Six Day War:

The Six Day War Randolph Spencer Churchill, Winston Spencer Churchill, 1967 **Six Days of War** Michael B. Oren, 2003-06-03 NEW YORK TIMES BESTSELLER The first comprehensive account of the epoch making Six Day War from the author of *Ally now* featuring a fiftieth anniversary retrospective Though it lasted for only six tense days in June the 1967 Arab Israeli war never really ended Every crisis that has ripped through this region in the ensuing decades from the Yom Kippur War of 1973 to the ongoing intifada is a direct consequence of those six days of fighting Writing with a novelist's command of narrative and a historian's grasp of fact and motive Michael B Oren reconstructs both the lightning fast action on the battlefields and the political shocks that electrified the world Extraordinary personalities Moshe Dayan and Gamal Abdul Nasser Lyndon Johnson and Alexei Kosygin rose and toppled from power as a result of this war borders were redrawn daring strategies brilliantly succeeded or disastrously failed in a matter of hours And the balance of power changed in the Middle East and in the world A towering work of history and an enthralling human narrative *Six Days of War* is the most important book on the Middle East conflict to appear in a generation Praise for *Six Days of War* Powerful A highly readable even gripping account of the 1967 conflict Oren has woven a seamless narrative out of a staggering variety of diplomatic and military strands The New York Times With a remarkably assured style Oren elucidates nearly every aspect of the conflict Oren's book will remain the authoritative chronicle of the war His achievement as a writer and a historian is awesome The Atlantic Monthly This is not only the best book so far written on the six day war it is likely to remain the best The Washington Post Book World Phenomenal breathtaking history a profoundly talented writer This book is not only one of the best books on this critical episode in Middle East history it's one of the best written books I've read this year in any genre The Jerusalem Post In Michael Oren's richly detailed and lucid account the familiar story is thrilling once again What makes this book important is the breadth and depth of the research The New York Times Book Review A first rate new account of the conflict The Washington Post The definitive history of the Six Day War Oren's narrative is precise but written with great literary flair In no one else's study is there more understanding or more surprise Martin Peretz Publisher The New Republic Compelling perhaps even vital reading San Jose Mercury News The Six-day War Richard Bordeaux Parker, 1996 Former Ambassador Richard B Parker gathered representatives from the Israeli Arab Russian and U S military government and academe many of whom were participants in the 1967 crisis to reexamine the steps and missteps that led to the conflict Developed from a State Department conference marking the 25th anniversary of the war this analysis and discussion provide the most authoritative account we have of the genesis of the Arab Israeli war Contents Origins of the Crisis L Carl Brown The United Nations Response I William Zartman The Israeli Response Bernard Reich The Other Arab Responses E Ernest Dawn The View from Washington Donald C Bergus Conspiracy Theories Richard B Parker Conclusions Richard B Parker The Sandstorm David Kimche, Dan Bawley, 1968 A summary of the Six Days War and of events leading up to it and immediately following it

Emphasis is on the politics and negotiations behind the war not on battle tactics **The Six Day War** Guy Laron, 2017-02-21

The author of *Origins of the Suez Crisis* makes us look afresh at the events that led to conflict between Israel and its neighbors *Financial Times* One fateful week in June 1967 redrew the map of the Middle East Many scholars have documented how the Six Day War unfolded but little has been done to explain why the conflict happened at all Now historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis and restoring Syria's often overlooked centrality to events leading up to the hostilities The Six Day War effectively sowed the seeds for the downfall of Arab nationalism the growth of Islamic extremism and the animosity between Jews and Palestinians In this important new work Laron's fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict and the trigger happy generals behind it that continues to shape the modern world Challenging well worth reading *Moment* A penetrating study of a conflict that although brief helped establish a Middle Eastern template that is operational today The author looks beyond Cold War maneuvering to examine the conflict in other lights Readers with an interest in Middle Eastern geopolitics will find much of value *Kirkus Reviews*

[Six Days](#) Jeremy Bowen, 2013-12-03 A fast paced hour by hour narrative of the 1967 war the most gripping military tale since the fall of France in the Second World War *Daily Telegraph* The ongoing tensions between Israel and Palestine are a complex and bloody legacy all stemming from six days of war in 1967 In this rigorous and original piece of modern history Jeremy Bowen not only sheds new light on one of the key conflicts of the twentieth century but also explains much about the Middle East and the problems it faces today After the state of Israel emerged from war in 1948 both sides knew more battles were coming In June of 1967 years of slow burning tension exploded In six extraordinary days Israel destroyed the armed forces of Egypt Jordan and Syria But far from bringing peace their stunning victory turned into a curse From the initial battle order issued to the Israeli air force on June 5 1967 to the final ceasefire on the evening of Saturday the 10th the Six Day War was a riveting human drama Building on original research and his own experience as a Middle East Correspondent Bowen presents a compelling new history of the conflict Interweaving testimonies of combatants from all sides *Six Days* vividly recreates the bullying and brinksmanship that led four nations to war

Background of the Six-day War Jan Dziejdz, Tadeusz Walichnowski, 1969 **The Soviet Union and the June 1967 Six Day War** Yaacov Ro'i, Boris Morozov, 2008 Why did the Soviet Union spark war in 1967 between Israel and the Arab states by falsely informing Syria and Egypt that Israel was massing troops on the Syrian border Based on newly available archival sources *The Soviet Union and the June 1967 Six Day War* answers this controversial question more fully than ever before Directly opposing the thesis of the recently published *Foxbats over Dimona* by Isabella Ginor and Gideon Remez the contributors to this volume argue that Moscow had absolutely no intention of starting a war The Soviet Union's reason for involvement in the region had more to do with enhancing its own status as a Cold War power than any

desire for particular outcomes for Syria and Egypt In addition to assessing Soviet involvement in the June 1967 Arab Israeli Six Day War this book covers the USSR s relations with Syria and Egypt Soviet aims U S and Israeli perceptions of Soviet involvement Soviet intervention in the Egyptian Israeli War of Attrition 1969 70 and the impact of the conflicts on Soviet Jewish attitudes This book as a whole demonstrates how the Soviet Union s actions gave little consideration to the long or mid term consequences of their policy and how firing the first shot compelled them to react to events The Six-Day War 50minutes,2016-04-26 Keen to learn but short on time Get to grips with the events of the Six Day War in next to no time with this concise guide 50Minutes.com provides a clear and engaging analysis of the Six Day War In 1967 relations between the State of Israel and its neighbours which had long been strained became dangerously tense In the ensuing military conflict Egypt Jordan and Syria were unable to defeat Israel and the Israeli victory and territorial gains effectively redrew the map of the Middle East In just 50 minutes you will Understand the political and social context of the Middle East prior to the conflict and the reasons for rising tensions in the region Identify the leaders of the states involved in the war and their role in the conflict Analyse the impact of the Israeli victory on the rest of the Middle East ABOUT 50MINUTES.COM History Culture 50MINUTES.COM will enable you to quickly understand the main events people conflicts and discoveries from world history that have shaped the world we live in today Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery The Six-Day War Nova Ashford, In the years leading up to the Six Day War of 1967 the Middle East simmered with tension and unresolved hostility The roots of the conflict were planted in the aftermath of the 1948 Arab Israeli War and deepened following the 1956 Suez Crisis Despite ceasefires and temporary peace agreements there was no formal resolution to the broader Arab Israeli conflict The armistice lines drawn in 1949 remained points of friction and Israel s neighbors particularly Egypt Syria and Jordan maintained a posture of open hostility refusing to recognize Israel s right to exist This created an environment in which any incident had the potential to ignite full scale war Egypt under the leadership of President Gamal Abdel Nasser emerged as a central figure in Arab nationalism and anti Israel sentiment Nasser s calls for Arab unity and the destruction of Israel were backed by increasing military cooperation with other Arab states and by Soviet support as part of the broader Cold War dynamic The Soviet Union keen on expanding its influence in the Middle East supplied arms and military training to Egypt and Syria while the United States became a key supporter of Israel The region thus became another theater for the Cold War rivalry between the superpowers further escalating tensions The demilitarized zones between Israel and Syria particularly along the Golan Heights were frequently the scene of armed skirmishes and artillery exchanges Syria also supported Palestinian guerrilla attacks into Israeli territory further stoking unrest Meanwhile in the south Egypt s actions in the Sinai Peninsula including the remilitarization of the area and the expulsion of the United Nations Emergency Force UNEF in May 1967 signaled a major escalation The final provocation came with Egypt s closure of the Straits of Tiran to Israeli shipping an
