## **Snare In The Dark:**

Snare in the Dark Roger Longrigg, 2014-04-21 Dan Mallett usually keeps one step in front of authority in the west country village where he lives Dan goes out one night to poach pheasants and it is on that night that Major March's gamekeeper is shot dead with an arrow Knowing he will almost certainly be blamed Dan disappears whilst devising a plan to identify the real villain

**Light vs. Dark** Sherry Malunat, 2025-06-19 There is an invisible world all around us filled with unseen activity This is where light and dark battle for mankind The mind is the battlefield There are weapons of Light that are available for anyone to use during the battles This book will give you the knowledge of both spiritual worlds You will gain an understanding of the weapons of war and how to be equipped for the battles ahead Knowledge is a weapon in itself for without knowledge people perish The most powerful weapon we already have is the mind We must choose what we meditate on because our emotions will follow our meditation Once our emotions become involved our actions will follow Ephesians 6:12 For our struggle is not against flesh and blood but against the rulers Against the powers against the world rulers of this darkness against the spiritual forces of evil in the heavens

**Flakes of Dark and Light** Roy Holland, 2001-02-28 The title Flakes of Dark and Light is evocative of the sharp flakes of insight and colour which characterise these tales The tales in the first part mostly depict an African setting and in fact are more recent often suggesting the climate of change and violence that has gripped southern Africa in the last two decades The stories in the second part were inspired by a more English tradition and in fact capture the climate of change that brooded over life during the Thirties and the war years A contemporary of Ted Hughes and with many of his stories set in the depressed sometimes seedy England of the Thirties and Forties which Graham Greene depicted in his early novels it's not surprising that Roy Holland's images and sentences are like flakes that cut like broken glass A true artist he does not take sides but holds up a mirror to show life as it is or was whether in a pre-war England or an Africa ravaged by drought and violence His tales are snapshots truthful sometimes startling of two quite distinct cultures However disparate they may seem one is invariably aware of an underlying tenderness and sympathetic vision in the portrayal of character regardless of race or background that binds them together
