### **Snow On The North Side Of Lucifer:**

*Snow on the North Side of Lucifer* Alan Sillitoe, 1979      Collected Poems Alan Sillitoe, 2016-07-12 A sweeping collection of poetry from one of Great Britain's most celebrated postwar writers. Bestselling British novelist Alan Sillitoe delves into the profound and personal world of poetry in this collection of two hundred poems written between 1950 and 1990. Culled from seven previously published volumes of verse and including twenty one newly collected works, Sillitoe employs wit, humor, aggression, and longing to take readers into the depths of his perceptions and philosophical musings. The compilation begins with Sillitoe's early poems which first appeared in *The Rats and Other Poems* 1960 while the writer was at work on his acclaimed novel *Saturday Night and Sunday Morning*. In *Shadow*, a castaway meets a gentleman whom he recognizes as his own death. Meanwhile, a temperate climate renders death powerless in *Poem Written in Majorca*. And in *Excerpts from The Rats*, themes of mental exile, isolation, and the proliferation of corruption echo the sentiments of Arthur Seaton, the hero of *Saturday Night and Sunday Morning*. Proceeding chronologically, the next section includes works from *A Falling Out of Love and Other Poems* 1964. Here the reader encounters a haunting confrontation with suicide in *Poem Left by a Dead Man*, a meditation on the elemental yet incomparable suffering of a poet in *Storm*, and a description of metaphysical chores in *Housewife*. Selections from *Love in the Environs of Voronezh and Other Poems* 1968 and *Storm and Other Poems* 1974 follow, including such works as *Baby and Smile* which ponder questions of inevitability and impossibility in everyday life. Unexpected perspectives on the Devil appear in the poems from *Snow on the North Side of Lucifer* 1979. *Sun Before Departure* 1974, 1982 features the surreal and atmospheric *Horse on Wenlock Edge*. And the selections from *Tides and Stone Walls* 1986, including the koanlike *Receding Tide*, were inspired by a series of sea landscapes by photographer Victor Bowley. In the final section, *New Poems* 1986, 1990, Sillitoe contemplates hope in the aftermath of war in *Hiroshima* and deciphers an uncanny Morse code message in *Noah's Arc*. At once dark and luminous, *Collected Poems* offers both a departure from and insight into the kitchen sink realism Sillitoe is famous for. These pages impart an intimate look into the heart and mind of one of England's most celebrated authors and convey a profound vision of life, one in which death is close but laughter is never far away.

**Alan Sillitoe** David E. Gerard, 1988      **Going to Extremes in Biblical Rewritings** Anthony Swindell, 2023-03-06 This book sets out to provide a matrix for surveying the literary treatment of biblical tropes. It supplies an overview of the literary reception of the Bible from the earliest times right through to contemporary writers such as Jeanette Winterson and Colm Tóibín. It traces the literary reception and treatment of the Book of Job, the figure of Uriah in the narrative of David and Bathsheba, the figure of Lilith, and Angels of Death and of Mercy. These are all handled as specimen histories. This is followed by an examination of the output of several specific early and later Twentieth Century rewriters of the Bible. In the last chapters, three sets of other writers, under particular headings, the Great Disrupters etc., are grouped together with a view to finding common characteristics as well as unique features in their approach to biblical tropes and provide conclusions and

suggestions for further research      **Understanding Alan Sillitoe** Gillian Mary Hanson,1999 Understanding Alan Sillitoe offers a lucid appraisal of the life and works of the well known contemporary British writer hailed by critics as the literary descendent of D H Lawrence Known primarily for his novels Saturday Night and Sunday Morning and The Loneliness of the Long Distance Runner Sillitoe has written more than 50 books over the last 40 years including novels plays collections of short stories poems and travel pieces as well as more than four hundred essays In this comprehensive study of the major novels and short stories Hanson reveals Sillitoe s artistic influences and the dominant thematic concerns of his works

Murdoch,2003 The presentation the use and the possible reception of the book of Genesis to lay audience largely unable to read the original texts What was meant by the medieval popular Bible what was presented as biblical narrative to an audience largely unable to read the original biblical texts Presentations in the vernacular languages of Europe of supposedly biblicalepisodes were more often than not expanded and interpreted sometimes very considerably This book looks at the presentation the use and the possible lay reception of the book of Genesis using as wide a range of medieval genresand

vernaculars as possible on a comparative basis down to the Reformation Literatures taken into consideration include Irish Cornish English French High and Low German Spanish Italian and others Genesis was an important book and the focus is on those narrative high points which lend themselves most particularly it is never exclusive to literal expansion even though allegory can also work backwards into the literal narrative Starting with the devil in paradise who is not biblical the book examines what Adam and Eve did afterwards who killed Cain what happened in the flood or at the tower of Babel and ends with a consideration of the careers of Jacob and Joseph The book is based on the Speaker's Lectures given in 2002 in the University of Oxford BRIAN MURDOCH is Professor of German at the University of Stirling
