New Frontiers in Japanese Studies Akihiro Ogawa, Philip Seaton, 2020-04-02 Over the last 70 years Japanese Studies scholarship has gone through several dominant paradigms from demystifying the Japanese to analysis of Japanese economic strength to discussion of global interest in Japanese popular culture This book assesses this literature considering future directions for research into the 2020s and beyond Shifting the geographical emphasis of Japanese Studies away from the West to the Asia Pacific region this book identifies topic areas in which research focusing on Japan will play an important role in global debates in the coming years This includes the evolution of area studies coping with aging populations the various patterns of migration and environmental breakdown With chapters from an international team of contributors including significant representation from the Asia Pacific region this book enacts Yoshio Sugimoto's notion of cosmopolitan methodology to discuss Japan in an interdisciplinary and transnational context and provides overviews of how Japanese Studies is evolving in other Asian countries such as China and Indonesia New Frontiers in Japanese Studies is a thought provoking volume and will be of great interest to students and scholars of Japanese and Asian Studies The Introduction and Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Historical Dictionary of Postwar Japan William D. Hoover, 2018-12-15 Japan is a mix of the old and the new traditional and modern and old fashion and innovative It has traveled the road to a modern destination without totally losing sight of its traditions and values Although some in Japan lament the passing of old ways Japan has held on to a reasonable amount of its traditions and values This is easier to find in its arts and crafts and its literature and films as well as in its social habits This book will introduce the broad sweep of people events and trends including the successes and failures of postwar Japan This second edition of Historical Dictionary of Postwar Japan contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Japan

Sino-Japanese Relations Caroline Rose, 2004-08-02 Over recent years there has been increasing interest in the relationship between China and Japan particularly as a way of understanding contemporary political economic and security developments within the whole East Asia region Caroline Rose presents a thorough balanced and objective examination of both sides of the relationship This will be of great interest to academics and policy makers in the UK and US as well as to

professionals working in Chinese and Japanese communities

The United States between China and Japan Caroline Rose, Victor Teo, 2014-07-24 From its insistence that Japan should favour diplomatic normalization with the Republic of China over the People's Republic of China in 1952 through its role via the Security Treaty of keeping the cap in the bottle of Japanese militarism to weighing in on the Diaoyu Senkaku islands dispute between China and Japan the United States has played a pivotal and at times controversial role in the development of China Japan relations since the end of World War II By extension US influence on China Taiwan and Taiwan Japan relations in addition to its impact on the efforts of various actors to construct a Northeast Asian regional community continues to pose important questions about the nature of the US role in East Asia in the 21st century This volume provides a multi faceted overview of the nature of America's interaction in East Asia since the end of the war and highlights the obstacles to improved bilateral and regional integration The contributors offer a range of perspectives from their respective US European and East Asian vantage points and point to the ongoing and prominent involvement of the US in the region for the foreseeable future

Sino-Japanese Relations in a Trilateral Context Yun Zhang, 2016-11-24 This book explains the increasingly turbulent Sino Japanese relations since the 2000s by innovatively investigating the formation mechanism of mutual misperception deeply rooted in China Japan U S trilateral structural dynamics The political and security relationship has been increasingly deteriorating against the high interdependency between the world's second and third largest economies More ironically both sides have also shown the intent and made efforts to improve bilateral ties The author systematically conducts a focused comparison of the evolution of the Sino Japanese mutual perceptions and policies toward one another during the past decade and a half Empirically Yun Zhang closely examines five case studies that provide insights to IR students and scholars and policy makers on how misperception and mistrust have formed replicated and intensified

Power Shift David Shambaugh, 2006-01-17 The dynamics of international relations in Asia are undergoing broad and fundamental changes that are reverberating around the world Primary among the catalysts of change in the region is the rise of China as the engine of regional economic growth as a major military power as a significant voice in regional diplomacy and as a proactive power in multilateral institutions With in depth assessments by seventeen of the world's leading experts on China's foreign relations this groundbreaking volume offers the most timely up to date and comprehensive analysis of China's emerging influence on international relations in Asia The contributors explore the various dimensions of China's rise its influence on the region the consequences for the United States and alternative models of the evolving Asian order What emerges is a clear picture of China increasingly at the center of the regional web while North Korean and Taiwan could erupt in conflict the predominant trend in Asia is the creation of an extensive web of mutual interdependence among states and non state actors Providing the best overview we currently have of the changing political balance on the Asian continent this accessible volume will be essential reading for anyone concerned with contemporary Asian affairs

Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sino Japanese Relations Towards A Future Oriented Diplomacy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Sino Japanese Relations Towards A Future Oriented Diplomacy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sino Japanese Relations Towards A Future Oriented Diplomacy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
