THE SUICIDE ROOM Xavier Vidal,2021-09-25 1912 A mysterious and luxurious Casino hidden in the mountains outside Barcelona the cradle of the European Art Nouveau explosion a legendary secret room where gamblers who had lost everything could discreetly commit suicide a serial killer on the loose Bicycle man a young and peculiar police sub inspector

who will never give up 2021 The ruins of an old casino are barely visible through the vegetation a serial killer still on the loose a journalist in search of a story that can revive his declining career was the suicide room just an urban legend Two people investigating the same crimes and chasing the same serial killer but living one hundred years apart One simple question Could a man be forced to commit suicide to save the lives of his loved ones *The Essentials of Suicide Prevention* Karen Mason, 2023-01-24 Suicide is a growing tragedy in the US and in the church We can stop the climbing numbers of suicide deaths but it is going to take everyone working together including the church Without the church suicidal people may not hear the life affirming messages they need to hear Without an informed church people who have lost loved ones to suicide may leave the church Too often the church watches from the sidelines not knowing what to do Why is it that the wider secular culture is more engaged in suicide prevention than God's people especially given that Christians care deeply about the sanctity of life The apostle Paul modeled suicide prevention for the church when he stopped the suicide of the Philippian jailer But pastors and congregants may not know how to follow his example The result is that people who struggle with suicide or who have lost loved ones to suicide wonder if the Bible or their church have anything relevant to say about suicide This book will provide the resources needed to help prevent suicide in a church even when a church does not want to start one more program
