Sino-Soviet diplomatic relations, 1917-1926 Sow-Theng Leong, 1976 *Diplomacy and Deception* Bruce A. Elleman, 1997

Utilizes archival documents to argue against the perception that America turned its back on China during the Paris Peace Conference a belief that convinced many Chinese to turn to Soviet Russia instead The author contends that President Wilson did everything in his power to help China Chapters focus on topics such as the origins of the United Front Policy assertion of Soviet control over the Chinese Eastern Railway the restoration of Russian territorial concessions and Soviet Foreign policy and the Chinese Communist Party Annotation copyrighted by Book News Inc Portland OR **Bankers and Diplomats in**

China 1917-1925 Roberta Allbert Dayer, 2013-11-05 First Published in 1981 Contrary to Chairman Mao s assertion that political power comes from the barrel of a gun this study contends that political power in China in the early 1920s emanated from the boardrooms of foreign banks The author s interest in the way financial concerns have shaped foreign policy began with the discovery that the Lloyd George government attempted to influence the American government s policy on the British war debts by offering concessions concerning the renewal of the Anglo Japanese Alliance This study should provide understanding concerning the causes of Chinese bitterness as well as suggest the conflicts experienced by diplomats in balancing public and private interests **The Russian Revolution and Civil War 1917-1921** Jonathan Smele, 2006-04-15

The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state **Japanese-Mongolian Relations, 1873-1945** James Boyd, 2010-12-17 This

book offers the first in depth examination of Japanese Mongolian relations from the late nineteenth century through to the middle of the twentieth century and in the process repositions Mongolia in Sino Japanese and Russo Japanese relations Beginning in 1873 with the intrepid journey to Mongolia by a group of Buddhist monks from one of Kyoto s largest orders the relationship later included groups and individuals from across Japanese society with representatives from the military academia business and the bureaucracy Throughout the book the interplay between these various groups is examined in depth arguing that to restrict Japan s relationship with Mongolia to merely the strategic and as an adjunct to Manchuria as has been done in other works neglects important facets of the relationship including the cultural religious and economic It does not however ignore the strategic importance of Mongolia to the Japanese military The author considers the cultural

diplomacy of the Zenrin ky kai a Japanese quasi governmental humanitarian organization whose activities in inner Mongolia in the 1930s and 1940s have been almost completely ignored in earlier studies and whose operations suggest that Japanese Mongolian relations are quite distinct from other Asian peoples Accordingly the book makes a major contribution to our understanding of Japanese activities in a part of Asia that figured prominently in pre war and wartime Japanese strategic and cultural thinking

Sino-Russian Relations R.K.I. Quedstedt, 2014-02-25 This book provides a systematic history of Sino Russian relations a history which is invaluable in forming an understanding of relations between the two nations today Becoming neighbours in the seventeenth century their changing relations in peace and war in isolation cooperation and confrontation have steadily assumed a greater importance in world politics and become increasingly important to the stability of international relations

Moscow and the Emergence of Communist Power in China, 1925-30 Bruce Elleman, 2009-01-30 This book examines the emergence of Communist power in China during the interwar period focusing especially on the 1927 Nanchang Uprising It explains why the Communists created the myth that the Nanchang Uprising was a success and later dated the origins of the People's Liberation Army to this event

The Baron's Cloak Willard Sunderland, 2014-05-08 Baron Roman Fedorovich von Ungern Sternberg 1885 1921 was a Baltic German aristocrat and tsarist military officer who fought against the Bolsheviks in Eastern Siberia during the Russian Civil War From there he established himself as the de facto warlord of Outer Mongolia the base for a fantastical plan to restore the Russian and Chinese empires which then ended with his capture and execution by the Red Army as the war drew to a close In *The Baron's Cloak* Willard Sunderland tells the epic story of the Russian Empire's final decades through the arc of the Baron's life which spanned the vast reaches of Eurasia Tracking Ungern's movements he transits through the Empire's multinational borderlands where the country bumped up against three other doomed empires the Habsburg Ottoman and Qing and where the violence unleashed by war revolution and imperial collapse was particularly vicious In compulsively readable prose that draws on wide ranging research in multiple languages Sunderland re creates Ungern's far flung life and uses it to tell a compelling and original tale of imperial success and failure in a momentous time Sunderland visited the many sites that shaped Ungern's experience from Austria and Estonia to Mongolia and China and these travels help give the book its arresting geographical feel In the early chapters where direct evidence of Ungern's activities is sparse he evokes peoples and places as Ungern would have experienced them carefully tracing the accumulation of influences that ultimately came together to propel the better documented more notorious phase of his career Recurring throughout Sunderland's magisterial account is a specific artifact the Baron's cloak an essential part of the cross cultural uniform Ungern chose for himself by the time of his Mongolian campaign an orangey gold Mongolian kaftan embroidered in the Khalkha fashion yet outfitted with tsarist style epaulettes on the shoulders Like his cloak Ungern was an imperial product He lived across the Russian Empire combined its contrasting cultures fought its wars and was molded by its greatest institutions and most volatile frontiers By

the time of his trial and execution mere months before the decree that created the USSR he had become a profoundly contradictory figure reflecting both the empire's potential as a multinational society and its ultimately irresolvable limitations

The Soviet Union and Communist China 1945-1950: The Arduous Road to the Alliance Dieter

Heinzig, 2015-06-18 Drawing on a wealth of new sources this work documents the evolving relationship between Moscow and Peking in the twentieth century Using newly available Russian and Chinese archival documents memoirs written in the 1980s and 1990s and interviews with high ranking Soviet and Chinese eyewitnesses the book provides the basis for a new interpretation of this relationship and a glimpse of previously unknown events that shaped the Sino Soviet alliance An appendix contains translated Chinese and Soviet documents many of which are being published for the first time The book focuses mainly on Communist China's relationship with Moscow after the conclusion of the treaty between the Soviet Union and Kuomintang China in 1945 up until the signing of the treaty between Moscow and the Chinese Communist Party in 1950 It also looks at China's relationship with Moscow from 1920 to 1945 as well as developments from 1950 to the present The author reevaluates existing sources and literature on the topic and demonstrates that the alliance was reached despite disagreements and distrust on both sides and was not an inevitable conclusion He also shows that the relationship between the two Communist parties was based on national interest politics and not on similar ideological convictions

Mongolia in the Twentieth Century Stephen Kotkin, Bruce Allen Elleman, 2015-02-12 The remote vastness of Mongolia has remained somewhat of a mystery to most Westerners no less so in the 20th century Homeland of the legendary conqueror Chingiz Khan in modern times Mongolia itself has been the object of imperial rivalry For most of the 20th century it was under Soviet domination Mikhail Gorbachev began the withdrawal of Soviet troops from Mongolia in 1989 a process completed in 1992 By 1996 a coalition of opposition parties triumphed in national elections and Mongolia launched itself on a new course It is perhaps the most intriguing of the post community transition societies This volume examines Mongol history over the past century embracing not only Mongolia proper but also Mongol communities in Russia and China Contributions based on new archival research and the latest fieldwork are from the world's top experts in the field including four authors from Mongolia and others from Japan Russia Taiwan Great Britain and the United States Stephen Kotkin's introductory chapter is an overview of Mongol studies The essays in part 1 examine Sino Russian competition over Outer Mongolia Part 2 looks at international diplomacy in Mongolia including the role of Japan Part 3 focuses on contemporary issues ranging from economic and cultural change to emergent elites A concluding essay surveys Mongolian foreign policy
