So Young The Warriors:

White Fox Gary Dallmann, 2013-09 This is a story about a warrior of the People the Dakota nation After extensive research Gary Dallmann chose to write a story that recounts the exploits of White Fox a warrior who was elevated to chief of the Dakota nation at the young age of twenty eight As chief he faced many challenges This kind intelligent man proved to be the right choice since he had the welfare of his people paramount in his mind This is also a gripping tale of misplaced revenge against White Fox by Broken Face a fierce warrior of the Tree People His obsession ended the lives of many warriors Worry over a demented enemy would have been sufficient to age a seasoned chief but to make things worse White Fox s spirit helper sent a message warning him of a dangerous and seemingly demonic pack of wolves invading the Dakota hunting grounds The wolves were killing indiscriminately and their evil sport was not restricted to animals **Facing the Dragon**

Robert L. Moore, 2003 Structured around a series of lectures presented at the Jung Institute of Chicago in a program entitled Jungian Psychology and Human Spirituality Liberation from Tribalism in Religious Life this book length essay attacks the related problems of human evil spiritual narcissism secularism and ritual and grandiosity Robert Moore dares to insist that we stop ignoring these issues and provides clear sighted guidance for where to start and what to expect Along the way he pulls together many important threads from recent findings in theology spirituality and psychology and brings us to a point where we can conceive of embarking on a corrective course Traditional doctrinal and historical interpretation both rely heavily on rational analysis But from the disciples at Emmaus to the beginnings of the present century it has been the impact of scripture upon the human heart that has changed human lives In recent decades this impact has been strengthened by advances in linguistic and literary theory by such disparate influences as feminism structuralism Jungianism

deconstructionism the analysis of archaic imagery and myth the recovery of Gnostic texts and finally an openness to pluralism whether ethnic geographic religious or interpretive All of these factors are treated here with a brevity and comprehensiveness which convincingly show that the reader of scripture has a creative and not merely passive role If you would understand the deepest roots of terrorism greed and religious fanaticism read Facing the Dragon But be forewarned you may find some offshoots in your own garden June Singer Jungian analyst author of Boundaries of the Soul Robert Moore Phd was an internationally recognized psychotherapist and consultant in private practice in Chicago He was considered one of the leading therapists specializing in psychotherapy with men because of his discovery of the Archetypal Dynamics of the Masculine Self King Warrior Magician Lover He served as Distinguished Service Professor of Psychology Psychoanalysis and Spirituality at the Graduate Center of the Chicago Theological Seminary and has served as a Training Analyst at the C G Jung Institute of Chicago He is Co founder of the Chicago Center for Integrative Psychotherapy **Allan Quatermain by H.**

Virtues in African Stories Kwame Afadzi Insaidoo,2021-04-06 These thrilling whimsically and action packed anthology of adventurous stories bring to life some vital aspects of traditional African culture These wonderful African traditional stories offer a rare glimpse into a portion of African traditional culture not often openly discussed outside many remote villages they originate from As you peer through these pages be prepared to be thrilled and amazed as some aspects of ancient African culture are brought to life through amazing story telling Most of the stories are used to reinforce the traditional virtues in these tribal societies Some of the stories illustrate and exemplify what happens to youngsters when they choose to follow the century old African tradition and culture and when another youngster deviates from the traditional African values of respecting and honoring their elders And yes some of the stories are told to young girls in rural areas as cautionary tales to keep them from marrying total strangers outside their respective tribes Most of the stories and folktales here are fictionalized and many characters borrowed from various cultures to entertain the reading audience while imparting numerous traditional virtues and morals into the youngsters The ancient traditional African elders strongly believe in inculcating and ingraining these societal virtues into their youngsters because like the ancient Greek philosophers the African elders deeply concurred with Plato s enunciation that Now since men are by nature acquisitive jealous combative and erotic how shall we persuade them to behave themselves By the Policeman s omnipresent club It is a brutal method costly and irritating There is a better way and this is by lending to the moral requirements of the community

Deju,2016-07-21 Thirty five of my BFF and I decided last year to write snippets of our lives reflecting on how we used our mojo to survive and thrive Many of us escaped adversity in our home countries including the genocide of the Killing Fields in Cambodia the Cuban Revolution and the brutal life in the rural mountain villages of Per Others in my list of BFF escaped the equally harsh demons of drug addiction while others survived poverty racism war and all forms of discrimination However nothing could stop any of us in our aim to lead a successful life with no sulking None of us considered success the result of becoming rich and famous instead to us success meant bettering ourselves bettering the world innovating where we could and creating businesses such as Charles Schwab EnergySolutions Yahoo HBO MTV Nickelodeon parts of the Virgin Group and many others We have accomplished our goals through passion leadership and perseverance without sacrificing our values and we continue to do so today The book contains our stories in our own words and just like Napoleon Hill did in his famous book Think and Grow Rich in 1937 we have analyzed our life trips and derived the twenty rules that we have consciously or unconsciously followed to achieve our individual success The stories represent three dozen lifetimes of successes and failures or perhaps we should call them learning steps Through it all we have used our mojo to the max and still do so today We truly got mojo and these are our stories of inspiration and perspiration Quest For The One (In Her Name, Book 11) Michael R. Hicks,2025-09-15 Kreelan High Priestess Tesh Dar thought nearly a century of agony had been her greatest trial Then her Empress placed the survival of their entire species in Tesh Dar s hands When she cloistered herself away in the temple of the Desh Ka after she brought shame upon herself during the battle on Saint Petersburg Tesh Dar endured a nightmarish ordeal of pain and suffering to redeem her honor Summoned by the Empress after nearly a century Tesh Dar was given an impossible task find The One among the humans spoken of in an ancient prophecy who could save her own kind from extinction On a small colony world Lieutenant Colonel Wiley Hickock of the Confederation Marine Corps leads a brutally mauled Marine division against a vastly superior Kreelan force Drawing on his knowledge of ancient human history he hands his alien enemies not just one but two spectacular defeats But after he is nearly killed by Tesh Dar and no longer able to fight after suffering major brain damage he s exiled by his hateful son to the backwater world of Hallmark to work as a lowly handyman Emotionally numb and stricken with nightmares after his parents are killed by Tesh Dar Reza finds that the Kreelans aren t the only enemies he will have to face But he also learns that he won t have to face them alone Wiley becomes his friend protector and surrogate father against those who prey on the children All Reza has to do is survive long enough to become a Marine and take vengeance against the aliens who killed his parents On the far side of

the galaxy young warrior Esah Zhurah is sent to the Homeworld to learn all she can about the humans as part of a great experiment set in motion by Tesh Dar to teach humans of the Kreelan Way in hopes that at least one of them has a soul and can save their people There is only one slight problem Esah Zhurah hates humans with a fiery passion From the frozen wastes atop an ancient mountain of the Kreelan Homeworld to the arid wheat covered plains of the planet Hallmark Tesh Dar's quest binds Reza Esah Zhurah Wiley and others to an ancient prophecy The only question is who if any among them will survive Author's note Quest For The One falls between Dead Soul and Empire in the In Her Name saga If you enjoy tales of epic space opera alien invasion and interstellar war blended with science as magic and loaded with action and adventure you'll love Quest For The One Get your copy now *The Jesuit Warrior* Clint Bennett,2020-01-29 Two men of God left Spain for the new world One of them was a fully ordained member of the elite Jesuit society and the other was his protégé The faith of the Jesuit was deeply ingrained and unwavering while the faith of his student was weak and questionable at best They each left Spain with different goals The goal of the Jesuit was to save the souls of the pagan tribes thought to occupy west central Florida while the goal of the youth was exploration and adventure The apprentice had witnessed horrific events as a child events that were approved and encouraged by the church and the inquisition He would later witness events that would destroy his fragile faith and turn his life in a completely different direction He became a realist Although he still searched for truth and honor he was convinced he would not find it in the teachings and actions of the Jesuits or the Spanish He renounced his heritage and the teachings of the Jesuits became irrelevant He would find his truth and honor in the most unlikely of places among the so called pagan savages called the Calusa **Freedom or Death** , The Trojan War and Its Aftermath: Four Epic Poems Retold David Bruce,2024-04-01 The Trojan War and Its Aftermath Four Epic Poems Retold by David Bruce is a captivating retelling of the timeless tales surrounding the legendary conflict of the Trojan War and its far reaching consequences Drawing from ancient sources such as Homer's Iliad and Odyssey as well as other classical works Bruce weaves together a rich tapestry of myths heroes and gods to create a compelling narrative that brings the ancient world to life Through vivid prose and meticulous attention to detail Bruce guides readers through the epic events of the Trojan War from the famed duel between Achilles and Hector to the cunning stratagems of Odysseus and the tragic fall of Troy Along the way he introduces readers to a host of unforgettable characters from the valorous warriors to the cunning goddesses each with their own motivations and desires But Bruce's narrative doesn't end with the fall of Troy instead he explores the aftermath of the war and its impact on the heroes and heroines who survived From the trials of Odysseus as he struggles to find his way home to the tragic fate of the Trojan women Bruce delves deep into the human drama and emotional resonance of these timeless stories revealing the enduring power of myth to illuminate the human condition **Hellpath 1859** Chuck Fair,2005-09-10 Violence sweeps up a 19 year old boy carrying him on a thirty year odyssey that ends at Wounded Knee Creek
