Sir Gawain And The Green Knight A Reference Guide:

Sir Gawain and the Green Knight Robert J. Blanch,1983 This book is a selective and thorough survey of Gawain scholarship from 1824 through 1978 Sir Gawain & the Green Knight ,1936 **A Reference Guide for English Studies**

Michael J. Marcuse,2023-11-15 **Sir Gawain and the Green Knight** Anonymous,2012-10-19 Sir Gawain and the Green Knight is a masterpiece of medieval English literature and one of the finest Arthurian tales in any language Though its ingenious plotting and verbal artistry continue to dazzle readers it is written in a challenging regional dialect and uses many words that were already archaic when the poem was written in the late fourteenth century This edition is designed to make the poem in its original Middle English accessible to students and general readers Following standards adopted for editing other Middle English poets the edition lightly normalizes spellings to make words more recognizable for a modern audience Extensive marginal glossing of difficult words thorough on page explanatory notes and a comprehensive glossary offer further support for readers The historical appendices include other examples of medieval romance from France and Britain

Gawain Keith Busby,Raymond H. Thompson,2005-11-08 Gawain A Casebook is a collection of 12 15 classic and original essays on the hero of Arthurian legend that investigates the figure of Gawain as he appears in major medieval traditions as well as modern literature and film As with other volumes in the Arthurian Characters and Themes series this casebook includes an extended introduction examining the character s evolution from the earliest tales to his most recent appearances in popular culture as well as an extensive annotated bibliography Students scholars and anyone interested in medieval legend will find a wealth of insight into the mystery of this most poignant and perplexing of Arthurian heroes **A**

Companion to the Gawain-poet Derek Brewer,Jonathan Gibson,1997 It ends with a discussion of the reception of the Morte Darthur from the sixteenth to the twentieth centuries and a select bibliography **The Knight on His Quest** Piotr Sadowski,1996 This book offers an integrated interpretative analysis of the major thematic aspects of the English fourteenth century romance Sir Gawain and the Green Knight The chief aim of author Piotr Sadowski is to look at the contents of the narrative in their entirety and to take full advantage of the poem s exceptional and widely praised harmony of structure and design Within that design Sadowski focuses on the poem s presentation of the main protagonist and his adventures seen first of all as a generalized metaphor of the human life understood as a spiritual quest and in a more historical sense as an expression and critique of certain ideals values and anxieties that characterized the late medieval institutions of the court chivalry and the Church Sadowski built the interpretive framework of Sir Gawain from an eclectic theoretical base that he believes is most valuable and useful in approaching medieval literature The main focus of the study remains the literary text itself created by an author who communicates his view of the world through the poem *Routledge Revivals: Medieval England (1998)* Paul E. Szarmach,M. Teresa Tavormina,Joel T. Rosenthal,2017-07-05 First published in 1998 this valuable reference work offers concise expert answers to questions on all aspects of life and culture in Medieval England including art

architecture law literature kings women music commerce technology warfare and religion This wide ranging text encompasses English social cultural and political life from the Anglo Saxon invasions in the fifth century to the turn of the sixteenth century as well as its ties to the Celtic world of Wales Scotland and Ireland the French and Anglo Norman world of the Continent and the Viking and Scandinavian world of the North Sea A range of topics are discussed from Sedulius to Skelton from Wulfstan of York to Reginald Pecock from Pictish art to Gothic sculpture and from the Vikings to the Black Death A subject and name index makes it easy to locate information and bibliographies direct users to essential primary and secondary sources as well as key scholarship With more than 700 entries by over 300 international scholars this work provides a detailed portrait of the English Middle Ages and will be of great value to students and scholars studying Medieval history in England and Europe as well as non specialist readers

Arthurian Bibliography III: 1978-1992

Caroline Palmer,1998 Details of all published Arthurian work post 1978 to 1992 If one wants to scoop up nearly everything on an Arthurian subject there is no substitute for the Arthurian Bibliography series ANGLIA In 1981 the first Arthurian Bibliography appeared an exhaustive alphabetical author listing of all critical material recorded in the standard Arthurian bibliographies up to 1978 This was followed in 1983 by the second volume giving full indexes by topic key word and individual work author to form a complete subject index of every topic in Arthurian literature Summaries and reviews were also indicated where they existed Arthurian Bibliography III updates this invaluable reference work for Arthurian scholars to 1992 Compiled from the BBSIA it conveniently contains both author listing and subject index in one volume

English Literature in the Age of Chaucer

Dieter Mehl,2014-06-11 Written in an engaging and

accessible manner English Literature in the Age of Chaucer serves as both a lucid introduction to Middle English literature for those coming fresh to the study of earlier English writing and as a stimulating examination of the themes traditions and the literary achievement of a number of particularly original and interesting authors In addition to detailed and sensitive treatment of Chaucer s major works the book includes chapters on his chief contemporaries such as John Gower William Langland and the Gawain poet It also examines the often underrated contribution to the English literary tradition of his successors John Lydgate and Thomas Hoccleve as well as the interesting and original work of the Scottish poets Robert Henryson William Dunbar and Gavin Douglas who also claim Chaucer as their model Apart from the narrative poetry of Chaucer and his followers the book also contains chapters on the Middle English lyric Middle English prose including Mandeville s travels the most original and imaginative writings of the Middle English mystics in particular Julian of Norwich and Margery Kempe and Thomas Malory s impressive prose compilation of Arthurian stories *Middle English Literature* Charles W. Dunn,Edward T. Byrnes,2013-11-26 For the first time available in paperback this classic anthology provides readers with important literary works composed during the Middle English period 1100 1500 in England Scotland and Ireland The editors provide glosses for all unfamiliar words and obscure phrases and every selection refers to at least one definitive edition where details of recent scholarship can be found Modern punctuation and capitalization are used throughout and variant spellings are kept to a minimum to avoid unnecessary confusion The introduction discusses important literary and linguistic questions the headnotes and bibliography offer extensive guidance to secondary sources and the appendixes clarify pronunciation verb use and dialect variations *Medieval Arthurian Literature* Norris Lacy,2014-10-17 The focus of this book is medieval vernacular literature in Western Europe Chapters are written by experts in the area and present the current scholarship at the time this book was originally published in 1996 Each chapter has a bibliography of important works in that area as well This is a thorough and reliable guide to trends in research on medieval Arthuriana

The Passing of Arthur Christopher Baswell,William Sharpe,2014-08-13 Originally published in 1988 this volume contains papers from and commissioned after The Passing of Arthur a conference on Medieval and Renaissance Studies in November 1986 No Arthurian story is experienced without some foreknowledge of its end which the text acknowledges through a complex range of methods This collection takes this as its point of origin suggesting that all such narratives concern the passing of Arthur even indirectly so the chapters not only look at the death of Arthur but the passing on and development of the Arthurian literature The figure of Arthur and the Round Table continues to fascinate contemporary readers This interesting collection presents a wide range of Arthurian studies approaches representing some of the vast scholarship on the genre **Becoming the Pearl-Poet** Jane Beal,2022-10-28 Who is the Pearl poet How do ideas about his life and interpretations of his poems shape our understanding of his work in late medieval England and beyond In *Becoming the Pearl Poet* Perceptions Connections Reception readers can explore the world of this extraordinary fourteenth century

writer In Part I Perceptions five scholars give insightful literary analyses of the narrative poems attributed to the poet Pearl Cleanness *Patience Sir Gawain and the Green Knight* and *St Erkenwald* In Part II Connections six scholars examine connections between these diverse poems focusing on authorship ecology material culture sartorial adornment shields and the poet's pastoral theology In Part III Receptions scholars consider the illustrations of the Pearl Manuscript British Library MS Cotton Nero A x the poet's cultural situatedness in the Northwest Midlands and Ricardian court his religious contexts later translations and paraphrases of his work and his medieval and modern audiences Intended for students and scholars alike this book encourages readers to gain a deeper understanding of the Pearl poet and his world learning many new things and enjoying old things in a new way *The Christian Tradition in English Literature* Paul Cavill, Heather Ward, 2009-08-30 Features Wide chronological coverage of English literature especially texts found in the Norton Oxford Blackwell and other standard anthologies Short punchy essays that engage with the texts the critics and literary and social issues Background and survey articles Glossaries of Bible themes images and narratives Annotated bibliography and questions for class discussion or personal reflection Scholarly yet accessible jargon free approach ideal for school and university students book groups and general readers Created for readers who may be unfamiliar with the Bible church history or theological development it offers an understanding of Christianity's key concepts themes images and characters as they relate to English literature up to the present day *English Medieval Romance* William Raymond Johnston Barron, 1987 Starting with the European roots of romance Dr Barron devotes the main body of his book to a detailed study of the English corpus He discusses its rich variety of forms in the later Middle Ages concluding that the English romances show their own conception of the romantic mode *Verbal Dueling in Heroic Narrative* Wards Parks, 2014-07-14 This work is a rare cross cultural study of one of the most universal dialogic genres heroic flyting or the verbal duel in which the heroes prior to physical combat make boastful claims that must be backed up through action in the arena of public contesting Long recognized as an elemental behavioral paradigm in human consciousness the contest has only recently emerged as a factor in the formation of Western intellectual traditions and modes of discourse In presenting the verbal duel as a literary expression of the contest Ward Parks shows how flyting interfaces words and physical action He explores the place of flyting in the patterning of culture both Eastern and Western from Homeric and Old English martial narratives to current academic debate to such phenomena of popular culture as rap Parks studies flyting from a comparative standpoint to discover major generic and structural characteristics common to this activity in both its oral and written traditions Drawing his methodology from such fields as literary criticism socio biology linguistics and game theory he begins with an exploration of the nature and structure of contesting as it relates to flyting interactions He then examines the covert contract formation that binds the verbal and physical aspects of the duel analyzes the heroic generation of speeches and their dialogic interrelation in the flyting process itself and illustrates the adaptability of flyting patterns within a wide variety of cultural and ideological settings Originally
