The Sunday teachers' treasury, ed. by W.M. Whittemore
William Meynell Whittemore, 1867. Armageddon Apocalypse UFO's and GOD I. Eric, 2008-05. War, famine, and natural disasters: these are the signs of the times that we live in. Today's headlines could have been pulled directly from the book of Revelation in the Bible. The Bible predicted that all of these events would occur in the years leading up to an event commonly known as the Apocalypse. UFO's are related to Bible scriptures. This information gives support thereof. UFO sightings worldwide will become more prevalent near the end times. As stated in Chapter 3, pg 36, as quoted in printed INK as of June 2006, Christians worldwide are well aware of these facts and prophecies that predict and foreshadow the end times, but what about the non-Christians, the non-believers? Whether you are a believer or not, this book will point out and explain the signs of the end times that are so prevalent today. It will answer the questions that many people ask themselves: you will be made aware of not only what is going to happen and how it's going to happen, but also most importantly, when it's going to happen. You will also learn what you need to do to prepare yourself for this event. It's not too late; there is still time for you to do what you need to do to prepare yourself. This book is a last and final warning to mankind. The evilness of mankind is what has brought us to this point in time. Murder, mayhem, sexual perversion, and other crime have taken us down the road to ruin. There is another road, though. A good road, and it is possible to get on the good road before it's too late. This book will paint a picture for you. It will paint a picture of the past, a picture of the present, and a picture of the future. This picture will help you to understand where we are today in present times and what we need to do to prepare for the future. God is great and wonderful; he has everything waiting for you, and time is waiting for you. I have been given a mission. My mission is to set the record straight, the record, and the writings of the Bible. I am going to explain to you everything: what the purpose of life is, behind God's great plans, and why we are in existence, and why there must be another life. You have a right to know everything I know that I believe, which is the entire message of my mission, be told for everyone who is going to find out any way during and after the Armageddon Apocalypse when God does rule Earth and after Earth is under God's rules. The

message is we re living in the end times and mankind has set himself up for self destruction Do you want to know the truth of mankind in life and where that life came from I m going to tell you the truth for I promise to tell you the truth and have been telling you the truth of what I ve been told And I believe that after I tell you these things that my main messages and mission will be completed as I promised years and years ago some fortythree years ago I made a promise to God and I m keeping it
