Sixty Years The Rcaf And Cf Air Command 1924 1984:

Sixty Years Larry Milberry, 1984 Gennemgang af Royal Canadian Air Force RCAF og Canadian Forces Air Command

Sovereignty and Command in Canada-US Continental Air Defence, 1940-57 Richard Goette, 2018-07-09 The 1940 Ogdensburg Agreement entrenched a formal defence relationship between Canada and the United States But was Canadian sovereignty upheld Drawing on untapped archival material Sovereignty and Command in Canada US Continental Air Defence 1940 57 documents the close and sometimes fractious relationship between the two countries Richard Goette challenges prevailing perceptions that Canada's defence relationship with the United States eroded Canadian sovereignty He argues instead that a functional military transition from an air defence system based on cooperation to one based on integrated and centralized command and control under NORAD allowed Canada to retain command of its forces and thus protect Canadian sovereignty Goette combines historical narrative with conceptual analysis of sovereignty command and control systems military professionalism and civil military relations In the process he provides essential insights into the Royal Canadian Air Force's paradigm shift away from its Royal Air Force roots toward closer ties with the United States Air Force and the role of the nation's armed forces in safeguarding its sovereignty

The Red Knight Aircraft John Charles Corrigan, 2024-11-13 The Red Knight was the product of thirty years of meticulous research by aviation historian John Charles Corrigan It is arguably the most comprehensive account ever written

about the Royal Canadian Air Force's legendary solo jet aerobatics program. Now the author follows up that important work with *The Red Knight Aircraft*, a careful documentation of the triumphs and tragedies of each of the aircraft used by the program between 1958 and 1969. John digs into the stories of the four Silver Stars and two Tutors. He pays tribute to the pilots who gave their lives trying to push the limits of aerobatics and the people connected to this colourful part of Canada's past. Also included are the civilian revivals of the Red Knight and the static display aircraft painted in the colours of the RCAF's famous aerial performer. Readers who saw the Red Knight in action will deepen their knowledge and be swept up in nostalgia as they peruse rare photos, clippings and remembrances all gathered together in one beautiful book. Aviation and air show aficionados will be treated to behind-the-scenes details of a bygone era as they appreciate the achievements of the Red Knight pilots and their metal steeds.
