Major,2004-01-01 Defining Chu begins with an overview of the historical geography an outline of archaeological evidence for Chu history and an appreciation of Chu art Following chapters examine issues of state and society the ideology of the ruling class legal procedures popular culture and daily life The final section surveys Chu religion and literature and includes an analysis of the Chuci the great anthology of Chu poetry and its impact on mainstream Chinese literature A translation of the Chu Silk Manuscript is appended This document has intrigued scholars since its discovery in Changsha some sixty years ago The inclusion of this rare and difficult text available for the first time in an effective and accessible translation will make this volume indispensable to students and scholars of early Chinese history and thought **In Search of the Silk King** Maya Herman,2005-08-24 Maya Herman In Search of The Silk King A Novel Among many stories I heard in Southeast Asia the most fascinating is the story of the legendary American silk king of Thailand Jim Thompson It is as mysterious as Asia itself The name Jim Thompson seemed to follow me from the first moment I arrived in Bangkok The more stories and rumors I heard the more I became fascinated by them They had all the ingredients of a good novel or a major movie romance mystery glamour exotic locations and more The legend of the silk king and his disappearance remains as mysterious today as it was in 1967 No clues were ever found Only unanswered questions remained Using poetic license I decided to write a novel that might answer some of them As such the novel is very loosely and only in part based on the real life of Jim Thompson as I learned of it primarily through living in Bangkok traveling extensively throughout Southeast Asia and writing about it in my book of travel essays The Jade Window Bangkok 1998 It is also in part based on the information I gathered in my research from the newspaper articles on Thompson William Warren s indispensable biography of him on the interviews with Warren and Henry Thompson through Alexander Macdonald s notes and OSS archives for all of which I am immensely grateful Still my Jim Thompson is not a historic but a fictional character In Search of The Silk King is a work of fiction written in many voices that are tempered with the measure of truth Any errors biographical historical intended or otherwise are solely mine This is the story of an adventure told in hero s voice and in various voices of the people who knew him It is also the story of his life that had the sweep of a historical romance and the power of a heroic quest As Jim Thompson s absorbing tale unfolds the reader discovers what happened after his disappearance how he succeeded and suffered and eventually found the truth It is a novel of suspense of fate and love lost and found The Jim Thompson of my novel thinks of himself as an ordinary man in extraordinary circumstances There are on the tapes he sent from his after life in exile to a journalist friend his memories of the past his childhood desire to travel to exotic places of his first and greatest love of his marriage As a young man Jim went to New York and worked as an architect He met Vera a Russian ballerina and fell in love with her He gave her a brooch designed as a pair of ballet slippers made of emeralds and diamonds as a token of his great love When Vera decided to go

back to her old lover she returned one of the two slippers Jim kept the slipper as the memento of his love that would prove to be fatal After the breakup Jim tried to find a new direction in life He married a woman he barely knew and enlisted in the Army This was his way of escaping the loss of his first great love that would mark his whole emotional life He went to Africa where he worked for the OSS with Maurice a half French half Laotian mystery man Not eager to return home Jim volunteered to go to Southeast Asia This was the real beginning of his journey He fell in love with Bangkok and wanted to stay there even after the war was over His wife Pat did not share his enthusiasm and agreed to a divorce Jim returned to Bangkok with a plan to renovate the Oriental hotel He did not succeed in that but found his true vocation in a forgotten art of silk making Jim almost single handedly revived the Thai silk industry and became the most successful American businessman in Thailand There is a story about silk Jim s life seemed full He built a beautiful house and opened a new store He seemed to have finally found his fulfillment He had a beautiful young mistress Nicole and seemed *Wonder Women and Bad Girls* Valerie Estelle Frankel,2020-10-26 *Wonder Woman* Harley Quinn Shuri and Black Widow These four characters portray very different versions of women the superheroine the abuse victim the fourth wave princess and the spy respectively In this in depth analysis of female characters in superhero media the author begins by identifying ten eras of superhero media defined by the way they portray women Following this the various archetypes of superheroines are classified into four categories boundary crossers good girls outcasts and those that reclaim power From Golden Age comics through today s hottest films heroines have been surprisingly assertive diverse and remarkable in this celebration of all the archetypes , **Thursday Night at the Mall** Robert L.
