Comparing Political Regimes Alan Siaroff, 2022-12-31 Comparing Political Regimes provides a current and comprehensive empirical assessment of the world's 195 sovereign states Alan Siaroff analyses and classifies countries in terms of economic development political evolution and state strength ultimately outlining and contrasting the aspects of four regime types liberal democracies electoral democracies semi open autocracies and closed autocracies The fourth edition explains institutional differences within democracies and autocracies respectively including how regimes evolve in key countries and how this change is incremental An invaluable reference for students to refer to this book provides a thorough foundational introduction to the comparative politics of countries and contains several unique figures and tables on the world's sovereign states This new edition modifies the conceptual focus regarding some features of democracy and democratic party systems expands on variations in autocracies and adds a new chapter on the historical evolution of democracy including key thresholds of representative democracy and levels of participation and competition at

various historical junctures for all countries The Handbook of Political Sociology Thomas Janoski, Robert R. Alford, Alexander M. Hicks, Mildred A. Schwartz, 2005-05-23 This Handbook provides a complete survey of the vibrant field of political sociology Part I explores the theories of political sociology Part II focuses on the formation transitions and regime structure of the state Part III takes up various aspects of the state that respond to pressures from civil society Problems of Democratic Transition and Consolidation Juan J. Linz, Alfred Stepan, 1996-08-22 Since their classic volume *The Breakdown of Democratic Regimes* was published in 1978 Juan J Linz and Alfred Stepan have increasingly focused on the questions of how in the modern world nondemocratic regimes can be eroded and democratic regimes crafted In *Problems of Democratic Transition and Consolidation* they break new ground in numerous areas They reconceptualize the major types of modern nondemocratic regimes and point out for each type the available paths to democratic transition and the tasks of democratic consolidation They argue that although nation state and democracy often have conflicting logics multiple and complementary political identities are feasible under a common roof of state guaranteed rights They also illustrate how without an effective state there can be neither effective citizenship nor successful privatization Further they provide criteria and evidence for politicians and scholars alike to distinguish between democratic consolidation and pseudo democratization and they present conceptually driven survey data for the fourteen countries studied *Problems of Democratic Transition and Consolidation* contains the first systematic comparative analysis of the process of democratic consolidation in southern Europe and the southern cone of South America and it is the first book to ground post Communist Europe within the literature of comparative politics and democratic theory This is an important volume by two major scholars on a central topic one of broad interest to people in comparative politics to those interested in democracy and to regional specialists on Southern Latin America and on Central and Eastern Europe The book will unquestionably be a major contribution to the literature on constructing democratic governance Abraham F Lowenthal University of Southern California *Between States* Yossi Shain, Juan J. Linz, Lynn Berat, 1995-05-26 *Between States* is the first book that assesses systematically the broad implications of interim governments in the establishment of democratic regimes and on the existence of states Based on historical and contemporary democratisation experiences the book presents four ideal types of interim government opposition led provisional governments power sharing interim governments incumbent led caretaker governments and international interim government by the United Nations The first part explores the theoretical problems of each of these models from a broad comparative perspective It uses as illustrations historical and contemporary cases that present a wide spectrum of contexts for comparison The second part provides extensive case studies that are intended to illustrate appraise amplify and criticise the analysis in volume one These include Iran East Germany Portugal Afghanistan and Yugoslavia The Politics of Democratic Consolidation Richard Gunther, P. Nikiforos Diamandouros, Hans-Jürgen Puhle, 1995-08 With democracy on the rise worldwide questions about transition are rapidly being replaced by questions about consolidation How can leaders

provide for a stable democracy once a nation has made its initial commitment to the rule of law and to popularly elected government In *The Politics of Democratic Consolidation* a distinguished group of internationally recognized scholars focus on four nations of Southern Europe Spain Portugal Italy and Greece which have successfully consolidated their democratic regimes Contributors P Nikiforos Diamandouros Richard Gunther Hans J Jørgen Puhle Edward Malefakis Juan J Linz Alfred Stepan Felipe Agüero Geoffrey Pridham Sidney Tarrow Leonardo Morlino Jos R Montero Gianfranco Pasquino and Philippe C Schmitter

Arguing Comparative Politics Alfred C. Stepan, 2001 This volume brings together new and classic articles by one of the leading scholars in comparative politics The articles focus in particular on the nature of contemporary democracy and its prospects The volume begins with a personal analysis of the intellectual and often political reasons why and how Stepan chose to engage in certain critical arguments over the last thirty years The volume is then divided into three sections each with a distinctive theme state and society constructing politics and varieties of democracies The introduction and articles ask whether both for intellectual and political reasons there are strong grounds for questioning both Rawls and Huntington on religion and democracy Riker on federalism and Gellner on multinationalism The volume contains articles on civil society political society economic society the military and a usable state The possibility of multiple and complementary political identities is argued for The incentive systems and political practices of the three macro constitutional frameworks for democratic government parliamentarism presidentialism and semi presidentialism are compared and contrasted

From Sheikhs to Sultanism Christopher M. Davidson, 2022-01-15 Muhammad bin Salman Al Saud and Muhammad bin Zayed Al Nahyan the respective princely strongmen of Saudi Arabia and the UAE have torn up the old rules They have spurred game changing economic master plans presided over vast anti corruption crackdowns tackled entrenched religious forces and overseen the mass arrest of critics In parallel they also appear to have replaced the old sheikhly consensus systems of their predecessors with something more autocratic more personalistic and perhaps even analytically distinct These are the two wealthiest and most populous Gulf monarchies and increasingly important global powers Saudi Arabia is a G20 member and the UAE will be the host of the World Expo in 2021 2022 Such sweeping changes to their statecraft and authority structures could well end up having a direct impact for better or worse on policies economies and individual lives all around the world Christopher M Davidson tests the hypothesis that Saudi Arabia and the UAE are now effectively contemporary or even advanced sultanates and situates these influential states within an international model of autocratic authoritarianism Drawing on a range of

primary sources including new interviews and surveys From *Sheikhs to Sultanism* puts forward an original empirically grounded interpretation of the rise of both MBS and MBZ

Faultlines of Conflict in Central Asia and the South Caucasus Olga Olikier, Thomas S. Szayna, Scott Pace, Peter A. Wilson, 2003-04-02 In the region of Central Asia and South Caucasus what is the potential for armed conflict and how might such outbreaks escalate to a level that could involve U S forces The authors evaluate the key political economic and societal faultlines underlying the likelihood of conflict in the region assessing their implications for regional stability and for U S interests and potential involvement over the next 10 to 15 years

The Arab Uprisings Explained Marc Lynch, 2014-08-05 Why did Tunisian protests following the self immolation of Mohammed Bouazizi lead to a massive wave of uprisings across the entire Arab world Who participated in those protests and what did they hope to achieve Why did some leaders fall in the face of popular mobilization while others found ways to survive And what have been the lasting results of the contentious politics of 2011 and 2012 The Arab uprisings pose stark challenges to the political science of the Middle East which for decades had focused upon the resilience of entrenched authoritarianism the relative weakness of civil society and what seemed to be the largely contained diffusion of new norms and ideas through new information technologies In this volume leading scholars in the field take a sharp look at the causes dynamics and effects of the Arab uprisings Compiled by one of the foremost experts on Middle East politics and society *The Arab Uprisings Explained* offers a fresh rethinking of established theories and presents a new framework through which scholars and general readers can better grasp the fast developing events remaking the region These essays not only advance the study of political science in the Middle East but also integrate the subject seamlessly into the wider political science literature Deeply committed to the study of this region and working out the kinks of the discipline the contributors to this volume help scholars and policymakers across the world approach this unprecedented historical period smartly and effectively

Democratic Revolutions Mark K. Thompson, 2003-11-20 Thompson examines the neglected concept of democratic revolutions spontaneous popular uprisings which topple unyielding dictators and begin a transition process that eventually results in the consolidation of democracy

The End of Personal Rule in Indonesia Ayako Masuhara, 2015 Motivated by on the ground experiences during Indonesia s period of political turmoil in the early 2000s following the collapse of the Suharto regime this book systematically explains the structure of the Suharto regime while revealing its political dynamism The primary goal is to account for the transformations that Suharto s personal rule underwent during 30 years in power and explain its end The book focuses on the personal rule system that Suharto employed analyzing its transition and collapse in a groundbreaking thesis that draws on archival materials from major political institutions as well as interviews with some of the key political protagonists The concept co opting type personal rule is proposed to address the following questions What concept can best capture the Suharto regime and the diverse array of personal rule systems and better explain the characteristics of each type How can we analyze personal rule regimes that end in relatively peaceful

transitions rather than revolution or violent coup Thesis Series Kyoto Area Studies on Asia Vol 24 Subject Asian Studies Indonesian Studies Politics **Turkmenistan's Foreign Policy** Luca Anceschi, 2008-07-25 Turkmenistan an independent nation since 1991 is a strategically important Central Asian state This book covers the most significant period of the establishment of the Turkmen political regime At the core of this book is the Doctrine of Positive Neutrality which from 1995 onwards constituted the theoretical backbone for the foreign policy of post Soviet Turkmenistan The author analyses the reason and aim of the concept its significance for and impact on the country's domestic and foreign relations its practical implementation and its transformation into a tool of strengthening of absolute personal authority Furthermore he establishes whether Positive Neutrality has to be seen as a domestic oriented foreign policy which has been used by the Turkmen regime to reinforce its internal position This is the first book length and thorough analysis of Turkmenistan's foreign policy It furthers our understanding of Turkmenistan and provides an informed background for the study of its foreign policy It fills a void in the current literature and it will constitute an essential reference for most scholars and researcher focusing on contemporary Central Asia Russian foreign policy Foreign Policy International Relations and Comparative Politics

Democratization and Authoritarianism in the Arab World Larry Diamond, Marc F. Plattner, 2014-04-01 Three years after the first mass protests of the Arab Spring senior scholars weigh in on how democracy is faring Beginning in December 2010 a series of uprisings swept the Arab world toppling four longtime leaders and creating an apparent political opening in a region long impervious to the third wave of democratization Despite the initial euphoria the legacies of authoritarianism polarized societies politicized militaries state centric economies and pervasive clientelism have proven stubborn obstacles to the fashioning of new political and social contracts Meanwhile the strong electoral performance of political Islamists and the ensuing backlash in Egypt have rekindled arguments about the compatibility of democracy and political Islam Even though progress toward democracy has been halting at best the region's political environment today bears little resemblance to what it was before the uprisings In Democratization and Authoritarianism in the Arab World leading scholars address the questions posed by this period of historic change in the Middle East and North Africa This volume includes chapters examining several broad themes the region's shifting political culture the relationship between democracy and political Islam the legacy of authoritarian ruling arrangements the strengths and vulnerabilities of remaining autocracies and the lessons learned from transitions to democracy in other parts of the world It also features chapters analyzing the political development of individual countries Algeria Bahrain Egypt Jordan Libya Morocco Saudi Arabia Syria Tunisia Yemen and the monarchies of the Gulf Contributors Hicham Ben Abdallah El Alaoui April Longley Alley Zoltan Barany Ahmed Benchemsi Mieczysław P Boduszyński Nathan J Brown Jason Brownlee Daniel Brumberg John M Carey Michele Dunne Abdou Filali Ansary Hillel Fradkin F Gregory Gause III Husain Haqqani Steven Heydemann Philip N Howard Muzammil M Hussain Amaney Jamal Stéphane Lacroix Juan J Linz Tarek Masoud Marc F Plattner Tarek Radwan Hamadi Redissi Andrew Reynolds
