Snows Of Yesteryear:

The Snows of Yesteryear Bernard Stanley Oldsey, 2001-02 The Snows of Yesteryear Gregor Von Rezzori, 2008-12-02 Gregor von Rezzori was born in Czernowitz a onetime provincial capital of the Austro Hungarian Empire that was later to be absorbed successively into Romania the USSR and the Ukraine a town that was everywhere and nowhere with a population of astonishing diversity Growing up after World War I and the collapse of the empire Rezzori lived in a twilit world suspended between the formalities of the old nineteenth century order which had shaped his aristocratic parents and the innovations uncertainties and raw terror of the new century The haunted atmosphere of this dying world is beautifully rendered in the pages of The Snows of Yesteryear The book is a series of portraits amused fond sometimes appalling of Rezzori s family his hysterical and histrionic mother disappointed by marriage destructively obsessed with her children's health and breeding his father a flinty reactionary whose only real love was hunting his haughty older sister fated to die before thirty his earthy nursemaid who introduced Rezzori to the power of storytelling and the inevitability of death and a beloved governess Bunchy Telling their stories Rezzori tells his own holding his early life to the light like a crystal until it shines for us with a prismatic **Snows of Yesteryear** Robert K. Virom Coppola, 2004-03-16 The task before us in a nutshell my fellow humans is the clear and present danger of finding out who we really are That is the impossible feat I have given this poor creature V Virom and each of us with him The proof of the pasta is always in the tasting So says the author at the beginning of his book as he invites the reader on a detective story offering a beautifully written book with a rather remarkable synthesis of modern thinking one that builds from the ground of existence alone to a spirituality both secular and sacred That single paragraph on the cover of the book says what needs to be said it seems to me When I thought about this further and longer requested description of the book for the web site T S Eliot came to mind I am referring to the time when he was asked what his poem Prufrock was about and kindly replied Read the poem I do think he made a valid point because asking for a description of a book is the same when you think about it Shouldnt a person rather be reading the book itself At the same time I certainly can understand a person wanting to get a feel for the book before purchasing it and since you dont have the book to handle and page through to do that which I myself always do to see if there is going to be a love affair between the book and me I will give the viewer some of the Overture at the beginning of my book as an overture here as well hopefully to help accomplish the tangential absence Call it virtual foreplay if you want First Review From the Free Venice Beachhead News June 2004 Book Review QUEST A SEARCH FOR A SOUL MODERNKIND by Vincent Coppola Reviewed by Steve Goldman a former editor for Encyclopedia Britannica With great passion yet without a scintilla of mawkish sentimentality Coppola here makes the strong compelling case for love as the direct and primary

implication of human consciousness That would be laudable by itself but these are not merely the pleasant musings of a decent well intentioned person This is and it is astounding tightly reasoned philosophy based on acute astute observation and profound and powerful argument Building on Descartes whom he explicitly reverses on the fundamental matter of proof of personal experience and Kant who seems indispensable to all who came after Coppola emerges with a distinctive and compassionate American existentialism that is unlike anything heretofore With strongly grounded links to modern cosmology evolutionary theory and sheer phenomenology of consciousness in space time Coppola delivers a ringing statement of free will so sorely needed in this era of burgeoning biological reductionist determinism. This in turn yields a ringing adduction of the ontological primacy of self with commensurately devastating attacks on any variety of teeny bopping reductionism chemical biological physical or psychological and as well on any religio philosophical tradition usually Asian which explicitly denies or tries to eradicate the self I myself exist and I can love is the rigorously derived powerfully demonstrated theorem which is the first principal here What is more the revolutionary optional theology Quest proposes seems to at last settle that huge and perennial question for contemporary times Additionally and astonishingly and with philosophical deftness and gracious style Coppolas secular Christology evinces sacred humanitarian values again so needed in this era Coppola is a highly trained professional philosopher a prodigiously well read and deeply thoughtful theorist and analyst whose similarity to the preponderant mentality in his field is only superficial That is because Vincent V Virom is a philosopher in the all but Hemingway and Pound John Cohassey, 2014-07-11 Unique individuals of fiery temperament Ernest abandoned grand tr Hemingway and Ezra Pound made an odd pair on the streets of 1920s Paris If the elder cane carrying Pound appeared the out of date poet Hemingway was the epitome of his generation s Flaming Youth Meeting on the high ground of art these two literary giants formed a friendship that survived until Hemingway s death During their short time together in Paris Pound edited Hemingway s early work Over decades Hemingway considered Pound a major poet and read The Cantos as they appeared in little magazines and published volumes Eventually living in countries half a world apart Hemingway and Pound maintained a lively and sometimes contentious correspondence When Pound was incarcerated in America for his World War II broadcasts over Radio Rome Hemingway played a vital role in freeing his old poet friend the man who edited his early work the good game guy whose wit and brilliance he never forgot This narrative of a friendship lays bare the triumphs and tragedies of two giants of modern literature Maggie Gee: Writing the Condition-of-England Novel Mine Özyurt Kiliç, Mine Özyurt K?l?ç,2013-01-10 A detailed study of Maggie Gee s work that illustrates how she is rewriting the mid Victorian condition of England novel for 21st century Britain Niceville Carsten Stroud, 2012-06-12 Something is wrong in Niceville A boy literally disappears from Main Street A security camera captures the moment of his instant inexplicable vanishing An audacious bank robbery goes seriously wrong four cops are gunned down a TV news helicopter is shot and spins crazily out of the sky triggering a disastrous cascade of events that ricochet across twenty different lives over the course of just thirty
