Sugar And Slate:

Sugar and Slate Charlotte Williams, 2023-05-25 It is Williams's Welshness that makes the examination of her mixed race identity distinctive but it is the humour candour and facility of her style that make it exceptional an engaging and perceptive voice describing an engrossing and particular personal story Gary Younge In its exploration of geographical racial and cultural dislocation Sugar and Slate is in the finest tradition of work to have emerged from the black diaspora in recent times The Guardian Within this review I can only scrape the surface of the many dimensions of Williams memoir so I strongly encourage you to read this precious book for yourself and find those parts of it which speak most to you Sarah Tanburn Nation Cymru Warmly recommended to any curious minds at 20 years old Sugar And Slate still speaks to us in these modern times helping to ensure marginal voices remain heard Buzz A mixed race young woman the daughter of a white Welsh speaking mother and black father from Guyana grows up in a small town on the coast of north Wales From there she travels to Africa the Caribbean and finally back to Wales Sugar and Slate is a story of movement and dislocation in which there is a constant pull of to ing and fro ing going away and coming back with always a sense of being half home This is both a personal memoir and a story that speaks to the wider experience of mixed race Britons It is a story of Welshness and a story of Wales and above all a story for those of us who look over our shoulder across the sea to some other place It would have been so much easier if I had been able to say I come from Africa then maybe added under my breath the long way round Instead the Africa thing hung about me like a Welsh Not a heavy encumbrance on my soul a Not identity an awkward reminder of what I was or what I wasn't Once at a seminar one of those occasions when the word Diaspora crops up too many times and where there aren't too many of us present the only other Diaspora person sought me out His eyes caught mine in recognition of something I can't say I could name yet I must have responded because later as we chatted over fizzy water and conference packs he offered quite uninvited and with all the authority of an African People like you You gotta get digging and if you dig deep enough you're gonna find Africa

The Countryside Corinne Fowler, 2024-06-11 Ten walks through idyllic scenery reveal the countryside's forgotten links to transatlantic slavery and colonialism a work of accessible history that will transform our understanding of British landscapes and heritage The green fields rugged highlands and rolling hills of England Scotland and Wales are commonly associated with adventure romance and seclusion as well as literary figures like Jane Austen and William Wordsworth But in reality many of these rural places with their country houses lakes and shorelines were profoundly changed by British colonial activity Even hamlets and villages were affected by distant colonial events Taking ten country walks author Corinne Fowler explores the unique colonial dimensions of British agriculture copper mining landownership wool making coastal trade and factory work in cotton mills One route shows the links between English country houses and Indian colonization Another explores banking history in Southern England and its link to slavery on Louisianan plantations Other walks uncover the historical impact of sugar profits on the Scottish isles and 18th century

tobacco imports on an English coastal port The history of these countryside locations and the people who lived and worked in them is closely bound up with colonial rule in far away continents Accompanying the author on her walks are a fascinating group of people artists musicians and writers with strong attachments to the landscapes featured in this book and family links to former British colonies like Barbados and Senegal These companions illuminate the meaning of colonial history in local settings Crucially this is not just a history book but a compassionate reflection on the way we respond to sensitive shared histories which link people across cultures generations and political divides *Sugar on the Slate* Don Fontaine,1951

Postcolonial Travel Writing J. Edwards,R. Graulund,2010-11-10 With its inclusion of original essays challenging the view of travel writing as a Eurocentric genre this book will stand as a benchmark study of future inquiries in the field It will revitalize the critical debate sparking a much needed rethinking of a vibrant and highly popular but also volatile genre that has seen many changes in recent years *Standards Yearbook* ,1932 **Bulletins of the Geological Survey of Victoria** ,1903 *Catalogue of the Maine Geological Collection* William Shirley Bayley,Francis P. King,1890 *Building Intelligent Agents* Gheorghe Tecuci,1998-06-23 Building Intelligent Agents is unique in its comprehensive coverage of the subject The first part of the book presents an original theory for building intelligent agents and a methodology and tool that implement the theory The second part of the book presents complex and detailed case studies of building different types of agents an educational assessment agent a statistical analysis assessment and support agent an engineering design assistant and a virtual military commander Also featured in this book is Disciple a toolkit for building interactive agents which function in much the same way as a human apprentice Disciple based agents can reason both with incomplete information but also with information that is potentially incorrect This approach in which the agent learns its behavior from its teacher integrates many machine learning and knowledge acquisition techniques taking advantage of their complementary strengths to compensate for each others weakness As a consequence it significantly reduces or even eliminates the involvement of a knowledge engineer in the process of building an intelligent agent Best Hikes Columbus Johnny Molloy,2018-10-01 Who says you have to travel far from home to go on a great hike In Best Hikes Columbus veteran hiker Johnny Molloy offers the absolute best hikes in the greater Columbus area Each featured trail is perfect for the urban and suburbanite hard pressed to find outdoor activities close to home This guide leads you up hills over creeks and through forests to the best outdoor adventures around Columbus Discover incredible vistas and spectacular rock formations at Conkles Hollow Explore an aboriginal village site at Battelle Darby Creek Park Experience Ohio s natural beauty at the Blackhand Gorge State Nature Preserve Every chapter includes up to date hike specs a brief hike description directional cues and a detailed map *Public Documents* West Virginia,1915 **First [-Third] Annual Report on the Geology of the State of Maine** Maine Geological Survey,1837 **NBS Special Publication** ,1932 The Louisiana Planter and Sugar Manufacturer ,1901 *A course of simple object lessons for infants* William Hewitt (B.Sc.),1884 *Bulletin M.* Pennsylvania.
