

The Brown Bunny

Roger Ebert

The Brown Bunny:

The Brown Bunny, 2005 **Your Movie Sucks** Roger Ebert, 2007-03-01 A collection of some of the Pulitzer Prize winning film critic's most scathing reviews from Alex Emma to the remake of Yours Mine and Ours From Roger's review of Deuce Bigalow European Gigolo 0 stars The movie created a spot of controversy in February 2005 According to a story by Larry Carroll of MTV News Rob Schneider took offense when Patrick Goldstein of the Los Angeles Times listed this year's Best Picture nominees and wrote that they were ignored unloved and turned down flat by most of the same studios that bankroll hundreds of sequels including a follow up to Deuce Bigalow Male Gigolo a film that was sadly overlooked at Oscar time because apparently nobody had the foresight to invent a category for Best Running Penis Joke Delivered by a Third Rate Comic Schneider retaliated by attacking Goldstein in full page ads in Daily Variety and the Hollywood Reporter In an open letter to Goldstein Schneider wrote Well Mr Goldstein I decided to do some research to find out what awards you have won I went online and found that you have won nothing Absolutely nothing No journalistic awards of any kind Maybe you didn't win a Pulitzer Prize because they haven't invented a category for Best Third Rate Unfunny Pompous Reporter Who's Never Been Acknowledged by His Peers Schneider was nominated for a 2000 Razzie Award for Worst Supporting Actor but lost to Jar Jar Binks But Schneider is correct and Patrick Goldstein has not yet won a Pulitzer Prize Therefore Goldstein is not qualified to complain that Columbia financed Deuce Bigalow European Gigolo while passing on the opportunity to participate in Million Dollar Baby Ray The Aviator Sideways and Finding Neverland As chance would have it I have won the Pulitzer Prize and so I am qualified Speaking in my official capacity as a Pulitzer Prize winner Mr Schneider your movie sucks Roger Ebert's I Hated Hated Hated This Movie which gathered some of his most scathing reviews was a bestseller This collection continues the tradition reviewing not only movies that were at the bottom of the barrel but also movies that he found underneath the barrel

Theorizing Art Cinemas David Andrews, 2013-11-15 The term art cinema has been applied to many cinematic projects including the film d'art movement the postwar avant gardes various Asian new waves the New Hollywood and American indie films but until now no one has actually defined what art cinema is Turning the traditional highbrow notion of art cinema on its head Theorizing Art Cinemas takes a flexible inclusive approach that views art cinema as a predictable way of valuing movies as art movies an activity that has occurred across film history and across film subcultures rather than as a traditional genre in the sense of a distinct set of forms or a closed historical period or movement David Andrews opens with a history of the art cinema super genre from the early days of silent movies to the postwar European invasion that brought Italian Neorealism the French New Wave and the New German Cinema to the forefront and led to the development of auteur theory He then discusses the mechanics of art cinema from art houses film festivals and the academic discipline of film studies to the audiences and distribution systems for art cinema as a whole This wide ranging approach allows Andrews to develop a theory that encompasses both the high and low ends of art cinema in all of its different aspects including world cinema avant

garde films experimental films and cult cinema All of these art cinemas according to Andrews share an emphasis on quality authorship and anticommercialism whether the film in question is film festival favorite or a midnight movie Roger Ebert's Movie Yearbook 2004 Roger Ebert,2003 Featuring every review Ebert wrote from January 2001 to mid June 2003 this treasury also includes his essays interviews film festival reports and In Memoriams along with his famous star ratings
