Anderson, 2015-05-28 Leaders of congregations want to foster change but Washington Times how is rarely obvious Some pursue top down approaches while others think bottom up Either approach assumes some control by the leader but effective leadership of change needs more than control it requires influencing the ongoing change that is naturally occurring In the organizational literature this matter is understood in terms of systems and more specifically complex adaptive systems or self organizing systems This literature has important insights for church leaders when viewed in tandem with biblical principles These concepts are presented here within the story of a mid career pastor who is frustrated by his complacent congregation and is seeking a new way forward Information on complex adaptive systems is presented in the context of the story of his interactions with a church consultant a seminary professor some published materials and an

ongoing seminar conducted by the consultant The pastor's engaging issue is whether change in a church is best pursued top down or bottom up Within this context self organizing change becomes the central focus of the book and eventually is distinguished from both top down and bottom up initiatives The focus is understanding the connection between such change **Rethinking Baptism** Stanley K. Fowler, 2015-09-14 Baptism may be more important than you and biblical principles think Virtually every Christian tradition practices baptism but with diverse understandings of its form and meaning Baptists and similar traditions have emphasized the restriction of baptism to confessing believers and immersion as the mode and they have usually interpreted baptism as a post conversion act of human obedience rather than a sacramental means of grace In this book a Baptist theologian calls for a reformation of Baptist thought and practice arguing that a biblical theology of baptism interprets baptism as a sacramental seal of conversion The book develops the biblical case for this perspective and answers questions about its practical implications **So You Think You're A Christian?** Anthony "Phil" Philip,2025-08-08 Having been raised Catholic all my life I knew that something was missing about my belief This may have been a blessing in disguise Of those who I have come to know in the past decade or so who have been raised on the Bible most have a harder time facing the truth due to the depth of their indoctrination The Christian faith has been infiltrated and corrupted By whom and how and when will be covered It may shock or even enrage you depending on the depth of your faith Our feelings need not apply This is about truth not feelings The truth is my only goal FOREVER IS A LONG TIME **Youth Ministry Nuts** and Bolts, Revised and Updated Duffy Robbins, 2010 To help youth workers paid and or volunteer think through some of the key issues related to the administrative issues of youth ministry
