[The Embarrassment of Being Human](#) Benjamin Boysen, 2024-12-24 With the message that everything in a sense is alive thus allowing us to join forces with new politico ethical communities stretching across human and nonhuman realms the new materialisms have captivated the minds of many academics artists and intellectuals by stressing that it is time to return to a premodern mindset and discard modernity and its concepts of secularization autonomy and finitude The Embarrassment of Being Human not only demonstrates how these magical materialisms are beset by grave theoretical and practical inconsistencies and self contradictions It also demonstrates how their demand for humans to step down and allow for an emancipation of things qualifies the new materialisms as a metaphysics of neoliberalism that reproduces and fortifies the self contradictions rampant in the current neoliberal hegemony While helping us to gain a comprehensive understanding of the tenets of the eerie ills of our epoch the critique of the new materialisms can furthermore inspire us to appreciate how the exact inversion of the new materialist complex amounts to a revitalization of the modern project A revitalization that is critical to think our epoch differently

**A Rose Armed with Thorns: Spinoza's Philosophy Under a Novel Lens** Amihud Gilead, 2020-08-10 This book presents a systemic analysis of Spinoza s philosophy and challenges the traditional views It deals with Spinoza s concepts of substance truth conditions attributes and the first second and supreme grades of knowledge Based upon an analysis of the relevant details in all of Spinoza s philosophical works the book reveals many important points including the following Spinoza s system is not nor is meant to be a foundational deductive system but was meant to be a coherent system of a network model Spinoza s reality is not made in the image of a mathematical model Imaginatio the first

grade of knowledge and ratio the second grade are parts or properties of the supreme grade of knowledge scientia intuitiva which is their essence Finite beings especially humans are necessary and eternal unless they are mistakenly perceived by imaginatio whereas time place and death are simply entities of imagination The salvation happiness and blessedness that Spinoza's Ethics offers us are active and depend only upon us Concluding a careful examination and interpretation the book suggests additional novel viewpoints in interpreting Spinoza's philosophical psychology and political philosophy
