The Canonization Of Katharine Drexel:

Mass of Thanksgiving for the Canonization of Saint Katharine Drexel Anthony J. Bevilacqua, Sisters of the Blessed Sacrament for Indians and Colored People, 2000* Katharine Drexel and the Sisters Who Shared Her Vision McGuinness, Margaret M., 2023 Although Katharine Drexel has been the subject of several biographies they have tended to treat her as a perfect human being whom the Church later transformed into a saint Katherine and the Sisters Who Shared Her Vision moves beyond the story of the heiress's individual life devoted to God and shines a light on the work she did assisted by the Sisters of the Blessed Sacrament Drexel could have lived comfortably wealthy and privileged as a Philadelphia philanthropist but chose to found a religious congregation of women dedicated to working within Black and Indigenous communities without receiving the bulk of the money left by Drexel's father The author's careful examination of the work Drexel and her Sisters accomplished in Philadelphia and elsewhere shows impacts on the Church while also revealing racial issues at work in the story This brings a critical perspective to Drexel's ministry to further our understanding of the Black Catholic community and renew our commitment to the difficult ongoing conversation about race in America Katharine Drexel Cheryl C. D. Hughes, 2014-08-03 On October 1 2000 Pope John Paul II proclaimed Katharine Drexel 1858-1955 to be a saint of the Roman Catholic Church Only the second American born Catholic saint in history Drexel founded the Sisters of the Blessed Sacrament in 1891 and established more than sixty Blessed Sacrament missions and schools In this biography Cheryl Hughes chronicles the remarkable life of St Katharine Drexel exploring what drove her to turn away from her family's wealth and become a missionary nun who served some of the most underprivileged and marginalized people of her time Through her inspiration and effort Mother Katharine improved the lives of untold numbers of Native Americans and African Americans overcoming open hostility to her work from various quarters including the Ku Klux Klan Her saintly legacy lives on today

A Saint of Our Own Kathleen Sprows Cummings, 2019-04-08 What drove U S Catholics in their arduous quest full of twists and turns over more than a century to win an American saint The absence of American names in the canon of the saints had left many of the faithful feeling spiritually unmoored But while canonization may be fundamentally about holiness it is never only about holiness reveals Kathleen Sprows Cummings in this panoramic passionate chronicle of American sanctity Catholics had another reason for petitioning the Vatican to acknowledge an American holy hero A home grown saint would serve as a mediator between heaven and earth yes but also between Catholicism and

Street Gothic writers like Edgar Allan Poe and George Lippard plumbed the city's dark streets for material. Congressional Record United States. Congress, 2000 Church and Estate Thomas F. Rzeznik, 2013-06-20 In *Church and Estate* Thomas Rzeznik examines the lives and religious commitments of the Philadelphia elite during the period of industrial prosperity that extended from the late nineteenth century through the 1920s. The book demonstrates how their religious beliefs informed their actions and shaped their class identity while simultaneously revealing the ways in which financial influences shaped the character of American religious life. In tracing those connections it shows how religion and wealth shared a fruitful yet ultimately tenuous relationship.

Butler's Saints of the Third Millennium Paul Burns, 2001-01-01 Pope John Paul II has proclaimed an unprecedented number of new saints and blessed in the 25 years of his pontificate and shows few signs of slowing the process despite the criticism from at least one cardinal that the altars are getting a little crowded. The proclamations have been made in a large number of countries from which the new saints and blessed have come. This reflects a deliberate policy of strengthening the faith of local churches against the threats from totalitarianism, secularism, Pentecostalism, etc. The Vatican tends to see most of the outside world as a threat. There has also been a deliberate policy to seek more examples of holiness from outside the ranks of clergy and religious. The twentieth century has been seen as the century of martyrs, largely those of Nazism and Communism, and they feature prominently. Those of nominally Catholic military regimes are less favoured. The Introduction will make such points. This volume proposes to cover a four year period in the Butler's style. Blessed appearing in the 1995-2000 volumes who have since been canonized will have their entries updated and expanded as necessary. New blessed will be featured with the information that is available, which in the case of some Third World figures is not very much. Entries will therefore range from around 3,000 words to 200, with an average of some 800. The number of entries will be approximately 80. *The Catholic Periodical and Literature Index*, 2002.

When he died on April 2, 2005, millions around the world mourned his passing. No other person in recent history has had such a tremendous display of respect and honor.
