Social Assessments For Better Development:

Social Assessments for Better Development Michael M. Cernea, Ayşe Kudat, 1997-01-01 This annual report lists and describes the World Bank Group's portfolio of projects designed to improve or protect the environment all of which were under implementation during fiscal year 1996 July 1 1995 to June 30 1996 The first part of the report discusses significant environmental issues for each sector and region and describes the environmental activities of various parts of the World Bank Group Boxes tables and figures supplement the narrative A useful bibliography of World Bank publications on environmental topics closes the section The second part consists of reports on environmentally targeted projects World Bank and International Finance Corporation IFC projects that required a full environmental assessment because of their potential impacts investment operations supporting projects launched by the Global Environment Facility and projects designed to help developing countries comply with the Montreal Protocol a multilateral treaty that controls the production and consumption of ozone depleting substance

Assessing the Social Impact of Development Projects Hari Mohan Mathur, 2015-12-16 This book shows how social impact assessment SIA which emerged barely five decades ago as a way to anticipate and manage potentially negative social impacts of building dams power stations urban infrastructure highways industries mining and other development projects is now widely in use as a planning tool especially in developed countries Although SIA has still not gained much acceptance among development planners in Asia the situation is gradually changing In India SIA initially mandated as a policy guideline in 2007 is now a legal requirement SIA in China has also recently become obligatory for certain types of development projects Bangladesh Laos Nepal Pakistan and Sri Lanka are other Asian countries that provide examples from a variety of externally funded projects illustrating the use of social impact analysis in project planning to improve development outcomes With contributions from an array of leading experts this book is a valuable resource on SIA indispensable for policymakers planners and practitioners in government international development agencies private sector industry private banks consultants teachers researchers and students of social sciences and development studies also NGOs everywhere not in Asia alone

Putting Social Development to Work for the Poor, 2005 This publication examines the effectiveness of aid agency projects in relation to social development work which are based on four key concepts of social sectors safety nets inclusion equity and empowerment and social relations The report draws on recent and ongoing OED evaluations supplemented by other data including a portfolio review a literature review individual surveys and a review of country assistance strategies Four main recommendations are made to improve policy outcomes including the need to ensure that stated Bank or policy priorities receive adequate treatment across regions and countries with better strategic planning to address current skills and monitoring and evaluation gaps

Making a Difference? Susanna Price, Kathryn Robinson, 2015-01-01 Social assessment for projects in China is an important emerging field This collection of essays from authors whose formative work has influenced the policies that shape practice in development affected

communities locates recent Chinese experience of the development of social assessment practices including in displacement and resettlement in a historical and comparative perspective Contributors social scientists employed by international development banks national government agencies and sub contracting groups examine projects from a practitioner s perspective Real life experiences are presented as case specific praxis theoretically informed insight and pragmatic lessons learned grounded in the history of this field of development practice They reflect on work where economic determinism reigns supreme yet project failure or success often hinges upon sociopolitical and cultural factors Social Impact Analysis Laurence R. Goldman,2020-08-20 This book addresses the nature purpose and processes associated with social impact analysis Because resource development projects occur in human as well as ecological environments stakeholders landowners companies and governments are compelled to ensure that the benefits of any project are maximized while the negative risks are minimized Achieving such objectives means implementing programs which monitor and evaluate the ongoing effects of a project on the social and cultural lives of the impacted populace This book aims to provide a teaching and training resource for students social scientists anthropologists sociologists human geographers environmentalists engineers etc and indigenous personnel and operators who are tasked with community affairs programs in those countries where resource development projects are implemented The constituent chapters provide how to guides and frameworks that are generously illustrated with case studies drawn variously from North America and the Asia Pacific region Topics addressed include Legal Frameworks and Compliance Procedures Social Mapping Environmental Reports Social and Economic Impact Studies Social Monitoring Techniques Project Development Statistical Packages and Report Production This book is unique in so far as it seeks to prioritize application over theory Moreover it is the first training resource that is sensitive to non western indigenes need to assimilate and apply skills engendered by Western countries *Social History Assessment* Arlene Bowers Andrews,2006-12-07 Her book takes us on a journey back to the basics of conducting a thorough and informative social history and is an account of what a real social history involves I recommend this book not only for the novice but also for all clinicians who want an edge on how to accumulate more pertinent information concerning their patients and to guide their treatment PSYCCRITIQUES In the mental health and human service professions taking a social history assessment marks the start of most therapeutic interventions Social History Assessment is the first resource to offer practical guidance about interpreting the social history Author Arlene Bowers Andrews provides rich resources to assist helping professionals as they gather and most importantly interpret information about social relationships in the lives of individuals **Handbook of Social Skills and Autism Spectrum Disorder** Justin B. Leaf,2017-10-17 This handbook identifies the various social deficiencies widely associated with children and youth diagnosed with autism spectrum disorder ASD It discusses possible causes as well as the lifelong effects if these deficiencies are not addressed The handbook presents current behavioral and curriculum based methods for assessing social deficits Chapters examine the various interventions that have been used

improve social skills and behavior including video modeling peer mediated interventions and script fading Chapters also assess various interventions using empirically based procedures evaluate the research of each of these procedures provide guidelines for treatment planning and offer clinical recommendations The handbook concludes with future directions for the development of both social behavior and clinical social skills interventions Topics featured in the Handbook include Impairments in social behavior that may result in negative outcomes such as depression loneliness and suicide in individuals with ASD Bullying among youth with ASD Behavioral skills training to promote social behavior of individuals with ASD The Early Start Denver Model approach to helping young children with ASD The implementation of social skills groups for individuals diagnosed with ASD The Handbook of Social Skills and Autism Spectrum Disorder is a must have resource for researchers clinicians professionals and graduate students in clinical child school and developmental psychology behavioral therapy and social work as well as such interrelated disciplines as child and adolescent psychiatry rehabilitation medicine therapy pediatrics and special education educational psychology Counseling for Social Justice Courtland C.

Lee,2018-06-27 Thought leaders examine social justice counseling from a global perspective in the latest edition of this pioneering book Part 1 examines the historical and contemporary context of social justice counseling Part 2 presents ideas for promoting social justice and challenging oppression and marginalization with individual clients and communities Topics in this section include perspectives on peace violence and conflict recommendations for global initiatives in school counseling advocacy for decent work promoting gender equity fighting racism and implementing social action strategies with LGBTQ communities older people people with disabilities and undocumented immigrants Part 3 contains chapters on the role of neuroscience in advancing social justice and infusing social justice perspectives in ethics research and counselor training This third edition could not come at a better time given the current national and global political climates Lee and his colleagues raise the bar challenging counselors to move from simply understanding social injustice to engaging in actions that improve systemic inequities The magnitude of this charge cannot be ignored This text should be mandatory in every counselor education program in the United States and across the globe the time is now Counselors must take the lead by leaning in and changing the world one person at a time one community at a time and one nation at a time Colleen R Logan PhD Fielding Graduate University Courtland Lee continues to be a leader in helping to advance social justice in the counseling profession This book builds on previous editions by offering new and emerging strategies for implementing social justice with clients and communities It pushes the limits of what is possible when counselors incorporate social justice into their practice Manivong J Ratts PhD Seattle University This text provides crucial information on how counselors can engage in social justice work throughout their practice research and advocacy activities to not only become effective change agents but also transform how we see ourselves and the world Anneliese A Singh PhD University of Georgia Requests for digital versions from ACA can be found on www.wiley.com To purchase print copies please visit the ACA website Reproduction
