The Changeling Rosemary Sutcliff, 2022-04-12 Tethra is not like the other children in his village. Fourteen years ago he was left on the banks of a river, swapped by the Hill Folk for a human woman's child, replacing the seventh son of Conan. Murna chose to raise him as her own despite the dire warnings of their village leader. Raising a child of the Hill Folk will bring disaster upon the Epidii people. The dark days have arrived, bringing a poor harvest, a winter of plagues, and unsuccessful hunts. The Old One once again rallies the clan to cast Tethra out, this time with support turning against Tethra and Conan. To spare his father, Tethra runs away and stumbles across some members of the Hill Folk, his own people who take him in. As Tethra lives among them, however, he must decide if he is truly one of them, as his blood suggests, or if instead his real place is with the Epidii.

History and English in the Primary School Pat Hoodless, 2002-01-22 Changes to the primary curriculum over recent years have widened choice for all, yet the current wave of thinking seems determined to retreat back to basics. This vibrant volume examines the many ways in which history can include and complement the teaching of English to the greater benefit of both. Enthusiastic practitioners explain how lively classroom activities can influence the level of children's literacy, which means that the importance of the basics is recognised without compromising on the choice of subjects open to children. History emerges as a wonderful tool for exploring not only language and literature but also as a way of stimulating the imagination and encouraging talk. The contributors here are all passionate about this vital link between two complementary subject areas and will convincingly win you over. The book is an invaluable companion for the student teacher, primary teacher, and teacher educator.

Ahead of him lies more adventure and more danger than he had ever known in the arena.

Roberts, 2018-03-09 The dissemination of classical material to children has long been a major form of popularization with far reaching effects although until very recently it has received almost no attention within the growing field of classical reception studies This volume explores the ways in which children encountered the world of ancient Greece and Rome in Britain and the United States over a century long period beginning in the 1850s as well as adults' literary responses to their own childhood encounters with antiquity Rather than discussing the role of classics in education it focuses on books read for enjoyment and on two genres of children's literature in particular the myth collection and the historical novel The tradition of myths retold as children's stories is traced in the work of writers and illustrators from Nathaniel Hawthorne and Charles Kingsley to Roger Lancelyn Green and Ingri and Edgar Parin d'Aulaire while the discussion of historical fiction focuses particularly on the roles of nationality and gender in the construction of an ancient world for modern children The book concludes with an investigation of the connections between childhood and antiquity made by writers for adults including James Joyce Virginia Woolf and H D Recognition of the fundamental role in children's literature of adults' ideas about what children want or need is balanced throughout by attention to the ways in which child readers have made such works their own The formative experiences of antiquity discussed throughout help to explain why despite growing uncertainty about the appeal of antiquity to modern children the classical past remains perennially interesting and inspiring **Invaders** Kevin Jane, 1995-04-30 Warrior Scarlet Rosemary Sutcliff, 2014-02-28 Drem longs for the day he will win his Warrior Scarlet But with a withered spear arm how will he take part in the ritual Wolf Slaying which will prove his worth as a man of the tribe With over forty books to her credit Rosemary Sutcliff is now universally considered one of the finest writers of historical novels for children Winner of the Carnegie Medal and many other honours Rosemary was awarded a CBE in 1992 for services to children's literature
