title LOMA from 1969 1971 **Design & Applied Arts Index** ,2000 The British Library General Catalogue of Printed Books, 1986 to 1987 British Library,1988 The Publishers Weekly ,1979 *Serials Catalog* Iowa State University. Library,1990 **Step-by-Step Calligraphy** Susan Hufton,1995 Technical exercises are given for six calligraphic styles Sections describing spacing layout and margins introduce 15 projects for various levels of creative abilities Library Journal Exceptionally well written clearly illustrated and astonishingly helpful Art Times The Calligrapher's Project Book Susanne Haines,1989 This calligraphy book includes basic instruction in penmanship and a gallery of finished work from top calligraphers **Index to Chinese Visual Arts in English, 1980-1989** □□□,1995 Byzantium and Islam Metropolitan Museum of Art (New York, N.Y.),2012 This magnificent volume explores the epochal transformations and unexpected continuities in the Byzantine Empire from the 7th to the 9th century At the beginning of the 7th century the Empire s southern provinces the vibrant diverse areas of North Africa and the eastern Mediterranean were at the crossroads of exchanges reaching from Spain to China These regions experienced historic upheavals when their Christian and Jewish communities encountered the emerging Islamic world and by the 9th century an unprecedented cross fertilization of cultures had taken place This extraordinary age is brought vividly to life in insightful contributions by leading international scholars accompanied by sumptuous illustrations of the period s most notable arts and artifacts Resplendent images of authority religion and trade embodied in precious metals brilliant textiles fine ivories elaborate mosaics manuscripts and icons many of them never before published highlight the dynamic dialogue between the rich array of Byzantine styles and the newly forming Islamic aesthetic With its masterful exploration of two centuries that would shape the emerging medieval world this illuminating publication provides a unique interpretation of a period that still resonates today **Chinese Propaganda Posters: From Revolution to Modernization** Stefan Landsberger,2020-11-25 Brightly coloured prints portraying model behaviour or a better future have been a ubiquitous element of Chinese political culture from Imperial times until present As economic reform swept the People s Republic in the 1980s visual propaganda ceased to depict the tanned and muscular labourers in a proletarian utopia so typical of preceding decades Instead Western icons of progress and development were employed high speed bullet trains spacecraft high rise buildings gridlocked free ways and projections of general affluence Socialist Realism was phased out by design and mixed media techniques that were influenced by Western advertising This lavishly illustrated study traces the development of the style and content of the Chinese propaganda poster in the decade of reform from its traditional origins to its use as a tool for political and economic purposes **The Apostles in Early Christian Art and Poetry** Roald Dijkstra,2016-01-12 The Apostles in Early Christian Art and Poetry presents the first in depth analysis of the origins of the representation of the apostles the twelve disciples and Paul in verse and image in the late antique Greco Roman world 250 400 Especially in the West the apostles are omnipresent in particular on sarcophagi and in Biblical and martyr poetry They primarily function as witnesses of Christ s stay on earth but Peter and Paul are also popular

saints of their own Occasionally the other apostles come to the fore as individual figures Direct influence from art on poetry or vice versa appears to be difficult to trace but principal developments of late antique society are reflected in the representation of the apostles in both media *Railfan & Railroad* ,1989 Manuscript Philology of Dunhuang Yongquan Zhang,2024-10-05 This book explores first hand Dunhuang manuscripts from a period of over 700 years from 220 to 960 and as such makes a major contribution to passing on and promoting ancient Chinese culture Perfectly combining four ingredients an accessible writing style a comprehensive set of typical examples and pictures sound field research and culturally stimulating approaches and authentically archaeological and philological results this thorough and engaging book appeals to all the readers undertaking Dunhuang studies Encyclopedia of Chinese History Michael Dillon,2016-12-01 China has become accessible to the west in the last twenty years in a way that was not possible in the previous thirty The number of westerners travelling to China to study for business or for tourism has increased dramatically and there has been a corresponding increase in interest in Chinese culture society and economy and increasing coverage of contemporary China in the media Our understanding of China s history has also been evolving The study of history in the People s Republic of China during the Mao Zedong period was strictly regulated and primary sources were rarely available to westerners or even to most Chinese historians Now that the Chinese archives are open to researchers there is a growing body of academic expertise on history in China that is open to western analysis and historical methods This has in many ways changed the way that Chinese history particularly the modern period is viewed The Encyclopedia of Chinese History covers the entire span of Chinese history from the period known primarily through archaeology to the present day Treating Chinese history in the broadest sense the Encyclopedia includes coverage of the frontier regions of Manchuria Mongolia Xinjiang and Tibet that have played such an important role in the history of China Proper and will also include material on Taiwan and on the Chinese diaspora In A Z format with entries written by experts in the field of Chinese Studies the Encyclopedia will be an invaluable resource for students of Chinese history politics and culture *Under Ancient Skies* Paul Dunbavin,2005-01-01 In all of the world s myths and religions we find traditions of a Great Flood There are stories too of a Golden Age the antediluvian paradise that it destroyed Might these be real memories of the ancient world And how can we analyze the subject scientifically The key to unlock these ancient myths lies in astronomy Under Ancient Skies will examine the astronomical evidence for a prehistoric cataclysm and in the process will explore a number of related anomalies in prehistory including Was there a single great flood in human prehistory or have there been many Could the workings of ancient calendars and the records of ancient eclipses give us clues about the Flood and the antediluvian world Did the Celtic Druids use a calendar based on the orbit of Saturn and is this the same antediluvian calendar that is described in Plato s myth of Atlantis Do Hindu Chinese and Mayan cosmology myths recall the years after the Flood when our world wobbled on its axis Did these same events trigger the building of astronomically aligned monuments such as Stonehenge and the pyramids Was

the Atenist religion of the heretic Egyptian Pharaoh Akhenaten inspired by a series of eclipses during his lifetime Do the seven good years and the seven bad years of the Joseph story recall a time when a comet struck the Earth Did the British Druids use astronomy to calculate the size of the Earth and could they have used this knowledge to navigate to America Why were the ancient Celts so afraid that the sky would one day fall on their heads Are comets and asteroids the only danger lurking in the cosmos or could there be other dangers as yet unknown to science In 1994 we watched as a comet struck the giant planet Jupiter Geologists have recently discovered the crater in Yucatan where an asteroid impact destroyed the world of the dinosaurs Scientists and astronomers have stopped dismissing the theory that asteroids and comets could have struck the Earth during prehistory but any suggestion that a comet impact just a few thousand years ago might have caused the Biblical Flood remains the last taboo It is time for this prejudice too to be washed away The reader is promised a real book a fully referenced textbook with original content in every chapter and a bibliography of over 300 sources If you have read Paul Dunbavin s other books then you will know what to expect First published in 2005 and for a long time out of print this new edition will make the author s unique research available again to anyone who is interested in mythology astronomy and ancient mysteries Now also available in Kindle hard and soft editions
