Water and Conflict: Incorporating Peacebuilding Into Water Development Jason Gehrig, Mark M. Rogers, 2009-08-14 Water is a simple but necessary part of life Yet much of the world s population lacks adequate clean water either because of physical scarcity or because they are denied equitable access to water resources Such conditions inevitably breed conflict Water related violence is common in many parts of the world and is generally expected to increase in the years ahead This document is intended to assist water development practitioners civil society peacebuilders and human rights advocates seeking to integrate water and peacebuilding in their work The purpose is twofold to furnish a conceptual framework for understanding problems of scarcity and equity and to provide practical guidance and tools for action The text distills an extensive literature on water conflict and cooperation produced in recent years by researchers and development practitioners Case studies and reflections are included to keep theory grounded in reality **Tarot of the Spirit** Pamela Eakins, 1992-01-01 Illustrated with the Tarot of the Spirit deck painted by Joyce Eakins Centered on the Qabbalistic Tree of Life this symbolism clearly explores the Minor Arcana as a representation of the four components of life spirit emotion intellect and body while it reveals the Major Arcana to be the keys to our emotional response patterns to the symbolic universe in which we live Includes seven monthly meditations individual readings and layouts **The Vanishing Realms** James A. Hall, 2023-08-09 The Dragon Council has sent forth a summons for all dragons and riders to assemble at Dragon

Hall at once Some of the realms visited by way of the Mist Trail for countless cycles have vanished Sixty cycles later Storm Rider or Rogue Dragon or Dragon of Fire and Ice at the request of a friend has located Rider Dorma the untrained and brought her to the Dragon Hall to appear before the council Then at the request of the council the two set off to seek the reason for the vanishing realms As they travel they meet with old friends of the dragon as well as making some new ones As they travel they find they must fight tones and dragon tones created by the dark arts of the blood and crimson sorcerers and a host of monsters out of nightmares Finally they return to Cormac Realm to stand before the Dragon Hall with the other dragons and riders in a great battle to decide the fates of all the realms

Sacramental Commons John Mason Hart, Leonardo Boff, Thomas Berry, 2006-07-27 The increasing awareness of environmental issues as ultimately moral issues has led to the intersection of religion and environment Sacramental Commons presents a unique way of looking at this topic by relating the Christian word sacrament signs of divine presence to the term commons shared place and shared goods among people and between people and the natural world suggesting that local natural settings and local communities can be a source for respect and compassion Sacramental Commons uses Earth oriented biblical teachings and ideas from such thinkers as Hildegard St Francis John Muir and Black Elk to provide insights about divine immanence in creation human commitments to creation and human accountability to the Spirit Earth and biotic community It extends the concept of natural rights beyond humans to include all nature and affirms intrinsic value in ecosystems in whole and in part Sacramental Commons declares that the Earth commons and its goods should be shared equitably by human communities and individuals living in interdependent relationships with other members of the community of life It suggests essential values that will stimulate care for the commons and embodies them in principles of an innovative Christian Ecological Ethics
