together in 1962 and our lives were very closely intertwined with my mom's older and younger orphaned siblings from the start. We lived together off and on and traveled together and separately across the United States as self-chosen nomads living in at least ninety-two houses in five states for the next twenty years. In 1971, my parents, Mom's younger orphaned siblings, the Smith kids, some other relatives, and many good friends created a tribe that we called the Mojer Mafia, named for the street we lived on at the time. My sister, brother, and I were raised along with the crowd, so we had a unique childhood to say the very least. Like other mafias, the cops were not usually our friends for good reason. Also, like other mafias, we were fiercely loyal and protective of our gang. We have been told countless times by thousands of people that we need to write a book about our story, and it looks like it falls on me to do it. I hope you enjoy this ride of laughter and tears, joy and heartache, addiction and abuse, mistakes and overcoming, crime and punishment, loss and love.

Open up your heart and get ready to laugh and cry as this story unfolds and lets you know that yes, you too can make a difference.

*Saturday Nights with Daddy at the Opry* Libby Leverett-Crew, 2023-03-21. The daughter of the Grand Ole Opry's official photographer reminisces about witnessing country music history alongside her father in this memoir. Like many little girls, Libby Leverett-Crew's father, Les Leverett, often had to work nights and weekends. But unlike many girls, Libby's father took her along to his job where he was the official photographer for the Grand Ole Opry for more than thirty years. First at the historic Ryman Auditorium and later at the Grand Ole Opry House, Libby Leverett-Crew was a witness to country music history. And now, some forty years later, she pays tribute to the wonderful people who touched the lives of her entire family while at the same time hearing witness to the powerful impact a loving father can have on his child's life. In *Saturday Nights with Daddy at the Opry*, Libby Leverett-Crew shares not only her remarkable memories of those Saturday nights with Dolly Parton, Minnie Pearl, Roy Acuff, Bill Monroe, and countless others, including assorted Muppets, astronauts, ballet dancers, actors, Andy Warhol, and K-d lang, but also a beautiful father-daughter relationship. The book also includes more than 100 photographs from her father. Praise for *Saturday Nights with Daddy at the Opry*: Les Leverett has added so much class and talent to our world. I'm not surprised that his daughter, Libby, has done this book. Yeah, Libby, good for you! I'm proud to have baby-sat you from time to time backstage. You were always a joy. Dolly Parton: There's an old song, I Was There When It Happened. So I guess I oughta know that's Libby's story inside the world of country music. I knew her first as Les Leverett's

kid It must be in the water at their house because she s come into her own as a masterful photographer She also wields a pen that has a detailed memory for great storytelling Marty Stuart      **The Navy Dad's Return** Julianna Morris,2023-02-21
