Sister Saints Studies In Mormon History Ser No 5:

Religious Books and Serials in Print 1978-1979 R.R. Bowker Company. Department of Bibliography, 1978-11 **The Three Nephites** Julie Swallow, Christopher James Blythe, Eric A. Eliason, Jill Terry Rudy, 2025-10-07 Stories of encounters with the Three Nephites immortal saint like figures dominate the folklore of the Latter day Saint tradition The authors of this volume use hundreds of legends collected by the renowned folklorist William A Wilson from across a lifetime of research study and interviews to focus on the different themes exhibited by the Three Nephites and show that LDS culture beliefs and values are embodied by and through the Three Nephites Each chapter focuses on a different theme from Three Nephites lore Vanishing Hitchhiker Nephites addresses stories of the Nephites travels The Worldwide End of the World considers the Nephites as harbingers of the Second Coming Proclaiming the Gospel Stories examines the interactions of the Three Nephites with missionaries Mix ups High Jinks and Jokes explores Nephite stories aimed at getting laughs That Your Joy Might Be Full analyzes the types of service the Three Nephites render and reflects on the connection to the Church s injunction to serve others A one of a kind collection The Three Nephites allows readers to see the extent that this supernatural legend has played in Latter day Saint lore **Brigham Young University Studies** Brigham Young University, 1991 A voice for the community of LDS scholars **Journal of Mormon History** , 1979 **Your Sister in the Gospel** Quincy D. Newell, 2019-04-05 Dear Brother Jane Manning James wrote to Joseph F Smith in 1903 I take this opportunity of writing to ask you if I can get my endowments and also finish the work I have begun for my dead Your sister in the Gospel Jane E James A faithful Latter day Saint since her conversion sixty years earlier James had made this request several times before to no avail and this time she would be just as unsuccessful even though most Latter day Saints were allowed to participate in the endowment ritual in the temple as a matter of course James unlike most Mormons was black For that reason she was barred from performing the temple rituals that Latter day Saints believe are necessary to reach the highest degrees of glory after death A free black woman from Connecticut James positioned herself at the center of LDS history with uncanny precision After her conversion she traveled with her family and other converts from the region to Nauvoo Illinois where the LDS church was then based There she took a job as a servant in the home of Joseph Smith the founder and first prophet of the LDS church When Smith was killed in 1844 Jane found employment as a servant in Brigham Young s home These positions placed Jane in proximity to Mormonism s most powerful figures but did not protect her from the church s racially discriminatory policies Nevertheless she remained a faithful member until her death in 1908 Your Sister in the Gospel is the first scholarly biography of Jane Manning James or for that matter any black Mormon Quincy D Newell chronicles the life of this remarkable yet largely unknown figure and reveals why James s story changes our understanding of American history *Religion, Theology, and Stranger Things* , Andrew J. Byers, Adam J. Powell, 2024-11-25 Religion Theology and Stranger Things Studies from the Upside Down on Evil Ethics Horror and Hope brings interdisciplinary

analysis to the teeming spiritual side of the hit television series With chapters from social scientists historians theologians and Biblical scholars the volume addresses the many different theological religious and supernatural themes present in the fictional world of Hawkins Indiana From spiritualism to secularism Mormon gender norms to monsters of abnormality rock roll to Dungeons Dragons an international list of scholars come together to argue that imaginative realms like the one created by the Duffer brothers can serve to showcase and to scrutinize the common impulses and needs of our culture and ourselves To venture into the darkness of the Upside Down is to venture into the depths of human experience This volume explores the shadows and suggests a few paths back into the light

No Place for Saints Adam Jortner, 2022-02-01 The emergence of the Mormon church is arguably the most radical event in American religious history How and why did so many Americans flock to this new religion and why did so many other Americans seek to silence or even destroy that movement Winner of the MHA Best Book Award by the Mormon History Association Mormonism exploded across America in 1830 and America exploded right back By 1834 the new religion had been mocked harassed and finally expelled from its new settlements in Missouri Why did this religion generate such anger And what do these early conflicts say about our struggles with religious liberty today In *No Place for Saints* the first stand alone history of the Mormon expulsion from Jackson County and the genesis of Mormonism Adam Jortner chronicles how Latter day Saints emerged and spread their faith and how anti Mormons tried to stop them Early on Jortner explains anti Mormonism thrived on gossip conspiracies and outright fables about what Mormons were up to Anti Mormons came to believe Mormons were a threat to democracy and anyone who claimed revelation from God was an enemy of the people with no rights to citizenship By 1833 Jackson County s anti Mormons demanded all Saints leave the county When Mormons refused citing the First Amendment the anti Mormons attacked their homes held their leaders at gunpoint and performed one of America s most egregious acts of religious cleansing From the beginnings of Mormonism in the 1820s to their expansion and expulsion in 1834 Jortner discusses many of the most prominent issues and events in Mormon history He touches on the process of revelation the relationship between magic and LDS practice the rise of the priesthood the questions surrounding Mormonism and African Americans the internal struggles for leadership of the young church and how American law shaped this American religion Throughout *No Place for Saints* shows how Mormonism and the violent backlash against it fundamentally reshaped the American religious and legal landscape Ultimately the book is a story of Jacksonian America of how democracy can fail religious freedom and a case study in popular politics as America entered a great age of religion and violence

By the Hand of Mormon Terryl Givens, 2003-09-11 Finally in exploring what Martin Marty refers to as the Book of Mormon s revelatory appeal Givens highlights the Book s role as the engine behind what may become the next world religion
