The Caring Caregivers Guide To Dealing With Guilt

Robert B. Santulli

The Caring Caregivers Guide To Dealing With Guilt:

The Caring Caregivers Guide to Dealing with Guilt Orchard Publications, Starr Calo-oy, 2004 This guidebook is a collection of 10 true short stories about the undeserved guilt families experience when they turn the care of their loved ones over to someone else Caring Caregivers is written in a down to earth style that families will easily identify with but still professional enough for medical management to purchase as a handbook for their employees and libraries It also contains the stages the family goes through in dealing with the guilt a question and answer section and a much needed checklist for placement and specific problems and how to overcome them with creative solutions This book is the first in a 13 book series of Caring Caregivers yet to come If you have an elderly loved one and are feeling guilty about not caring for them yourself but simply cannot this book will help you to see you are not alone in dealing with these debilitating emotions and what to do about ridding yourself of the guilt monster once and for all If you are not at the point of relinquishing their care yet Caring Caregivers can give you creative tips on caring for your loved one and make your job at home much easier

The Alzheimer's Family Robert B. Santulli, 2011-12-02 Responding to families questions and fears with compassion Typically the patient and his or her course of treatment are the natural focal points when it comes to Alzheimer's disease AD But Alzheimer's is an equally debilitating illness for family members and caregivers who must come to terms with its far reaching emotional and physical burdens In this handbook clinicians are taught how to navigate the many interpersonal issues at the heart of AD that is how to work with the families and friends of the patient Santulli addresses everything from how to respond compassionately to their likely questions and concerns how to clearly explain symptoms and risk factors when to suggest consultation with a geriatric specialist and how to sensitively discuss issues of long term treatment and care
