The Silvering Screen Sally Chivers, 2011-05-14 Popular films have always included elderly characters but until recently old age only played a supporting role onscreen Now as the Baby Boomer population hits retirement there has been an explosion of films including *Away From Her* *The Straight Story* *The Barbarian Invasions* and *About Schmidt* where aging is a central theme The first ever sustained discussion of old age in cinema *The Silvering Screen* brings together theories from disability studies critical gerontology and cultural studies to examine how the film industry has linked old age with physical and mental disability Sally Chivers further examines Hollywood's mixed messages the applauding of actors who portray the debilitating side of aging while promoting a culture of youth as well as the gendering of old age on film *The Silvering Screen* makes a timely attempt to counter the fear of aging implicit in these readings by proposing alternate ways to value getting older

Don't Slam the Screen Door! Janette Navickas Dehner, 2021-09-21 *Don't Slam the Screen Door* is a bedtime storybook inspired from a time before kids were lost to technology I wanted to write about adventures from my own memorable childhood beyond my own back door The hope is to motivate boys and girls each night one chapter and one adventure at a time to explore their surroundings with their young minds and imaginations Equally important was to model a reminder to dads and moms that it does not take much to stimulate a child's creativeness A little schooling never hurt anyone is the philosophy behind the twin's names which were intentionally chosen Selected as a strategically play of words by creating a tongue twister of sorts to get kids to articulate and identify slight word differences while reading I chuckle to think of my own grandchildren correcting my pronunciation when I am reading to them Also with our own names being similar in sound and spelling it was a life experience my twin sister and I personally identified with Foremost I wanted this to be a Christian based book weaving the simplicity of knowing and having a relationship with the Lord Placing bible scripture at the end of each chapter in faith the verse becomes a tangible teaching tool pointing to Our Father's Word In hope of initiating inquisitive minds to simply open discussion of wanting to know of the scripture's source the Holy Bible *Don't Slam the Screen Door* was truly inspired out of love for Our Father family and my sisters Juleen Jeanette and Joette God Bless Janette Navickas Dehner
