So The Woman Went Her Way A Personal Journey:

So the Woman Went Her Way Lynne Bundesen, 1993-03-22 An astonishing memoir about finding the threads of God in everyday life highlighting the profound messages the women of the Bible can bring to all of us From Genesis to Revelation Bundesen offers women a new key to understanding their sacred female identity *Theology as Autobiography* Colby Dickinson, 2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one's humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re-examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self-examination of one's most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one's sins or brokenness and the articulation of what one believes **NIV Life Application**
