Suicide Squeeze Geoff Stamper, 2008-01-01 *The Louisville Slugger Complete Book of Women's Fast-Pitch Softball*
John Monteleone, Deborah Crisfield, 1999-03-15 Details the differences from men's softball and offers effective strategies

Games, Strategies and Decision Making Joseph Harrington, 2009 This book on game theory introduces and develops the key concepts with a minimum of mathematics. Students are presented with empirical evidence, anecdotes, and strategic situations to help them apply theory and gain a genuine insight into human behaviour. The book provides a diverse collection of examples and scenarios from history, literature, sports, crime, theology, war, biology, and everyday life. These examples come with rich context that adds real world meat to the skeleton of theory. Each chapter begins with a specific strategic situation and is followed with a systematic treatment that gradually builds understanding of the concept.

Bridge Squeezes for Everyone David Bird, 2002 Squeezes are an aspect of bridge declarer play that many intermediate players think they will never grasp. Yet while squeezes can be extremely complex, the basic principles of squeeze play are not. This is the first comprehensive book on squeeze play since Clyde E. Love's classic *Bridge Squeezes Complete* and much more approachable. Using the same straightforward conversational style with recaps and quizzes that characterised the *Bridge Technique* series, this book will make squeezes understandable to many readers who have been afraid to attempt to learn them.

Watching Baseball Jerry Remy, Corey Sandler, 2008-05-01 The Boston Globe's number one bestseller is back, revised and updated for the 2008 season and presented in a new trim size. Jerry Remy's name and face are already known to millions of fans. During baseball season, 400,000 or more households tune in to listen to his broadcast of Red Sox games. But many learned to love him years ago when he was traded to the Sox, earning a trip to the 1978 All-Star Game in his first year with the team. Remy hit 278, scored eighty-seven runs, and stole thirty bases that season. Injured in 1984, Remy never played another game. In 1988, he began his work as an announcer, working color commentary for Red Sox broadcasts on NESN, a basic cable channel available throughout New England and by satellite across the country. In *Watching Baseball*, Remy explains America's favorite sport by going inside the minds of coaches and players to reveal the game within the game. He takes readers around the diamond, pointing out the positioning of infielders, what's really going on during batting practice, how catchers and pitchers call a game, the difference between high cheese and a knuckler, and much more.

Winning Softball for Girls Facts On File, Incorporated, 2009 Reviews rules, recommends conditioning exercises, discusses positions, and explains offensive and defensive strategies.

Baseline Selling Dave Kurlan, 2005-11 *Baseline Selling: How to Become a Sales Superstar* by

Using What You Already Know About the Game of Baseball will dramatically change the way we approach the sales process replacing the gratuitous complexity advocated by today's sales experts with an elegant and very effective simplicity Studies have shown that the selling techniques of the last two decades have had very little impact on most of the sales population less than 75 percent of all salespeople to be exact Why Because of the complexity learning curve and difficulty in applying the concepts in these systems In response to the urgent need for a flexible innovative process that will enable people to grasp the essential skills necessary to close a sale in any situation Baseline Selling reemphasizes the fundamentals of selling in a fresh memorable way that modern sales professionals can relate to and utilize and above all one that complements and enriches advanced sales methodologies Salespeople who read this book and put its wisdom to work will succeed at acquiring more opportunities as they learn to get appointments more easily They will excel at creating opportunities with prospects who are not interested They'll sell at higher margins by using the Rule of Ratios Their closing percentages will improve dramatically as they implement the simple Inoffensive Close Salespeople selling commodities struggling to differentiate themselves will love Commodity Busters and every salesperson will be able to shorten their sell cycle by Taking a Lead Quite simply Baseline Selling introduces a way for salespeople to visualize and touch all the sales bases without over complicating the process

Rations Douglas B. Bailey, 2001 In eleven thought provoking sermons based upon texts from Genesis and Exodus Douglas Bailey highlights events from the lives of Jacob his son Joseph and Moses But these messages are more than simple biblical exegesis drawing on insights from scholarly research Bailey demonstrates that the spiritual struggles and faith of Jacob Joseph and Moses are very pertinent to vital issues we face in our lives today For example Jacob's growing pains make us wonder What prizes are worth working for and Why does God pick a fight with us and challenge us to a wrestling match Similarly the story of Joseph leads us to ask why genuine forgiveness is truly painful And sermons reviewing major episodes in the life of Moses raise such questions as Can we really trust God to come through when the chips are down and Can an affluent society ever accept God's limited offer of one day's blessings one day at a time Bailey mines the texts for answers to these timely questions proving that the ancient texts are still very relevant An ordained minister in the United Church of Christ Douglas B Bailey is a graduate of the University of Michigan B A Yale Divinity School B D S T M and the University of

Wisconsin Ph D In addition to serving pastorates in Vermont Maine Massachusetts and Wisconsin Bailey spent over twenty years in administration for Franklin County Children's Services in Columbus Ohio Bailey contributed to the 1998 Daily Book of Prayer published by United Church Press and continues to serve as a supply pastor for vacationing clergy He is also an active member of the United Christian Center ecumenical campus ministry board at Ohio State University
