## So Happy So Sad:

*Schubert's Late Lieder* Susan Youens, 2006-11-02 Schubert's Late Lieder is a study of selected songs for voice and piano composed by Schubert between 1822 and his death on 19 November 1828. Circa late 1822 Schubert was diagnosed with syphilis and many of the songs discussed in this book were written under the seal of impending death. It is possible to locate in these songs a late song style full of elegiac references to Schubert's other death haunted works and marked by distinctive variation techniques. Youens also introduces six of the poets whose texts Schubert set to music. [So Happy Together](#)

Deborah K. Shepherd, 2025-07-30 As her stultifying marriage is unravelling and in the midst of mourning the loss of her creative self Caro Tanner has a nightmare about Peter an old love whom she hasn't seen in twenty years. She takes this as a sign he still needs her. With her three children safely off to summer camp Caro embarks on a pre Facebook pre cell phone road trip to recapture who she once was and what she thinks she once had. Set in the rock n roll 60s of Tucson Arizona when Caro and Peter were kooky colorful and inseparable drama students and in the suburban 80s when Caro's creative spark has been quenched to serve the needs of her husband and children *So Happy Together* explores the conundrum of love and physical attraction creativity and family responsibilities and what happens when they are out of sync. It is a story of missed opportunities the alluring possibility of second chances and what we leave behind carry forward and settle for when we choose. It sits in that complicated confounding beautiful place where love resides.
