## **The Bull The Barriers Wrecks Of Scapa Flow:**

**The Bull & the Barriers** Lawson Wood, 2000 The Bull and the Barriers      **Scapa Flow** Angus Konstam, 2013-02-20 A strategically important natural harbor in the Orkney Islands Scapa Flow served as Britain's main fleet anchorage during World Wars I and II In 1914 and again in 1939 the British began building a comprehensive defensive network by fortifying the entrances to Scapa Flow and then extended these defenses to cover most of Orkney By 1940 it had become an island fortress the largest integrated defensive network of its kind in Europe manned by as many as 50 000 Commonwealth troops Backed by newly commissioned artwork naval historian Angus Konstam tells the story of this mighty naval fortress many pieces of which can still be seen on the island today      *Scapa 1919* Innes McCartney, 2019-05-30 Marine archaeologist Dr Innes McCartney reveals for the first time the location and state of the wrecks of all 25 warships sunk in the scuttling of the German fleet at Scapa Flow The German High Seas Fleet was one of the most powerful naval forces in the world and had fought the pride of the Royal Navy to a stalemate at the battle of Jutland in 1916 After the armistice was signed ending fighting in World War I it surrendered to the British and was interned in Scapa Flow pending the outcome of the Treaty of Versailles In June 1919 the entire fleet attempted to sink itself in the Flow to prevent it being broken up as war prizes Of the 74 ships present 52 sunk and 22 were prevented from doing so by circumstance and British intervention Marine archaeologist and historian Dr Innes McCartney reveals for the first time what became of the warships that were scuttled examining the circumstances behind the loss of each ship and reconciling what was known at the time to what the archaeology is telling us today This fascinating study reveals a fleet lost for nearly a century beneath the waves      **The Sinking of HMS Royal Oak** Dilip Sarkar, 2012-09-15 The story of the sinking of the HMS Royal Oak by a German submarine which cost the lives of 833 Royal Navy sailors      **The Last Days of the High Seas Fleet** Nicholas C. Jellicoe, 2020-11-12 Much fresh material an excellent historical narrative of the events leading up to the Great Scuttle the terrible day itself and its aftermath Warships International Fleet Review On June 21 1919 the ships of the German High Seas Fleet interned at Scapa Flow since the Armistice began to founder taking their British custodians completely by surprise In breach of agreed terms the fleet dramatically scuttled itself in a well planned operation that consigned nearly half a million tons and 54 of 72 ships to the bottom of the sheltered anchorage in a gesture of Wagnerian proportions This much is well known but more than a century after the Grand Scuttle many questions remain Was von Reuter the fleet's commander acting under orders or was it his own initiative Why was June 21 chosen Did the British connive in or even encourage the action Could more have been done to save the ships Was it legally justified And what were the international ramifications This new book analyzes all these issues beginning with the fleet mutiny in the last months of the war that precipitated a social revolution in Germany and the eventual collapse of the will to fight The Armistice terms imposed the humiliation of virtual surrender on the High Seas Fleet and the conditions under which it was interned are described in detail Meanwhile the victorious Allies wrangled over the fate

of the ships an issue that threatened the whole peace process Using much new material from German sources and a host of eyewitness testimonies the circumstances of the scuttling itself are meticulously reconstructed while the aftermath for all parties is clearly laid out The story concludes with the biggest salvage operation in history and a chapter on the significance of the scuttling to the postwar balance of naval power This is an important reassessment of the last great action of the First World War
