**Soccer Is Fun** Cowan, Jane, Tony Waiters, Schneider, Scott, 1997-06-01      **Coaching 6, 7 and 8 Year Olds** Tony Waiters, 2010-09-17 WHY WE HAVE CHANGED The first edition of Coaching 6 7 8 Year Olds was written in collaboration with Bobby Howe at that time the Director of Coaching for the Washington State Youth Soccer Association later Director of Coaching for the United States Soccer Federation That was a long time ago 1988 One year later we published Coaching 9 10 11 Year Olds Until recently we hadn't changed a word in either of them Why Like the Energizer Bunny they just kept on going and going and going Over 100 000 copies of each of the originals have been sold As I'm sure you would understand we were reluctant to change Consequently nothing did except the photographs of the two authors The book didn't age but the authors did Since 1989 we have learned so much So now it is time to change in order to update and improve the books but at the same time we will retain much of the core content that has worked so well The 21st Century has given us another great technological opportunity digital printing We are now able to customize modify and change the content of the manuals and the covers at will We can update with every printing And we can print just one book or 1000 So if for instance the Lake Washington Youth Soccer Association wants their version of Coaching 6 7 8 Year Olds we can do it If the Franklin Pierce Club only needs 10 customized copies of 9 10 11 Manual for the coaches of their small club we can do that too And if we come up with the newest game that children think is a blast we can insert that in the very next print Tony Waiters
