically driven and include global perspectives of the portrayals of the bride in the films, stage productions, and pop culture narratives from Nigeria, Kenya, Uganda, Tanzania, Spain, Ancient Greece, and Ancient Rome, Tajikistan, India, Egypt, and the South Eastern Indian Ocean Islands. This multinational approach provides insight into the intricacies, customs, practices, and life styles surrounding the bride in various Eastern and Western cultures.

Reading Bridal Magazines from a Critical Discursive Perspective E. Glapka, 2014-09-04. Bridal magazines have become increasingly popular in Western society, proliferating the idea of a princess bride on her big day. Yet little has been written on how the ever-expanding wedding media and the popular wedding culture constructs gender and affects the ways women live and experience their weddings. Offering a critique of contemporary wedding discourse, this book marries together analyses of media texts and their reception to propose a new approach to media discourse. The analysis richly illustrates how women are invited to embrace not only the stereotypical idea of bridal femininity but also a consumptive way of experiencing it. Through examination of brides' accounts of their big days, the book observes the imprints of the popular gender imagery on their self-portraits and self-narratives and describes the women's diverse approaches to them. Based on insights from gender and critical discourse studies, sociology, and audience research, this exploration illuminates the ongoing debate on media and gender and its methodological approaches.

The Complete Idiot's Guide to the Perfect Wedding, 3E. Teddy Lenderman, 2000-04-09. 2.3 million brides and grooms will say I Do this year, making the wedding industry a \$32 billion business. This book will offer sound advice from bridal consultants and brides alike on how to select a perfect dress, find a caterer, use the Internet as a planning tool, handle in-laws, and much more.

The Brides Of Ideas Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Brides Of Ideas has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Brides Of Ideas has opened up a world of possibilities. Downloading The Brides Of Ideas provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Brides Of Ideas has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Brides Of Ideas. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Brides Of Ideas. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Brides Of Ideas, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Brides Of Ideas has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
