

The British State Since 1945

An Introduction

Tom Ling

The British State Since 1945 An Introduction

Chris Cook, John Stevenson

The British State Since 1945 An Introduction:

The British State Since 1945 Tom Ling, 1998 This volume identifies the main changes in the British state since 1945 and evaluates their consequences It provides students and practitioners with an understanding of the changing public sector and the relationship between these changes and the wider conduct of politics Recent academic and political responses to the British state have been influenced by an atmosphere which is increasingly suspicious of hierarchies bureaucracies and indeed the state itself Tom Ling identifies the factors leading to this development and in the final chapter he evaluates the more important recent responses to the changed atmosphere The British State Since 1945 will be widely read by students and practitioners of British politics and public sector change Its concern with policy making and policy implementation also makes it a valuable resource for students of social welfare and economic interventions Through its evaluation and application of a variety of theoretical and analytical approaches to the question of the British State this book will also be of interest to everyone concerned with more theoretical debates about the nature of the state and contemporary politics

Everyday Welfare in Modern British History Caitríona Beaumont, Eve Colpus, Ruth Davidson, 2024-12-17 This open access book offers a new approach to understandings of welfare in modern Britain Foregrounding the agency individuals and groups claimed through experiential expertise it traces deep connections between personal experience welfare and activism across diverse settings in modern Britain The experiential experts studied in this collection include women students children women who have sex with women bereaved families community groups individuals living in poverty adults whose status sits outside professional categories health service users and people of faith Chapters trace how these groups have used their experiences to assert an expert witness status and have sought out new spaces to expand the scope inclusivity and applicability of welfare services

The Statesman's Year-Book 1994-95 B. Hunter, 2016-12-28 This the 131st edition of The Statesman's Year Book has been thoroughly revised and updated to present a political economic and social record of the nations of the world in a period of continuing changes It includes locator maps for each country for the first time

David Owen, Human Rights and the Remaking of British Foreign Policy David Grealy, 2022-10-06 Although the evolution of human rights diplomacy during the second half of the 20th century has been the subject of a wealth of scholarship in recent years British foreign policy perspectives remain largely underappreciated Focusing on former Foreign Secretary David Owen's sustained engagement with the related concepts of human rights and humanitarianism David Owen Human Rights and the Remaking of British Foreign Policy addresses this striking omission by exploring the relationship between international human rights promotion and British foreign policy between c 1956 1997 In doing so this book uncovers how human rights concerns have shaped national responses to foreign policy dilemmas at the intersections of civil society media and policymaking how economic and geopolitical interests have defined the parameters within which human rights concerns influence policy how human rights considerations have influenced British interventions in overseas conflicts and how activism on normative issues

such as human rights has been shaped by concepts of national identity Furthermore by bringing these issues and debates into focus through the lens of Owen s human rights advocacy analysis provides a reappraisal of one of the most recognisable albeit enigmatic parliamentarians in recent British history Both within the confines of Whitehall and without Owen s human rights advocacy served to alter the course of British foreign policy at key junctures during the late Cold War and post Cold War periods and provides a unique prism through which to interrogate the intersections between Britain s enduring search for a distinctive role in the world and the development of the international human rights regime during the period in question

The Routledge Companion to World History since 1914 Chris Cook,John Stevenson,2006-01-27 The Routledge Companion to World History since 1914 is an outstanding compendium of facts and figures on World History Fully up to date reliable and clear this volume is the indispensable source of information on a thorough range of topics such as the Arab Israeli conflict anti semitism and the Holocaust all the world s major famines and natural disasters since 1914 whether all countries of the world have a king president prime minister or other governance GNP of the world s major states year by year biographies of key figures civil rights movements the Vietnam War the rise of terrorism globalization Thematically presented the book covers topics relevant from the First World War to the Iraq war of 2003 and from post colonial Africa to conflicts and movements in Southeast Asia With maps chronologies and full bibliography this user friendly reference work is the essential companion for students of history politics and international relations and for all those with an interest in world history

The Primacy of Foreign Policy in British History, 1660-2000 William Mulligan,Brendan Simms,2010-10-20 External challenges strategic threats and war have shaped the course of modern British history This volume examines how Britain mobilized to meet these challenges and how developments in the constitution state public sphere and economy were a response to foreign policy issues from the Restoration to the rise of New Labour

Modern British Playwriting: The 1950s David Pattie,2013-12-02 Essential for students of theatre studies Methuen Drama s Decades of Modern British Playwriting series provides a comprehensive survey and study of the theatre produced in each decade from the 1950s to 2009 in six volumes Each volume features a critical analysis and reevaluation of the work of four key playwrights from that decade authored by a team of experts together with an extensive commentary on the period Modern British Playwriting The 1950s provides an authoritative and stimulating reassessment of the theatre of the decade together with a detailed study of the work of T S Eliot by Sarah Bay Cheng Terence Rattigan David Pattie John Osborne Luc Gilleman and Arnold Wesker John Bull The volume sets the context by providing a chronological survey of the 1950s a period when Britain was changing rapidly and the very fabric of an apparently stable society seemed to be under threat It explores the crisis in the theatrical climate and activity in the first part of the decade and the shift as the theatre began to document the unease in society before documenting the early life of the four principal playwrights studied in the volume Four scholars provide detailed examinations of the playwrights work during the decade combining an analysis of their plays with a study of other material

such as early play drafts interviews and the critical receptions of the time An Afterword reviews what the writers went on to do and provides a summary evaluation of their contribution to British theatre from the perspective of the twenty first century

Sheltered Employment and Disability in the British Welfare State Andy Holroyde,2025-07-01 This book explores sheltered employment for disabled people in the British welfare state focusing on Remploy as the flagship provider It considers the fundamental areas of understanding Remploy in terms of why it was created how it functioned who it employed and how far it came to dominate the wider field of provision The book further uses sheltered employment as a new lens through which to explore key aspects of the welfare state in the period These include the creation of the post war settlement the extent of political consensus the exclusion of disabled people from welfare and work the role played by gendered thinking in the welfare state s provisions and the relationship between the state and voluntary sectors In so doing it sheds new light on the history of disability employment and welfare in Britain *Public administration* ,1999 **A Companion to**

Contemporary Britain 1939 - 2000 Paul Addison,Harriet Jones,2008-04-15 A Companion to Contemporary Britain covers the key themesand debates of 20th century history from the outbreak of the SecondWorld War to the end of the century Assesses the impact of the Second World War Looks at Britain s role in the wider world including thelegacy of Empire Britain s specialrelationship with the United States and integration withcontinental Europe Explores cultural issues such as class consciousness immigration and race relations changing gender roles and theimpact of the mass media Covers domestic politics and the economy Introduces the varied perspectives dominating historicalwriting on this period Identifies the key issues which are likely to fuel futuredebate **Seven Lives from Mass Observation** James Hinton,2016-09-29 What was it

like to live in Britain during the second half of the twentieth century In a successor to his acclaimed *Nine Wartime Lives* Mass Observation and the Making of the Modern Self James Hinton uses autobiographical writing contributed to Mass Observation since 1981 to explore the social and cultural history of late twentieth century Britain Prompted by thrice yearly open ended questionnaires Mass Observation s volunteers wrote about their political attitudes religious beliefs work childhoods education friendships marriages sex lives mid life crises aging the whole range of human emotion feeling attitudes and experience At the core of the book are seven biographical essays intimate portraits of individual lives set in the context of the shift towards the more tolerant and permissive society of the 1960s and the rise of Thatcherite neo liberalism as the structures of Britain s post war settlement crumbled from the later 1970s The mass observers featured in the book four women and three men are drawn from across the social spectrum wife of a small businessman teacher social worker RAF wife mechanic lorry driver City banker all active and forceful characters with strong opinions and lives crowded with struggle and drama The honesty and frankness with which they wrote about themselves takes us below the surface of public life to the efforts of ordinary but exceptionally articulate and self reflective people to make sense of their lives in rapidly changing times **British Business History, 1720-1994** J. F. Wilson,1995-10-15 This is the first textbook that

comprehensively covers the three centuries of British business history from 1720 to the present day Wilson argues that company culture has been the most important component in the evolution of business organisations and management practices The influence of business culture on firms structure sources of finance and the background and training of senior managers is investigated to show its pivotal importance in determining business performance **The Rise and Fall of the British Welfare State** Pat Thane,2024-09-19 For the past decade at least 25% of the UK population and 30% of children have been in poverty by internationally accepted measures and the numbers keep rising In The Rise and Fall of the British Welfare State Pat Thane analyses the history of state welfare in Britain from 1900 and sheds light on its aims achievements and failings Beginning with the poverty surveys of Booth and Rowntree and the implementation of early welfare measures such as free school meals Thane offers a vivid snapshot of social welfare in Britain c1900 and the growing demands for improved welfare provisions Taking readers through the significant social reforms of the First and Second World Wars the making of the modern welfare state 1945 51 and its subsequent shifts due to rapidly evolving social policies Thane ends with austerity and the COVID 19 pandemic bringing the scholarship up to the present day and drawing striking parallels with Britain c1900 By placing a major current issue within its historical context Thane explores the shifting administration of the welfare state and adjusts misconceptions about the implementation of social policy particularly during the 1970s and 1980s Thane offers readers a comprehensive study of British social measures during the 20th and 21st centuries highlighting how and why poverty rates are rising once more and examining how the future of social policy could enact greater change

War and welfare Barbara Hately,2013-07-19 During the Second World War some 250 000 British servicemen were taken captive by either the Axis powers or the Japanese As a result of this their wives and families became completely dependent on the military and civil authorities This book examines the experiences of the millions of service dependents created by total war The book then focuses on the most disadvantaged elements of this group the wives children and dependents of men taken prisoner and the changes brought about by the exigencies of total war Further chapters reflect on how these families organised to lobby government and the strategies they adopted to circumvent apparent bureaucratic ineptitude and misinformation This book is essential reading for both academic and general readers interested in the British Home Front during the Second World War **British Counterinsurgency** John Newsinger,2016-04-30 British Counterinsurgency challenges the British Army s claim to counterinsurgency expertise It provides well written accessible and up to date accounts of the post 1945 campaigns in Palestine Malaya Kenya Cyprus South Yemen Dhofar Northern Ireland and more recently in Iraq and Afghanistan

Mastering Modern British History Norman Lowe,2017-09-16 The new edition of this best selling text includes a new section on the final years of the Labour government after Blair s resignation and a new chapter on the subsequent Coalition and Conservative governments It is the ideal companion for students taking a first level course in modern British History as well as for undergraduates in history France, Britain and the United States in the Twentieth

Century: Volume 2, 1940-1961 Andrew J. Williams, 2019-12-31 In his account of the relationship between France the UK and the US Andrew Williams successfully intertwines diplomatic history with international thought We are presented with a historical stage that includes both the doers and the thinkers of the age and as a result this is a must read for both diplomatic historians and historians of international thought The second in a multivolume study this volume takes the story beyond the fall of France into the war years the period of post war reconstruction and the Cold War As with the first volume Williams is an excellent guide stepping over the ruins of past worlds and introducing us to an epoch with more than its fair share of both visionaries and villains Yet in this second volume the stakes are higher as the United States comes to terms with its role as the paramount world power Britain faces a world that challenges its imperial order and France is picking up the pieces from its defeat Lucian Ashworth Memorial University Canada Following on from his outstanding first volume reviewing the complex interwar relationships between France Britain and the United States Williams second volume is an indispensable and lucid overview of the vitally important era of post war reconstruction From national post war developments to institutional structures and superpower shifts Williams examines clearly and engagingly the final passing of pre modern power structures and the emergence of a new Europe Amelia Hadfield University of Surrey UK divAt a time of intense debates about Europe the Anglosphere and empires old and new Andrew Williams s book is a timely demonstration that the weight of emotion in the shaping of foreign policy and its makers should not be forgotten Unearthing some of the forces profondes in diplomacy and reflecting on feelings of humiliation and liberation in national constructs Andrew Williams discusses the cultural conceptions and misconceptions that French American and British diplomats had of each other thereby revisiting the reasons why the special relationship was largely a myth but one which had tangible consequences on French and British policies in their retreat from empire By connecting the personal and the national the structural and accidental Williams offers essential insights into the major conflicts of the period and their impact on diplomatic cultures across the Atlantic M lanie Torrent Universit Picardie Jules Verne Amiens France The second volume of this study of France s unique contribution to the international relations of the last century covers the period from the Fall of France in 1940 to Charles de Gaulle s triumphant return to power in the late 1950s France had gone from being a victorious member of the coalition with Britain and the United States that won the First World War to a defeated nation in a few short weeks France then experienced the humiliation of collaboration with and occupation by the enemy followed by resistance and liberation and a slow return to global influence over the next twenty years This volume examines how these processes played out by concentrating on France s relations with Britain and the United States most importantly over questions of post war order the integration of Europe and the withdrawal from Empire Light and Power for a Multiracial Nation J. Tischler, 2013-04-23 Modernisation was one of the most pervasive ideologies of the twentieth century Focusing on a case study of the Kariba Dam in central southern Africa and based on an array of primary sources and interviews the book provides a nuanced

understanding of development in the turbulent late 1950s a time when most colonies moved towards independence

Britain and the Arab Gulf after Empire Simon C. Smith, 2019-03-08 Although Britain's formal imperial role in the smaller oil rich sheikdoms of the Arab Gulf Kuwait Bahrain Qatar and the United Arab Emirates ended in 1971 Britain continued to have a strong interest and continuing presence in the region This book explores the nature of Britain's role after the formal end of empire It traces the historical events of the post imperial years including the 1973 oil shock the fall of the Shah in Iran and the beginnings of the Iran Iraq War considers the changing positions towards the region of other major world powers including the United States and engages with debates on the nature of empire and the end of empire The book is a sequel to the authors highly acclaimed previous books *Britain's Revival and Fall in the Gulf* Kuwait Bahrain Qatar and the Trucial States 1950-71 Routledge 2004 and *Ending Empire in the Middle East* Britain the United States and Post war Decolonization 1945-1973 Routledge 2012

Money and the End of Empire G. Krozewski, 2001-07-18 This book presents a penetrating new analysis of the end of the empire located at the intersection of politics economy and society in Britain and the colonies In the late 1940s and early 1950s when political control was feasible discriminatory management of the colonies sustained Britain's postwar recovery But synergy turned into conflict as Britain moved towards economic liberalization and financial cosmopolitanism and found it increasingly difficult to reconcile established relations with emerging priorities Based on a wide range of archival and other sources this study relates political and economic developments in Britain and the colonies in original ways to overcome the gulf between peripheralist and Euro centric explanations of postwar British imperial relations and helps redress the neglect of the empire in modern international history *Money and the End of Empire* will nourish debates in British and international economic and political history and is essential reading for historians of Britain and the empire
