Aesthetic Approaches to

Children's Literature Maria Nikolajeva, 2005-05-12 As undergraduate and graduate courses in children s literature become more established and numerous there is an intense need for a textbook that offers aesthetic rather than educational approaches to children s literature This work fills that void by providing students of children s literature with a comprehensible and easy to use analytical tool kit showing through concrete demonstration how each tool might best be used The chapters are organized around familiar and easily recognized features of literary texts e g author genre character Theoretical issues are illustrated by specific texts from the North American children s literature canon The book explores the particular aesthetics of children s fiction and the ways critical theory may be applied to children s texts while remaining accessible to a college readership without prior specialized knowledge of literary theory Each chapter includes a short

introduction to a specific theoretical approach e.g. semiotics, feminist psychoanalytic, an example of its application to a literary text, a number of activities, study questions, reading exercises and suggestions for further explorations

PIRATE NOVELS: 50+ Adventure Classics, Treasure Hunt Tales & Maritime Novels Robert Louis Stevenson, Jack London, Daniel Defoe, Jules Verne, Rafael Sabatini, Walter Scott, Edgar Allan Poe, Arthur Conan Doyle, Frederick Marryat, James Fenimore Cooper, Ralph D. Narrative of the Capture of the Ship Derby

The Wild Hunt Victoria Branden, 2004

The legend of The Wild Hunt is as old as mankind. Every race has its version of The Hunt, the raging host of poachers, gangs who drove their quarry by night in defiance of ferociously strict game laws; the penalty for killing a deer was hanging. Disguised in the skins of beasts, they spread terror through the countryside, especially as they hunted not only animals but other humans, and when stimulated by drink and drugs, tore to pieces and devoured living creatures. As late as the 20th century, terrorists in the Congo and Kenya disguised themselves in panther and leopard pelts, the claws reinforced with steel to lacerate victims. The most common disguise was a wolf hide, particularly in northern Europe, creating the werewolf superstition. It was clearly addictive behaviour, and some of its patterns can be discovered in modern gang activities.

Could a Wild Hunt survive into our time In a remote area seldom visited by outsiders a secret werewolf cult might still be pursuing and devouring its victims The Wild Hunt tells of a young university woman who inherits a long abandoned farmhouse which she plans to restore for a summer retreat only to learn too late that it has become the headquarters of a Wild Hunt surviving among the men of a degenerate village The anthropological soundness lends a terrifying plausibility which heightens the suspense more acutely than would the fear of supernatural shape shifting werewolves **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **The Friendship Garden** Rita Balducci,1996-06 Pooh Piglet Roo and Rabbit try to grow sunflowers *Sweet Dreams* Ronald Kidd,1996-06 Winnie the Pooh dreams of tasty honey magical balloon rides and picnics with his friends in this adorable die cut board book **Eeyore's Lucky Day** Ann Braybrooks,1996 Eeyore finds a four leaf clover

Right here, we have countless ebook **The Bug Hunt Pooh** and collections to check out. We additionally present variant types and also type of the books to browse.
