Fools and other Stories Njabulo S. Ndebele, 2015-04-01 Fools and Other Stories is an intricate and subtle collection that deals with the formative experiences of growing up in a Johannesburg township during the apartheid years These five stories are part of a long project in which I am attempting to explore imaginatively various aspects of life in the community I grew up in in South Africa The first part which these five stories cover deals with the themes of early childhood and adolescence In the second part I hope to explore adult life up to old age lastly I want to imaginatively study the movement of social change Abyss and Other Stories Leonid Andreyev, 2018-08-28 Haunting disguieting shocking The Abyss one Niabulo S Ndebele of the most powerful short stories ever written is accompanied in this volume by fifteen other stories Together they provide a clear account of the lasting legacy of Russia's foremost man of letters of the early twentieth century As the young Zinaida and her sweetheart the student Nemovetsky stroll through the idyllic Russian countryside their memories dreams and thoughts about life and the future mingle in the evening breeze But when night falls they hasten to retrace their steps back to town through a small wood where they are accosted by three threatening drunkards who knock Nemovetsky unconscious and start to chase the girl through the underwood When the young student comes round he is confronted with the horror of what has just happened Haunting disquieting shocking The Abyss one of the most powerful short stories ever written is accompanied in this volume by fifteen other stories never translated into English before by Andreyev including Silence The Thief and Lazarus some of them never translated before into English Together they provide a clear account of the lasting legacy of Russia's foremost man of letters of the early twentieth century The Lizard of Oz and Other Stories Richard Seltzer, 2022-12-10 The Lizard of Oz is a satiric child like fantasy for children fifth grade and up and also for adults This is a revised and expanded version of the underground classic self published in 1974 When an elementary class sets out on a quest to save the world from disenchantment their adventures reveal paradoxes of the human mind and ways of awakening the magic within us The Lizard has captured the imaginations of an enthusiastic cadre of fans who enjoy reading it to their children The other Stories include Now and Then Once upon a space there was a time a cute little time Her name was Now She saw him And he saw her And Now and Then Then and Now played and played and played Now and Then the greatest playmates of all time Julie's Book The Littler Princess Long ago there was a castle with towers taller than church steeples with stairs that wound round and around a thousand steps high And at the top of one of those towers lived a little princess named Julie But in spite of everything she did to make herself miserable she lived happily ever after Mary Jane s Book the Book of Animals It was summer vacation and everything was different Mary Jane didn t have to go to school and everything she just loved turned into a car all the animals that is And Leroy and James and Ricky and Raymond and Michael and David and Penny and Frank and Julie and Desire and Miss Morgan rode on horses and cows and birds and brand new animals And everybody was happy especially the animals The Little Oops Named Ker Plop Once beneath a space there was an oops named
